Phone (386) 428-1695

Live Viewing

Registration by 8 am (Eastern) April 21

Things to consider as you plan for this event:

- Ensure that you have a dedicated computer for the event
- The computer has audio and video capabilities
- You may also choose to broadcast to more than one attendee if you have a dedicated conference room at your site, but make sure that only those who are registered are attending/watching the videos
- We will provide more instructions as we get closer to the event to help you test your technology prior to the day of the event

A dedicated Zoom link will be emailed on **April 21**, if you do not receive this please contact Cory at sohn1@earthlink.net on April 22.

Note - Recorded viewing at your convenience will be available until May 30.

Recorded Viewing

Registration after 8 am (Eastern) **April 21** through **May 27**

A link will be emailed after your registration and payment are processed (it is not an automated system, so there will be a delay)

Note - Recorded viewing at your convenience will be available until May 30.
