Learn the Key Information You Need to Ace the Family Medicine Exams

Earn up to
133 CME Credit Hours!

WHY ATTEND THIS FOUR DAY, 33-HOUR TOTAL IMMERSION BOOT CAMP?

Since 2001, the National Family Medicine Board Review has been depended upon by tens of thousands of your colleagues to help them pass their cert or recert exams. Why? Because the course does the job. The focus of the course is very straightforward – to pass your exam – no unnecessary fluff or “nice-to-know” content.

Again in 2019, we are collaborating with **RoshReview**, the most detailed question bank in family medicine, to provide NFMBR participants free access to this extraordinary database. Through their analytical processes they can, in real-time, determine physician performance on their questions and this information will be integrated into the NFMBR content to reinforce areas of potential weakness.

HERE'S WHAT YOU'LL RECEIVE WHEN YOU ATTEND THE COURSE

- ✓ Instruction by a small group of energetic, senior clinicians/educators chosen for their ability to convey information succinctly and with enthusiasm
- ✓ A comprehensive, large print, course manual designed for rapid review and retrieval of key concepts and essential information. In addition to all of the slides covered in the course, you'll receive an additional 600 rapid-review questions covering the material in the manual. The course manual is provided on a USB flash drive you'll receive on-site. Bring your laptop – power will be provided.
- ✓ A detailed session on strategies to help you optimize your test-taking skills
- ✓ Three “tag-team” evening review sessions
- ✓ The opportunity to earn up to 33.0 AMA PRA Category 1 Credits™ and AAFP Prescribed credits
- ✓ Full access to RoshReview 1,000 high-quality, board-style questions AND up to 100 additional CME credit hours PLUS 50 dedicated questions for each of the eight ABFM exam modules (A \$610 Value!)

Upon enrollment in the course you'll be provided access to the Rosh Review question database. Please begin answering the questions as soon as feasible so we can track participant performance and, by doing so, tailor the course.

By Participating in the NFMBR Course and Answering the RoshReview Questions, We Guarantee You'll Pass Your Exam and Earn up to 133 CME Credit Hours!*

COURSE DEVELOPERS

Through a collaboration of family medicine faculty from throughout the country the course was developed and refined over 18 years. The organizer of the course is the Center for Medical Education of Creamery, Pennsylvania. In 2018, over 6,000 physicians, PAs and NPs participated in its courses and affiliated educational conferences. Since its inception, the Michigan State University College of Human Medicine has also been a sponsor of the course as has *The Journal of Family Practice*, *Clinician Reviews* and *Primary Care Medical Abstracts*.

TARGET AUDIENCE

The target audience is physicians planning to take the certification or recertification exam of the American Board of Family Medicine, and other clinicians wishing a comprehensive review of the specialty of Family Medicine.

LEARNING OBJECTIVES

Upon completion of the National Family Medicine Board Review course, participants will be able to:

- Identify the fundamental concepts and key topics needed to successfully complete the Family Medicine written certification and recertification exams
- Effectively translate the acquired academic knowledge into improved diagnostic and treatment plans
- Achieve improved patient outcomes through application of the knowledge acquired

CME ACCREDITATION

No commercial support was obtained for this program.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Michigan State University and The Center for Medical Education. The Michigan State University is accredited by the ACCME to provide continuing medical education for physicians.

Michigan State University designates this live activity for a maximum of 33.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This Live activity, National Family Medicine Board Review, from 02/07/2019 - 03/24/2019, has been reviewed and is acceptable for up to 33.00 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Resort Fees: Many of the hotels are now charging a resort fee. In addition, some of the resort fees are optional and can be added on at the time of check-in. When booking your reservation, please inquire regarding their resort fees. Resort fees often include gym usage, telephone and internet services, however, these items vary by hotel.

Be sure to reserve your room early to ensure you receive the discounted rate. Once the block is full, this reduced rate will no longer apply, regardless of the cut-off date.

COURSE FACULTY

Andrea Wendling, MD

Dr. Wendling is an Associate Professor of Family Medicine and Director of Rural Health Education at Michigan State University College of Human Medicine and formerly the Assistant Director of the Family Medicine Residency Program in Grand Rapids, Michigan.

Edward Jackson, MD

Dr. Jackson is Staff Physician in Urgent Care and Medical Director of Visiting Nurses Hospice at Covenant Medical Group in Saginaw, MI. He is also Clinical Professor of Family Medicine at Michigan State University College of Human Medicine. Dr. Jackson is past-President of the Michigan Academy of Family Physicians.

N. Craig Boss, MD

Dr. Boss is a hospitalist and the Medical Director of Charlevoix Area Hospital in Charlevoix, MI, and serves as an adjunct clinical instructor in the Department of Sleep Medicine at the University of Michigan. He is a graduate of the College of Human Medicine at Michigan State University and was the former Assistant Residency Director in the Family Medicine training program at Eisenhower Army Medical Center in Ft. Gordon, GA.

Gary Ferenchick, MD, MS

Dr. Ferenchick is a Professor of Internal Medicine at Michigan State University. He is an associate editor for Board Basics: Essential Facts and Strategies for Passing the Internal Medicine Certification Exam, published by the ACP. He also serves as an editor for Essential Evidence Plus.

