

PROGRAM*

Saturday 17 September

8.00am – 10.00am	RENAL DIETITIANS WORKSHOP Meeting Room 2 Welcome Introduction Renal IG Update and Meeting Karen Salamon (Convenor) Melbourne, Australia Quality Projects How Obese is our CKD Population? Ruth Dumont Perth, Australia Are the Current Energy Recommendations for CKD Relevant in the Obese Population? Katrina Campbell Brisbane, Australia	AFCKDI Meeting Room 1 A Decade of AFCKDI – Looking Back to do Better Yusuke Tsukamoto Tokyo, Japan How Mature Healthcare Systems Improve CKD Care and Research ANZ: Robert Walker Dunedin, New Zealand Japan: Yusuke Tsukamoto Tokyo, Japan Taiwan: Mai-Szu Wu Taipei, Taiwan	CME NEPHROLOGY UPDATE River View Room 4 Indigenous Health Transplant Outcomes Paul Lawton NZ Perspective John Collins CKD/Dialysis Outcomes Matt Jose Biological Determinants of Indigenous Outcomes Wendy Hoy
10.00am – 10.30am	Morning Tea		Northern Foyer
10.30am – 12.30pm	RENAL DIETITIANS WORKSHOP Do Traditional Weight Loss Diets Work in People with CKD? Jo Beer Perth, Australia Obesity – How 'Big' is this Barrier to Transplantation? Catherine MacFarlane Brisbane, Australia Is there a Rationale for Weight Loss in Obese Dialysis Patients? Maria Chan Sydney, Australia Is Bariatric Surgery in ESKD Feasible and what are the Outcomes? What do we know? Anthony Meade Adelaide, Australia Are VLCDs Safe and Efficacious in CKD? Karen Salamon Melbourne, Australia What are the Weight Loss Medication Options in CKD and do any of them Work? Katie Hewitt Perth, Australia	AFCKDI How can Healthcare Systems Improve Care Delivery to CKD Patients in Resource Constrained Situations? Task Shifting and Use of Algorithms Vivekanand Jha Chandigarh, India Quality Improvement Programs Tazeen Jafar Singapore Database of Kidney Disease: What we learn and where to go Wei Chen Guangzhou, China Personal or Electrical Health Record System Motoko Yanagita Kyoto, Japan	CME NEPHROLOGY UPDATE ESKD Theme PD: Current Challenges and Perspectives Philip Li Qualitative Research in Renal Medicine: An Introduction Katherine Bristowe Anaemia Management Update Masaomi Nangaku CKD-MBD - An Update Nigel Toussaint
12.30pm – 1.30pm	Lunch		Northern Foyer

1.30pm – 3.30pm	RENAL DIETITIANS WORKSHOP Myth Busters Ruth Dumont Perth, Australia Karen Salamon Melbourne, Australia Interactive Summation and Future Planning Kelly Lambert (Facilitator) Wollongong, Australia Closing Comments	AFCKDI <i>Setting up Asian Collaborations – Lessons and Future Steps</i> Strategy to Tackle CKD in Asian-Pacific Region: Prevalence, Incidence and New Risk Factors Philip KT Li Hong Kong, China Clinical Trials Collaboration Meg Jardine Sydney, Australia Asian Renal Collaboration Kunitoshi Iseki Okinawa, Japan	CME NEPHROLOGY UPDATE What's New in Hypertension Vlado Perkovic Diabetic Nephropathy Usha Panchapakesan IgA Nephropathy Xueqing Yu Lupus Nephritis Daniel Chan
3.30pm – 4.00pm	Afternoon Tea		Northern Foyer
4.00pm – 5.30pm	OPENING PLENARY Riverside Theatre Welcome Address Keynote Address Use of Stem Cells to Develop a Mini-Kidney Melissa Little TJ Neal Award Regenerative Medicine for the Kidney: Prospects and Challenges Sharon Ricardo		
5.30pm – 7.30pm	WELCOME RECEPTION Riverside Theatre Foyer		

Sunday 18 September

6.45am – 7.45am	CME NEPHROLOGY UPDATE Meeting Room 3 Transplantation Theme Cancer in Transplantation Angela Webster Approach to Marginal Deceased Donors Nick Cross	Arrival Tea & Coffee (7.00am) Exhibition Hall
-----------------	--	---

