

PHOENIX IN JANUARY/FEBRUARY

The 47th Annual Phoenix Surgical Symposium will be held during one of the most delightful months in Phoenix, Arizona. The mild January weather is perfect to enjoy the many outdoor activities including championship golf, tennis, hiking and swimming.

PROGRAM DESCRIPTION

The symposium is a three-day postgraduate course designed to present a review of current knowledge. Each day's session begins with a continental breakfast followed by a series of presentations by a nationally recognized faculty. There will be opportunities for informal interaction with the faculty during the breaks/lunches.

PROGRAM OBJECTIVES

After completing this program, the participant will be able to:

- 1) Integrate new information into current clinical practice.
- 2) Identify current issues surrounding the optimal care of the surgical patient.
- 3) Identify current trends in multiple topics including breast surgery, trauma and critical care, endocrine surgery and hernia surgery.
- 4) Compare new surgical approaches to dealing with common and complex surgical problems.

EDUCATION CREDIT INFORMATION

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint Providership of Banner Health and The Phoenix Surgical Society. Banner Health is accredited by the ACCME to provide continuing medical education for physicians.

Banner Health designates this live activity for a maximum of 18.75 **AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The activity provides CME and self-assessment credits toward Part 2 of the American Board of Surgery Maintenance of Certification (MOC) Program.
