SINGAPORE CONFERENCE ON APPLIED PSYCHOLOGY

BY DR. BRIAN MOORE

2024 Singapore Conference on Applied Psychology (SCAP2024), organized by East Asia Research and supported by Singapore University of Technology and Design and Charles Sturt University, will be held in the cosmopolitan city of Singapore.

The theme of the Singapore Conference on Applied Psychology 2024 is “**Psychological Well-being**”.

We invite researchers and practitioners from all fields of psychology research and practice to present and discuss recent innovations, trends, concerns, practical challenges encountered and the solutions adopted in the field of Applied Psychology, with a special focus on psychological well-being. This can include clinical and non-clinical psychological well-being and we encourage submissions that cross disciplines, for example psychological well-being in education and the workplace. We welcome submissions from a range of methodological approaches, including quantitative and qualitative work.

What can you expect at SCAP2024?

- Ample interaction opportunities for SCAP delegates
- Top Singapore hospitality for all attending delegates
- An intellectually stimulating scientific program featuring more than 70+ presentations by leading researchers, teachers, and practitioners
- An opportunity for East-West science and practice collaborations at SCAP