8.00am – 9.30am	SEMINAR 1: AETIOLOGY AND PATHOGENESIS Cell Metabolism and Cellular Regulation in Kidney Disease Riverside Theatre	SEMINAR 2: TRANSPLANTATION New Developments in Transplantation River View Rooms 4 & 5	MINI ORAL PRESENTATIONS Diabetes, Hypertension and Dyslipidaemia Meeting Room 2	MINI ORAL PRESENTATIONS Haemodialysis Treatment-Associated Issues Meeting Room 3
8.00am – 8.30am	Vascular Health Benefits of Vasoactive Components of Plant Foods Jonathan Hodgson Perth, Australia	ABO-Incompatible Kidney Transplantation – The Japanese Experience and Long-Term Outcomes Kazunari Tanabe Tokyo, Japan		
8.30am – 9.00am	Renal Cellular Metabolism and Oxidative Stress Reiko Inagi Tokyo, Japan	Molecular Diagnostics, Biomarkers and Immune Monitoring in Transplantation Philip O'Connell Sydney, Australia		
9.00am – 9.30am	Association of the TonEPB Gene and Metabolic Diseases Hyug Moo Kwon Seoul, Korea	Immune Modulation of Highly Sensitized Patients – Clinical Protocols and Outcomes Steven Chadban Sydney, Australia		
9.30am – 10.00am	Morning Tea, Exhibition & Poster Displays			Exhibition Hall
10.00am – 11.00am	PLENARY Riverside Theatre Adiponectin and its Receptors: Implications for Health and Disease Takashi Kadowaki			
11.00am – 11.15am	Break / Move			
11.15am – 12.45pm	ANZSN YOUNG INVESTIGATOR AWARD Meeting Rooms 1, 2 & 3	APSN MODERATED POSTER SESSION (11.15am – 12.15pm) Exhibition Hall	APSN SPONSORED LUNCH SYMPOSIA (12.30pm – 2.00pm)	
12.45pm – 2.00pm	Lunch, Exhibition & Poster Displays Exhibition Hall	KDIGO Hypertension Guideline Symposium Chair: Angela Wang New Data for an Old Treatment - BP Lowering in 2016 Vlado Perkovic Sydney, Australia Reducing Global Burden of CKD and CVD: Devising Effective Public Health Messages and Policies for Blood Pressure Management Allan Collins Minneapolis, USA Management of Hypertension in the Asia Pacific Region: Adapting KDIGO Guidelines with Local Trial Data Fan Fan Hou Guangzhou, China	KHA-CARI Symposium on ADPKD Guidelines SPONSORED BY OTSUKA Chair: Martin Gallagher Expert Comments: Judy Savige and Gopala Rangan Imaging and Monitoring of ADPKD Jun Mai Sydney, Australia Pharmacological Management of ADPKD Andrew Mallett Brisbane, Australia Management of ICAs in ADPKD Vincent Lee Sydney, Australia	

2.15pm – 3.45pm	SEMINAR 3: CHALLENGES IN MANAGING CKD/AKI Riverside Theatre	APSN YOUNG INVESTIGATOR – BASIC River View Rooms 4 & 5	MINI ORAL PRESENTATIONS Kidney Transplantation Outcomes Meeting Room 2	MINI ORAL PRESENTATIONS CKD Epidemiology Meeting Room 3
2.15pm – 2.45pm	Overcoming Health Systems Challenges in Managing CKD in the Community Tazeen Jafar Singapore			
2.45pm – 3.15pm	New Biomarkers for Predicting Acute Cardio-Renal Syndrome Fan Fan Hou Guangzhou, China			
3.15pm – 3.45pm	Challenges in Implementing Guidelines in Low-Resource Settings Vivekanand Jha Chandigarh, India			
3.45pm – 4.15pm	Afternoon Tea, Exhibition & Poster Displays			Exhibition Hall
4.15pm – 5.45pm	SEMINAR 4: DIALYSIS Care of Dialysis Patients Riverside Theatre	SEMINAR 5: CKD / AKI Lupus and Vasculitis River View Rooms 4 & 5	SHAUN SUMMERS TRAINEE AWARD Meeting Room 2	MINI ORAL PRESENTATIONS Experimental: Diabetic and Glomerular Diseases Meeting Room 3
4.15pm – 4.45pm	Initiation of Dialysis and Choice of Dialysis Modality Mai-Szu Wu Taipei Medical University, Taiwan	Genetic Study of Lupus Nephritis Xueqing Yu Guangzhou, China		
4.45pm – 5.15pm	Dialysis Outcomes in the Elderly, What is Important? Robert Walker Dunedin, New Zealand	Need to Generate Evidence to Localize GN Management in Asia-Pacific Region Vlado Perkovic Sydney, Australia		
5.15pm – 5.45pm	End of Life Planning in Dialysis Katherine Bristowe London, UK	Haematuria Should be Included as a CKD Risk Factor Kunitoshi Iseki Okinawa, Japan		

