Dear Friends and Colleagues,

We are pleased to announce and invite you to attend the **5th Annual Congress on Controversies in Ophthalmology: Asia-Australia (COPHy AA)** will take place in Shanghai, China, February 22-23, 2019.

The great success of previous COPHy Congresses held in various countries in Europe paved the way for this regionally-orientated COPHy Congress – called COPHy AA – which has triumphantly taken place previously in Ho Chi Minh City, Vietnam (2015), Bangkok, Thailand (2016), Seoul, South Korea (2017) and most recently in Manila, Philippines (2018).

COPHy AA in Shanghai again will be devoted to evidence-based debates and discussions amongst session moderators, speakers and the audience, all of whom will examine and analyze the most relevant and controversial issues raised during the course of 2018 and 2019 within the field of ophthalmology. This educational Congress will continue to discuss controversies in Anterior Segment, Glaucoma and Retina, as well as other areas of ophthalmology, such as neuro-ophthalmology, ocular imaging, and uveitis.

Topics will include the treatment of retinal diseases such as age-related macular degeneration and diabetic macular edema, the role of anti-VEGF agents versus panretinal photocoagulation in the management of proliferative diabetic retinopathy, polypoidal choroidal vasculopathy, pathologic myopia, the current management of corneal diseases with the use of advanced technologies for corneal transplants, advances in ophthalmic imaging as well as novel medical and surgical glaucoma issues.

Allowing ample time for speaker-audience discussion, the Congress aims at reaching up-to-date recommendations to ongoing debates even when data remain limited, through evidence-based medicine, including expert opinion. Participants will have the opportunity to take part in this vibrant meeting which will facilitate discussions on the shared experiences and opinions of leading local and international experts.

The 5th COPHy AA Congress will emphasize issues related to the region in terms of diagnostics, distinctive responses to treatments and typical complications. Many of the Faculty members will be local in order to discuss these typical regional problems.

We invite you to participate in the 5th COPHy AA Congress in Shanghai, China.

Sincerely,

Prof. Anat Loewenstein

CONGRESS PROFILE

Since the launch in 2015, COPHy AA has established itself as a unique regional educational Congress where physicians in the Asian-Australian region meet with outstanding International experts from major ophthalmology fields, and can be updated on the most pressing clinical questions of today.

COPHy AA is the only annual regional Congress of its kind that focuses mainly on controversial issues in the Asian-Australian region. COPHy AA follows in the footsteps of COPHy Europe which will see its 10th annual meeting take place at the beginning of April 2019 in Dublin, Ireland.

AIMS OF THE CONGRESS

- To promote excellence in the field of ophthalmology
- To provide an effective forum for discussing and debating unsolved regional issues by allowing ample time for speakers/audience discussion
- To promulgate ethics and standards of practice and treatment in the Asian-Australian region
- To bridge gaps between expansion of basic science and information, and their consolidation into clinical practice
- To make it possible for the industry to meet with outstanding regional experts in the field, and to update regional participants on pressing clinical and technological questions today

WHY SHOULD YOU CONSIDER SUPPORTING?

Demonstrate your company's leadership in the field of ophthalmology

Reach key thought leaders, academic and industry researchers, and clinicians from throughout the region

Raise your company's visibility in the region

Exhibit and distribute your marketing and promotional materials

Convene a corporate symposium

CME ACCREDITATION

COMMITMENT TO THE HIGHEST STANDARDS IN CME/CPD

ComtecMed is committed to deliver within the platform of the Congress valuable knowledge based on independent, transparent, and effective CME/CPD educational programs by:

- Championing best practice in CME
- Maintaining and improving standards
- Mentoring and educating
- Working in collaboration with critical stakeholders

ANCILLARY EVENTS POLICY DURING CPHY AA CONGRESSES

The CPHY AA Secretariat and Co-Chairs have recognized that at the CPHY AA Annual Congress attendees and companies seek to maximize their networking opportunities and fulfill their professional responsibilities while at a location with so many of their colleagues.

To accomplish these goals CPHY AA will make every effort to make available their time and space in CPHY AA-controlled meeting facilities (convention center or headquarter hotels) for Ancillary Events which do not compete or conflict substantially with the official scientific program.

- Ancillary Events may not be commercial or educational in nature, i.e., they may not include a scientific program with presentations, posters, or lectures, nor include marketing demonstrations or commercial presentations
- Ancillary Events with more than 25 attendees may not be scheduled in conflict with the official scientific program of CPHY AA

DEFINITION OF ANCILLARY EVENTS

Ancillary Events are non-CPHY AA -sponsored special group events, such as business meetings of other organizations or social gatherings, held in conjunction with the CPHY AA Annual Congress. Ancillary Events are not planned or sponsored by CPHY AA.

Ancillary Events may not be commercial or educational in nature, i.e., they may not include a scientific program with presentations, posters, or lectures, nor include marketing demonstrations or commercial presentations.

- Business Meetings: Meetings of non-commercial editorial boards, non-profit organization boards, or other non-CPHY AA committees/working groups, study groups, etc
- Exhibitor Internal Meetings: Meetings for CPHY AA exhibitor's corporate personnel: CPHY AA exhibitor hospitality suites
- Investigator Meetings: Meetings for investigators of ongoing research (may be sponsored only by a CPHY AA exhibitor)
- Social Events: Receptions, dinners, alumni events, reunions, and specialty groups where there is no educational/scientific program presented

Requests for Ancillary Events must be made on official forms and approved by CPHY AA, regardless of CPHY AA Annual Congress Ancillary Events Policy the location of the event.

Ancillary Events should be planned and scheduled in support of the CPHY AA Annual Congress.

Commercial organizers of Ancillary Events must be supporters of the CPHY AA Annual Congress at the value of not less than the cost of an inside 10x10 booth. Commercial ancillary event organizers who are not exhibitors will incur additional service charges for multiple events.

Fees for participation by Annual Congress attendees outside of the recovery of food and beverage costs, such as registration fees, must be approved by CPHY AA. All costs for the activity, including decorator, audio-visual setup, and room changes, must be borne by the organizers. All event expenses must be paid promptly and non-payment may result in action by CPHY AA.

The use of the CPHY AA logo, trademark, or name in conjunction with publicity must be pre-approved. CPHY AA may not be represented as cosponsoring an event unless a formal request has been submitted to and approved by CPHY AA.

Conducting demonstrations and/or displays of commercial products will not be permitted during Ancillary Events. Only Ancillary Events open to all Annual Meeting registrants will be listed in the Annual Congress related publications.

Signs, directional or informational, must be approved by, and coordinated with, CPHY AA Congress management when placed in CPHY AA -controlled Congress facilities. Each sign must state that "This event is not organized or sponsored by CPHY AA." Organizers must remove any meeting-related materials from their assigned rooms at the conclusion of the event.

All participants in Ancillary Events must register for the Annual Congress unless requests for passes for nonscientific participants are received in writing at the time the Ancillary Event is approved.

BREACH OF POLICY

Organizers must adhere to the responsibilities outlined in the policy and on the official forms to avoid cancellation of the activity. Failure to adhere to the policy may result in any or all of the following actions by CPHY AA:

- Cancellation of Ancillary Event
- Refusal to allow company or group the opportunity to exhibit or hold symposia, meetings, or other events in CPHY AA-controlled meeting facilities in current year or a specified number of future years
