

5th EUROPEAN SYNAPSE MEETING

SEPTEMBER 7th to 9th, 2015
BRISTOL

SPEAKERS / THEMES

Keynote speaker

Rob Malenka (Stanford)

Glial regulation of synapses

Stephane Oliet (Bordeaux)

Nathalie Rouach (Paris)

Dmitri Rusakov (London)

Presynaptic mechanisms

Nils Brose (Gottingen)

Inna Slutsky (Tel Aviv)

Ana Fejtova (Magdeburg)

Stefan Sigrist (Berlin)

Molecular Biology of synapses

Josef Kittler (London)

Katherine Roche (NIH)

Antoine Triller (Paris)

Ingo Greger (Cambridge)

Guus Smit (Amsterdam)

Erin Schumann (Frankfurt)

Synaptic physiology and plasticity

Stuart Cull-Candy (London)

Peter Jonas (Vienna)

Judit Makara (Budapest)

Chris McBain (NIH)

Angus Silver (London)

Synapses within networks

Denis Jabaudon (Geneva)

Attila Losonczy (New York)

Ole Paulsen (Cambridge)

Dietmar Schmitz (Berlin)

Four to six speakers will be selected from the abstracts

Organising committee:

Zafar Bashir (Bristol)

Jonathan Hanley (Bristol)

Jack Mellor (Bristol)

Monica DiLuca (Milan)

Jeremy Henley (Bristol)

Michael Kreutz (Magdeburg)

Christophe Mulle (Bordeaux)

Matthias Verhage (Amsterdam)

Information and registration: bristol.ac.uk/esm-bristol2015

Deadline for abstracts: 24 August 2015

Students / postdocs: £200, Others: £350

Sponsored by: Wellcome Trust, Journal of Physiology, European training network (NPlast), British Neuroscience Association, Hello Bio, Lilly, Scientifica and Tocris

University of
BRISTOL