Monday 19 September

6.45am – 7.45am	CME NEPHROLOGY UPDATE			Arrival Tea & Coffee (7.00am) Exhibition Hall
	Meeting Room 3 <i>Dialysis Theme</i> <i>HD - Is Longer Better?</i> Meg Jardine Sydney, Australia <i>Challenges in Improving CV Outcomes in ESKD</i> Giovanni Strippoli Reggio Calabria, Italy			
8.00am – 9.30am	SEMINAR 6: TRANSPLANTATION Infections and Transmissible Diseases in Transplantation	SEMINAR 7: CKD / AKI Acute Kidney Injury	MINI ORAL PRESENTATIONS Genetic Testing	MINI ORAL PRESENTATIONS Dialysis Morbidity and Mortality
	Riverside Theatre	River View Rooms 4 & 5	Meeting Room 2	Meeting Room 3
8.00am – 8.30am	Global Initiatives in Biovigilance and Surveillance: Preventing Disease and Emerging Risks in Transplantation Jeremy Chapman Sydney, Australia	Mechanism of AKI to CKD Continuum and the Limitation in Kidney Regeneration Motoko Yanagita Kyoto, Japan		
8.30am – 9.00am	Update on Hepatitis B Infection and Kidney Transplantation Daniel T M Chan Hong Kong, China	Public Health Challenges and Community-Acquired AKI in Asian-Pacific Region Nattachai Srisawat Bangkok, Thailand		
9.00am – 9.30am	Living Donor and Recipient Screening for Latent Tuberculosis Infection Sang-Oh Lee Seoul, Korea	Managing AKI Survivors to Reduce Future CKD Burden Kamal Sud Sydney, Australia		
9.30am – 10.00am	Morning Tea, Exhibition & Poster Displays			Exhibition Hall
10.00am – 11.00am	PLENARY			
	Riverside Theatre <i>Pre-eclampsia: From Science to Medicine</i> Ravi Thadhani			
11.00am – 11.15am	Break / Move			

11.15am – 12.45pm	KHA CLINICAL SCIENCE AWARD		APSN MODERATED POSTER SESSION (11.15am – 12.15pm)	
	Meeting Rooms 1, 2 & 3		Exhibition Hall	
12.45pm – 2.00pm	Lunch, Exhibition & Poster Displays Exhibition Hall		APSN SPONSORED LUNCH SYMPOSIA (12.30pm – 2.00pm)	
			Riverside Theatre KDIGO CKD-MBD Symposium SPONSORED BY SANOFI Chair: Masafumi Fukagawa New Guidelines on CKD-MBD – Update on Calcium, Phosphorus and sHPT Markus Kettler Coburg, Germany New Guidelines on CKD-MBD – Update on Bone Quality and Vitamin D Nigel Toussaint Melbourne, Australia Medical and Surgical Management of Secondary Hyperparathyroidism: What can we Learn from Regional Variation? Hiroataka Komaba Tokai, Japan	River View Rooms 4 & 5 aHUS update – Diagnosis, Genetic Assessment and Transplantation SPONSORED BY ALEXION Chair: Steve Chadban Differential Diagnosis of the Thrombotic Microangiopathies (TMAs) Wai Lim Perth, Australia Genetics of aHUS Andrew Mallett Queensland, Australia Transplantation for aHUS Steve Chadban Sydney, Australia
2.15pm – 3.45pm	SEMINAR 8: DIALYSIS Peritoneal Dialysis	APSN YOUNG INVESTIGATOR AWARD Clinical Science	MINI ORAL PRESENTATIONS Experimental: AKI	MINI ORAL PRESENTATIONS CKD/AKI Diagnostics
	Riverside Theatre	River View Rooms 4 & 5	Meeting Room 2	Meeting Room 3
2.15pm – 2.45pm	The Role of Bioimpedance Spectroscopy in Fluid Management of PD Patients Philip Li Hong Kong, China			
2.45pm – 3.15pm	Glucose Sparing Strategies: Is the Evidence Strong Enough to Justify the Cost? Adrian Liew Singapore			
3.15pm – 3.45pm	Management of PD Peritonitis: What Evidence do we Need? David Johnson Brisbane, Australia			
3.45pm – 4.15pm	Afternoon Tea, Exhibition & Poster Displays			Exhibition Hall

