Ka'anapali Beach is a magnificent seam of sand and sea that runs on and on. Black Rock is a natural lava rock formation that extends from a portion of the grounds of the Sheraton Maui Resort & Spa, approximately 100 yards into the ocean. Black Rock is considered one of the best scuba and snorkel spots on the island!

This ocean side resort is nestled amongst 23 acres of tropical landscaping, with 83 percent of the resort's 508 rooms and suites facing the ocean. The Sheraton Maui Resort & Spa is more beautiful than ever having just completed a \$26 million renovation.
