Target Audience	This activity is designed to meet the educational needs of Obstetricians, Gynecologists, Gynecologic Surgeons, OB/GYN residents and fellows
Learning Objectives	Upon completion of this seminar, the participants should be able to: Describe pelvic anatomy as it relates to Gynecologic Minimally Invasive Surgery. Select appropriate surgical techniques and instrumentation for use in Gynecologic Minimally Invasive Surgery. Apply the skillset needed to efficiently perform laparoscopic suturing and knot tying. Demonstrate the skills and techniques necessary to perform complex benign gynecologic surgery. Apply skills needed for management of complications including the basic steps of laparoscopic bladder and bowel injury repair. Demonstrate techniques utilized in pelvic sidewall dissection required in advanced endometriosis surgery.
Activity Directors	Emad Mikhail, MBChB, MD, FACOG, FACS Minimally Invasive Gynecologic Surgery (FMIGS) Assistant Professor Department of Obstetrics and Gynecology University of South Florida Morsani College of Medicine Tampa, Florida Nash Moawad, MD, MS, FACOG, FACS Associate Professor Division Chief-Minimally Invasive Gynecologic Surgery Department of Obstetrics and Gynecology University of Florida College of Medicine Program Director Center of Excellence in Minimally Invasive Gynecology (COEMIG) at UF Health Gainesville, Florida
Relevant Financial Relationships	Prior to the activity, USF Health will disclose and mitigate all relevant financial relationships that relate to the content of the activity.
Accreditation Physicians	ACCME: USF Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. USF Health designates this live activity for a maximum of 15 <i>AMA PRA Category 1 Credits™</i>. Physicians should claim only the credit commensurate with the extent of their participation in the activity. ABOG MOC Part IV:

USFHealth

The ABOG MOC standards now allow participation in ABOG-approved Simulation Courses to meet the annual Improvement in Medical Practice (Part IV) MOC requirement. This course has been approved to meet ABOG Improvement in Medical Practice requirements until 12/31/2023. Please review the current MOC Bulletin for further information: <https://www.abog.org/about-abog/bulletins>

ACOG Cognate Credits:

The American College of Obstetricians and Gynecologists has assigned up to 15 cognate credits to this program.

Disclaimer

The information provided at this CME/CE activity is for continuing education purposes only and is not meant to substitute for the independent medical/clinical judgment of a healthcare provider relative to diagnostic and treatment options for a specific patient's medical condition.

Fees

Profession	Early Registration Fee Until December 4, 2021	Late Registration Fee After December 4, 2021
Physicians	\$2200.00	\$2450.00

How to Register

ONE EASY WAY TO REGISTER:

Registration is easy. Click or copy and paste this link <https://bit.ly/3yzyoGS>

TWO EASY WAYS TO PAY:

1. Pay by Credit Card Online: A payment confirmation will be emailed to the participant.
2. Pay by Check: After registering online, a payment voucher with instructions will be emailed to the participant. Registration will not be confirmed until payment is received.

Please Note: Payment will not be accepted onsite.

Cancellation Policy

Cancellations must be requested in writing via fax to 813-224-7864 or e-mail to cpdsupport@usf.edu, and received by December 4, 2021 in order to receive a refund. A \$150.00 cancellation fee will be assessed to cover administrative costs. There are no refunds for no-shows or for cancellations received after December 4, 2021. Alternate learners can substitute and are welcome without penalty.

USF Health Office of Continuing Professional Development reserves the right to cancel this activity due to unforeseen circumstances, in which case the full registration fee will be refunded. USF Health is not responsible for travel expenses incurred by the participants in the unlikely event that this activity is cancelled.

Location

Center for Advanced Medical Learning and Simulation (CAMLS)
124 S. Franklin St.
Tampa, FL 33602
