THINK **OUTSIDE** THE BOX **#IMCAS**

Dear Colleagues,

We are thrilled to meet you all in Paris once again for our 21st IMCAS World Congress.

The IMCAS World congress is renowned world over for its innovative approach to sharing all the latest advances in dermatology, plastic surgery and aesthetic science. Each year, thousands of practitioners from across the globe gather for an experience of a lifetime.

At this year's congress, you can expect more teaching hours than ever before! We have nearly 300 sessions brought to you by over 700 expert speakers focusing on 15 key themes spread over 3 packed days. Returning from previous years, we have popular sessions covering injectables, threads, lasers & EBDs, lipofilling, peelings & anti-aging, clinical dermatology, professional business, body surgery, and breast surgery. A full day of cadaver workshops will also be returning, and new to this year we have sessions dedicated to hair restoration.

We are also proud to bring you Master classes on Middle Eastern, Eastern European, and East Asian morphotypes for a greater insight into how to conduct procedures on patients from different ethnic backgrounds.

Being back in the city of lights offers you many opportunities to mingle, unwind and explore! Socialise with your peers and encounter new colleagues at our Networking Cocktail, then cut loose and dance the night away with our dazzling Gala Dinner.

We look forward to meeting you in Paris.
