Biologic Therapies VIII: The Intersection of Rheumatology and Allied Specialties

Myositis Advances in Therapy

Release date: August 9, 2019**Expiration date:** August 9, 2021**Estimated Time of Completion:** 30 minutes

Description

In the [Biologic Therapies VIII: The Intersection of Rheumatology and Allied Specialties](#) online series, an international, multi-disciplinary faculty of experts focuses on interdisciplinary rheumatology by exploring the interface of rheumatology with disciplines such as infectious disease, gastroenterology, neurology, oncology, dermatology, pulmonology, ophthalmology, and wellness.

Myositis Advances in Therapy webcast highlights advances in myositis treatment, with a focus on biologic therapies.

Learning Objectives

1. Discuss selected clinical features of myositis classification
2. Discuss advances in myositis treatment focusing on biologics

Target Audience

The online series is designed for rheumatologists, dermatologists, gastroenterologists, infectious disease physicians, pulmonologists, neurologists, oncologists, ophthalmologists, internal medicine physicians, and allied health practitioners, including nurse practitioners, nurses, and physician assistants interested in complex multiorgan autoimmune and autoinflammatory diseases.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this enduring material for a maximum of **0.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Activity Director and Faculty

Activity Directors

Leonard H. Calabrese, DO

Professor of Medicine, Cleveland Clinic Lerner College of Medicine of Case Western Reserve University

R.J. Fasenmyer Chair of Clinical Immunology

Department of Rheumatic and Immunologic Diseases

Orthopaedic and Rheumatologic Institute

Cleveland Clinic

Cleveland, OH

M. Elaine Husni, MD, MPH

Director, Arthritis and Musculoskeletal Treatment Center

Vice Chair, Department of Rheumatic and Immunologic Diseases

Orthopaedic and Rheumatologic Institute

Cleveland Clinic

Cleveland, OH

Faculty**Chester V. Oddis, MD**

Professor of Medicine

Director, Myositis Center Division of Rheumatology and Clinical Immunology

University of Pittsburgh School of Medicine

Pittsburgh, PA
