

The Annual Update on Paediatric Emergencies

The most popular annual course since 2005, for Consultants in Emergency Medicine and Paediatrics who deal with paediatric patients presenting as an emergency organised by Infomed Research and Training, on Tuesday 9 and Wednesday 10 October 2018, at LGA, 18 Smith Square, Westminster, London SW1P 3HZ (~~NOT at UCH Education Centre, 250 Euston Road, London NW1 2PG as originally advertised~~)

RCPCH has approved this activity for CPD in accordance with the current RCPCH CPD Guidelines.

About the course:

- A well-established course highly evaluated over many years.
- For Consultants, Registrars and Middle Grades from the General ED, Paediatrics and Paediatric ED, who deal with paediatric patients presenting as an emergency.
- Aimed at those who are looking for a comprehensive, fact filled and stimulating update.
- A practical focus on the most difficult aspects of paediatric emergencies that Doctors need to deal with daily in the critical first hours.
- Lectures and interactive Case Scenarios from leading Consultants in Paediatric Emergency Medicine and other specialties who are actually doing the job!

TERMS AND CONDITIONS IN SUMMARY

1) The subscription fee includes online access to lecture slides (pdf) when submitted by faculty, lunch and refreshments. 2) The completed booking form together with full payment must be sent to Infomed Research and Training Limited to secure a booking. Submission of this booking constitutes a legally binding agreement. 3) Payment must be received in full prior to the event. Course details will be issued subject to receipt of payment. We cannot be held responsible for the non-arrival of registration information. If you have not heard from us within 7 days prior to the Course, please contact us. 4) Bookings can be made by telephone but payment must be made in full by credit card at time of booking. 5) Written cancellations received 6 weeks prior to the Course will be accepted and refunded minus an administration charge of £70. We regret that no refunds can be made for cancellations received after that date, for whatever reason, although substitutions will be accepted if notified in writing 5 days or more prior to the event. 6) The Company reserves the right to alter the date, content and timing of the programme or the identity of the speakers due to reasons beyond its control. Under these circumstances, The Company will not refund delegates any expenditure made on pre-booked accommodation or travelling. 7) The Company does not accept responsibility for loss/damage delegates' property/personal effects whilst at the Course. For full terms and conditions visit www.infomedltd.co.uk
