Ninth Annual
**STROKE & NEUROLOGICAL
DISEASE CONFERENCE**

Ischemic &
Hemorrhagic
Stroke Seminar

Traumatic Brain
Injury/Concussion
Seminar

Saturday, May 19, 2018
The Westin Galleria, Dallas, Texas

The 9th Annual Stroke and Neurological Disease Conference will address critical issues related to decision making for and treatment of stroke patients. The optimal care for stroke patients is ever changing as a result of advances in stroke prevention, therapy and research. This conference will feature experts from emergency medicine, neurology, physical medicine and rehabilitation, stroke neurology, and interventional neuroradiology. With the goal to update on the latest patient care recommendations, these specialists will convey the newest advances in the treatment of stroke in a format that allows for timely application of proven protocol.

Discussion will include treatment of acute ischemic stroke, hemorrhagic stroke, neuroimaging, cutting edge medical management and advanced endovascular treatments for stroke, neurorehabilitation, advanced stroke care delivery and the diagnosis and management of cerebral edema and disordered sleep in stroke patients. Each of these topics will be covered in the context of case presentations and panel discussions that will allow for audience interaction with faculty. The conference lectures are designed to enhance dialogue on the current controversies in the treatment of stroke.

New this year, there is also specialized content and lectures addressing traumatic brain injury. Experts in the field will discuss the diagnosis and management of concussions and post-concussive symptoms.

Hotel: Westin Galleria Dallas • 13340 Dallas Parkway • Dallas, Texas 75240
Phone: 972.934.9494 • Fax: 972.450.2969

CONTINUING MEDICAL EDUCATION

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

claim only the credit commensurate with the extent of their participation in the activity. This course has been designated by the Texas Medical Board for 1.0 credit in medical ethics and/or professional responsibility.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health, designates this live activity for a maximum of 7 *AMA PRA Category 1 Credits*.™ Physicians should

Baylor Scott & White Health is accredited with distinction as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation.

- Recognize concussion and the pathophysiology of traumatic brain injury.
- Identify who gets a concussion and how to name and manage concussion and post-concussive symptoms.
- Identify major advances in key areas of cutting-edge research, technology and therapeutic strategies.
- Discuss the most relevant recommendations of the updated acute stroke guidelines from AHA.
- Understand the value of optimal triage of acute stroke patients.
- Review the current treatment options for intervention after acute stroke.

REGISTRATION FEES & INFORMATION

NINTH ANNUAL
STROKE & NEUROLOGICAL DISEASE CONFERENCE
Saturday, May 19, 2018

REGISTRATION FEES
Registration Fees *After May 7, 2018*

Physicians.....	\$125		\$150
Other health care professionals	\$75		\$100
Medical Students	\$15		\$25
Refunds: Cancellations received 30 days prior to the activity date – less \$25			

Register Online Today: www.bswhealth.md/CME
If you have not previously registered for other conferences in our system, you will be prompted to create a user profile.

Payment Method
Payment can be made when you register online, if mailing with a check, please make check payable to:

Questions? (214) 820-2317

SATURDAY, MAY 19, 2018

7:00 am	Registration, Breakfast and Exhibits
	General Session
7:45 am	Introductions
8:00 am	Acute Stroke Guidelines: The New and the Noteworthy <i>Alejandro Rabinstein, MD</i>
8:30 am	Stroke in Women <i>Jennifer Rasmussen, MD</i>
9:00 am	Demystifying Diplopia <i>Kenneth Lao, MD</i>
9:30 am	Break and Exhibits
10:00 am	Optimal Triageing of Acute Stroke Patients <i>Alejandro Rabinstein, MD</i>
10:30 am	Stroke After Aortic Valve Replacement: Prevention, Diagnosis and Treatment <i>Michael Mack, MD, FACC</i>
11:00 am	History, Mechanism, Epidemiology and Suicidality in CTE <i>Kenneth Podell, PHD, FACPN</i>
11:30 am	Lunch and Exhibits
12:00 pm	ETHICS LECTURE: Focus on Function: A Neuropsychological Approach to Understanding Brain Injury <i>Jared Benge, PhD</i>
1:00 pm	Imaging of Head Trauma <i>Amin Saad, MD</i>
1:30 pm	Concussions are Treatable: Tips For Helping Your Concussed Patients Heal Quicker <i>Kenneth Podell, PhD, FACPN</i>
2:00 pm	Break and Exhibits
2:30 pm	Triage, Transfer and Treatment of Acute Ischemic Stroke: Lessons from an Experienced High Volume Spoke-and-Hub Model Hospital System <i>Dion Graybeal, MD; Osman Mir, MD; Rashedul Hasan, MD</i>
3:30 pm	Practical and Ethical Dilemmas in Declaration of Death by Neurologic Criteria (Brain Death) <i>Dion Graybeal, MD</i>
4:00 pm	Panel Discussion All Speakers
4:30 pm	Adjourn
