

1ST ANNOUNCEMENT

13TH ALLIED HEALTH SCIENTIFIC CONFERENCE 2020

24-25 JUNE 2020
EVERLY HOTEL - PUTRAJAYA

EMBRACING NEW FRONTIERS IN HEALTHCARE REFORM: INVIGORATING AHP'S

HIGHLIGHTS

This conference is designed to congregate local and foreign experts to showcase about how Allied Health Professionals (AHP) leadership is essential to transform healthcare and make people-centered integrated care (PCIC) a reality.

The conference offers platform to share initiatives and innovative solutions including:

- Digitally enabled AHP services to support the transformation of healthcare
- Integrated acute to long term care
- Evidence-based practice and teamwork
- AHP in public-private partnership and collaboration
