ANNOUNCEMENT PROGRAM

IMCAS ASIA 2025

Welcome to IMCAS ASIA 2025 in Bangkok!

We are thrilled to welcome you to IMCAS Asia 2025 in the vibrant city of Bangkok! Following our most successful year yet, we are more committed than ever to raising the bar and delivering an event that sets new standards in scientific learning and professional development.

This year's gathering promises to be an exceptional platform for physicians, practitioners, and experts to come together, share knowledge, and learn from each other in an environment dedicated to the highest levels of scientific excellence. With cutting-edge advancements in medical aesthetics and dermatology, we are focused on providing a program that challenges, inspires, and pushes the boundaries of what is possible in the field.

IMCAS Asia continues to be a unique opportunity to engage with world-class speakers and thought leaders, explore the latest innovations, and network with like-minded professionals. We are setting new benchmarks to ensure that this event remains the gold standard for scientific learning and knowledge sharing.

As always, Bangkok offers an incredible backdrop for this extraordinary event — rich in culture and modern sophistication. We invite you to embrace the energy of the city, immerse yourself in valuable educational experiences, and take full advantage of everything IMCAS Asia 2025 has to offer.

Thank you for joining us on this exciting journey. Together, let's continue to make IMCAS Asia a leading meeting place for those passionate about advancing their expertise and driving progress in the field.

HANDS ON TRAINING

Ultrasonography has been labelled the future of medical aesthetics and a must-have for any practitioner for its diagnostic abilities, increased safety, and more effective treatment options for patients.

The IMCAS Asia program will feature a dedicated spot **Saturday, June 7th** for attending physicians to gain hands-on experience with ultrasonography!

WHAT TO EXPECT

Small groups led by experts will have the opportunity to test and practice with the devices directly, with participants guaranteed to leave with confidence and knowledge of how to use ultrasound devices in clinical practice.

Scan the code to reserve your spot for this paid hands-on course through the registration portal of IMCAS Asia 2025.

ATTENDEE FEEDBACK

“This is a very valuable congress with an extensive program of updated presentations in aesthetic medicine and surgery. It is an honor to be part of this conference. The organization was excellent and the scientific program was most interesting and instructive.”

DR PAO SINN PAULINE HENG – MD, MALAYSIA

“Excellent location, scientific program and exhibition.”

DR. THORSTEN MAX STENGER – PLASTIC SURGEON, GERMANY

“My second IMCAS Asia Congress and again I am very satisfied with the topics and world renowned speakers. This congress is the best for us doctors to be updated with the latest trends in medical aesthetics. Topics were excellent and will greatly help in my practice.”

DR KAREN YAP – MD, PHILIPPINES

“Excellent and perfect organisation of a busy meeting. I have seen and followed IMCAS from its inception to this level of scientific excellence.”

DR. LOKESH KUMAR – PLASTIC SURGEON, INDIA

“Very interesting! New learning in advances in dermatology. I really enjoyed the experience, most especially the anatomy of the face. I also enjoyed listening to the complications of aesthetic procedures. Everything is informative, practical and applicable in our practice.”

DR. MARIA EMILIA RUTH EUSEBIO – DERMATOLOGIST, PHILIPPINES

“Very well organized, excellent topics, high quality speakers.”

DR. ARIF ALTINAY – PLASTIC SURGEON, SWITZERLAND