4.15pm – 5.45pm	SEMINAR 9: AETIOLOGY AND PATHOGENESIS Mechanisms of Renal Injury Riverside Theatre	AKTN SESSION Trials in Australasia River View Rooms 4 & 5	MINI ORAL PRESENTATIONS Lupus Nephritis and Membranous Nephropathy Meeting Room 2	MINI ORAL PRESENTATIONS Haemodialysis Access and Complications Meeting Room 3
4.15pm – 4.45pm	Mediators of Fibrosis in Chronic Kidney Disease Chrisan Samuel Melbourne, Australia	FAVOURED Trial Results Lai-Seong Hooi Johor Bahru, Malaysia BLOCADE Trial Results Matthew Roberts Melbourne, Australia		
4.45pm – 5.15pm	Toll-Like Receptor in Diabetic Nephropathy Sydney Tang Hong Kong, China	Composing a New Song for Nephrology Allison Tong Sydney, Australia		
5.15pm – 5.45pm	Inflammasome and Toll- Like Receptor Activation in Acute Kidney Injury Stephen Holdsworth Melbourne, Australia	Opportunities in Pragmatic Trials Vlado Perkovic Sydney, Australia		
6.00pm – 6.30pm	APSN GENERAL ASSEMBLY Meeting Room 1		ANZSN POSTER SESSION (6.00pm – 7.15pm) Exhibition Hall	

Tuesday 20 September

6.45am – 7.45am	CME NEPHROLOGY UPDATE			Arrival Tea & Coffee (7.00am) Exhibition Hall
	Meeting Room 3			
	<i>Pregnancy</i> Long Term Cardiovascular Outcomes After Preeclampsia Annemarie Hennessy <i>Pregnancy and Kidney Disease: A Review</i> Ravi Thadhani			
8.00am – 9.30am	SEMINAR 10: CKD / AKI Diabetes, Hypertension and CKD Riverside Theatre	SEMINAR 11: TRANSPLANTATION Update on Clinical Issues in Transplantation River View Rooms 4 & 5	ANZSN BASIC SCIENCE AWARD Meeting Room 2	MINI ORAL PRESENTATIONS Peritoneal Dialysis Meeting Room 3
8.00am – 8.30am	<i>Efficacy and Safety of Blood Pressure-Lowering Agents in Adults with Diabetes and CKD</i> Giovanni Strippoli Reggio Calabria, Italy	<i>Promoting Organ Donation in India</i> Lalitha Raghuram Chennai, India		
8.30am – 9.00am	<i>Vitamin D: The More we Know, the Less we Know</i> Ravi Thadhani Boston, US	<i>Development of Organ Donation Initiatives in Hong Kong</i> Jenny Koo Hong Kong, China		
9.00am – 9.30am	<i>The Role of the Sympathetic Nervous System in Blood Pressure Regulation in CKD</i> Markus Schlaich Perth, Australia	<i>Promoting Organ Donation in Taiwan – Difficulties and Innovations</i> Po-Chang Lee Tainan, Taiwan		
9.30am – 10.00am	Morning Tea, Exhibition & Poster Displays			Exhibition Hall
10.00am – 11.30am	PLENARY			
	Riverside Theatre			
	<i>Kincaid-Smith Award</i> <i>Oshima Award</i> <i>APSN Young Investigator Awards</i> <i>Ross Bailey Lecture: Ethical Dialysis – A Global Perspective</i> Vivekanand Jha			
11.30am – 11.40am	Break / Move			
11.40am – 12.40pm	Lunch, Exhibition & Poster Displays Exhibition Hall		APSN SPONSORED LUNCH SYMPOSIUM	
			Meeting Room 1	
			<i>Hyperkalemia - Current Perspectives and Emerging Treatment Options for CKD Patients</i> SPONSORED BY INTEGRATED MEDHEALTH COMMUNICATION	
12.50pm – 1.50pm	PLENARY			
	Riverside Theatre			
	<i>The Killer Defence</i> Nobel Laureate, Peter Doherty			

