20th ANNIVERSARY

Parkinson's 2018

etc Victoria, 1 Drummond Gate, London
Monday 21st May 2018

Now in its 20th year, The British Journal of Hospital Medicine is delighted to announce that registration is now open for Parkinson's 2018.

This CPD certified course provides an excellent opportunity for clinicians to update and extend their knowledge in the field.

Practical sessions with leading experts will allow you to develop your own ideas that can be implemented straight into your own daily practice.

Highlights will include

- Current challenges and future directions in Parkinson's research
[Dr Paul Worth](#)
- Parkinsonisms: different diagnoses and management approaches
[Professor David Dexter](#)
- Distinguishing between subtypes of non-motor symptoms
[Dr Yi Wan Min](#)
- Motor symptoms in Parkinson's: pharmacological vs surgical management
[Professor Carl Clarke](#)
- Prevalence and clinical features of impulse control disorders in Parkinson's disease
[Dr David Okai](#)
- Update: psychosis in Parkinson's disease
[Dr Paul Shotbolt](#)
