Novotel Dona Sylvia, Goa.

Dear Friends & Esteemed Members,

GUJASICON 2024, The 26th annual conference of Gujarat State chapter Association of surgeons of India, and the 51st annual conference of Gujarat State Surgeons Association (GSSA) will be held at Goa on 27th, 28th and 29th September 2024.

We are happy and privileged to invite you to our two and a half-day GUJASICON 2024 on behalf of SSS (South Gujarat Surgeon's Society)

This year theme is "DEEP DIVE IN THE OCEAN OF SURGICAL WISDOM"

We all do general, laparoscopic surgery and endoscopy routinely during our day-to-day practice. But this year, we can do even better in so many other ways. The reason to attend the conference is to learn something new and refine existing science and surgical skills.

We all miss connecting with old friends, making new ones, and shaking hands over a cup of coffee. Apart from the regular live transmission of surgeries and scientific sessions, we have absolutely new Video lecture sessions and symposiums.

We shall conduct state level quiz, paper & poster presentation for surgical PGs.

We are delighted to have you among us on behalf of all members of SSS and like to extend our warmest welcome and good wishes in Goa.

With Kind Regards