1.50pm – 2.00pm Break / Move

2.00pm – 3.30pm	SEMINAR 12: DIALYSIS Haemodialysis	ANZDATA SESSION	MINI ORAL PRESENTATIONS Live Donation and Organ Allocation	MINI ORAL PRESENTATIONS IgA Nephropathy
	Riverside Theatre	River View Rooms 4 & 5	Meeting Room 2	Meeting Room 3
2.00pm – 2.30pm	Effect of Hemodialysis Sodium Dialysate Concentrations on Clinical Outcomes Meg Jardine Sydney, Australia			
2.30pm – 3.00pm	Twice Weekly Haemodialysis in China – Practice Pattern and Clinical Outcome Nan Chen Shanghai, China			
3.00pm – 3.30pm	High Cut-Off Dialysis for End Stage Renal Disease Colin Hutchison Hawkes Bay, New Zealand			

3.30pm – 4.00pm Afternoon Tea, Exhibition & Poster Displays Exhibition Hall

4.00pm – 5.30pm	SEMINAR 13: CKD / AKI Environmental and Genetic Influences on Kidney Outcomes	APSN REGISTRIES	MINI ORAL PRESENTATIONS Experimental: CKD	MINI ORAL PRESENTATIONS Genetics, Immunology, and Others
	Riverside Theatre	River View Rooms 4 & 5	Meeting Room 2	Meeting Room 3
4.00pm – 4.30pm	Maternal Influence on Adult Outcomes Karen Moritz Brisbane, Australia	Outcome and Prognosis Factors in Chinese Hemodialysis Patients Guangyan Cai Beijing, China		
4.30pm – 5.00pm	The Fremantle Diabetes Study: What Should Nephrologists Know? Tim Davis Perth, Australia	Topic TBA Chi-Bon Leung Hong Kong		
5.00pm – 5.30pm	Epigenetics of Renal Disease Masaomi Nangaku Tokyo, Japan	Development of a Novel Nationwide CKD Database –J-CKD-DB- Naoki Kashihara Japan Lessons from 30 Years' Data, Korean ESRD Registry: 1985-2015 Dong-Chan Jin Korea Topic TBA Chih-Cheng Hsu Taiwan		

6.00pm – 6.30pm **ANZSN AGM**
Riverside Theatre

7.00pm – 11.00pm **CONGRESS DINNER**
BelleVue Ballroom

Wednesday 21 September

7.00am	Arrival Tea & Coffee			Riverside Theatre Foyer
8.00am – 9.30am	SEMINAR 14: TRANSPLANTATION Translational Science in Transplantation Riverside Theatre	SEMINAR 15: DIALYSIS Renal Replacement Therapy in AKI River View Rooms 4 & 5	SEMINAR 16: AETIOLOGY AND PATHOGENESIS Hypertension and the Kidney Meeting Rooms 1, 2 & 3	
8.00am – 8.30am	The Future of Stem Cells in Transplantation Sharon Ricardo Melbourne, Australia	CRRT in Critically Ill AKI Patients Sang Kyung Jo Seoul, Korea	SGLT2 Inhibitors and Circadian Blood Pressure Regulation Akira Nishiyama Tokyo, Japan	
8.30am – 9.00am	The Spectrum of Dendritic Cells and the Promise of Immunotherapy in Transplantation Natasha Rogers Sydney, Australia	Indication of Renal Replacement Therapy for AKI Kent Doi Tokyo, Japan	RAAS Kidney and Heart Kate Denton Melbourne, Australia	
9.00am – 9.30am	Ischaemia Reperfusion Injury in Kidney Allografts – Mechanisms and Opportunity for Intervention Karen Dwyer Melbourne, Australia	Prolonged Intermittent Renal Replacement Therapy in AKI Ranistha Ratanarat Bangkok, Thailand	Gut Microbiome, Hypertension and the Kidney Katrina Campbell Brisbane, Australia	
9.30am – 9.45am	Break / Move			
9.45am – 10.45am	CLOSING PLENARY Riverside Theatre Supporting the Needs of People with End Stage Kidney Disease: Lessons from Recent Research Katherine Bristowe			
10.45am – 11.00am	CLOSING CEREMONY Riverside Theatre			
11.00am – 12.00pm	Light Lunch			Riverside Theatre Foyer