Bob Lorinser, MD

Dr. Lorinser is a Regional Medical Officer, Foreign Service, Department of State covering North Africa and residing in Morocco providing medical and health care to our diplomatic personnel. He previously worked as a full-time Hospitalist at Marquette General Health System in Marquette, MI, and had also been the Assistant Director of the Family Practice Residency Program at Marquette General Hospital in Marquette, Michigan for 19 years.

Wm. Kenneth Milne, MD

Dr. Milne is Boarded in Family Medicine and is an Adjunct Professor of Family Medicine at the Western University, London, Ontario. In addition he is a Fellow of the College of Family Physicians of Canada and an award-winning educator who has presented throughout Canada, the United States and internationally.

Herbert L. Muncie, Jr., MD

Dr. Muncie is Professor of Family Medicine and Director of Student Education in the Department of Family Medicine at the LSU School of Medicine, New Orleans. He was previously the Chairman of the Department of Family Medicine at the University of Maryland School of Medicine.

Randy Pearson, MD

Dr. Pearson is currently a Professor, Department of Family Medicine, Michigan State University College of Human Medicine, the Senior Associate Director of the Sparrow / MSU Family Medicine Residency and the Assistant Dean for Graduate Medical Education. With a particular interest in sports medicine, Dr. Pearson has served as team physician for MSU's football team for the past 24 seasons.

Susan Radecky, MD

Dr. Radecky is the former Director of the Affiliated Family Practice Residency in Grand Rapids, Michigan, serving in that role for nineteen years. She has spoken nationally with the Society of Teachers of Family Medicine and American College of Physician Executives and has been an NFMBR faculty member since its inception.

Barbara Stanford, MD

Dr. Stanford is a Board Certified family physician and currently practices with the Mercy Health Physician Partners in Grand Rapids, West Michigan. With over 20 years of experience, Dr. Stanford practices all aspects of family medicine including obstetrics. Dr. Stanford is a faculty member with the Grand Rapids Family Medicine Residency Program and serves as Associate Program Director of the residency. In addition, she is the Medical Director of the Wege Family Medicine Center in Grand Rapids, MI.

Greg VandeKieft, MD

Dr. VandeKieft is Medical Director for Palliative Care for Providence Health and Services, based in Washington State. He is a Clinical Associate Professor of Family Medicine at the University of Washington in Seattle, and serves as clinical faculty for the Providence St. Peter Family Medicine Residency Program in Olympia, WA. Dr. VandeKieft is a fellow of both the American Academy of Family Physicians and the American Academy of Hospice and Palliative Medicine.

The faculty of the National Family Medicine Board Review are all front-line primary care clinicians each of whom has extensive experience in the training of residents. Each is committed to providing a focused, up-beat review of the core material that can be expected to be in your exams. Typically seven faculty participate at each course location.

Disclosure: It is the policy of Michigan State University (MSU) to insure balance, independence, objectivity, and scientific rigor in all its sponsored educational activities; that all contributors present information in an objective, unbiased manner without endorsement or criticism of specific products or services; and that the relationships that contributors disclose will not influence their contributions. Those in a position to control the content of this educational activity are required to disclose to learners all relevant financial relationships with any commercial interests prior to the beginning of the educational activity.

Resolution of Conflict of Interest: In accordance with the ACCME Standards for Commercial Support of CME, Michigan State University (MSU) implemented mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.

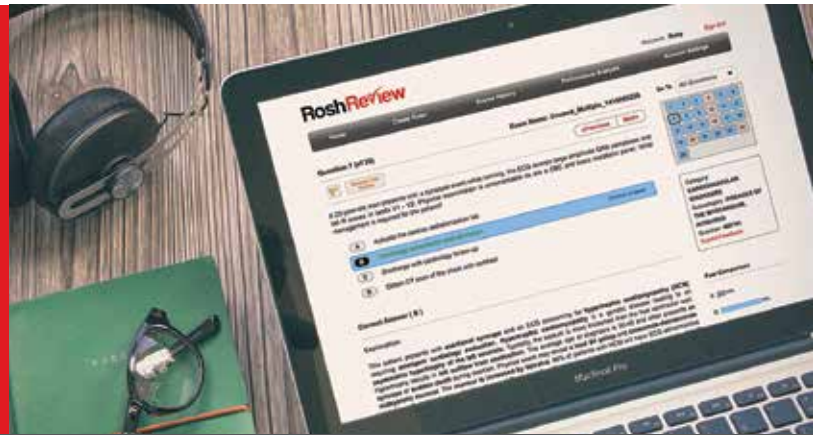

RoshReview

A \$610 Value!

**NFMBR Participants Receive Full Access to
1,000 Board-Style Questions AND Up to 100 Additional CME Credit Hours
PLUS 50 Dedicated Questions for Each of the Eight ABFM Exam Modules**

*Access instructions will be emailed in approximately 4-7 business days. Access to the questions will be available for a period of one year from when you receive your Rosh Review activation email.

Rosh Review provides detailed explanations for all correct answers including hundreds of charts, graphs and images – and gives a thorough explanation when you get an answer wrong.

Accompanying each question is a graph of how your colleagues have performed on the same question so you can compare yourself with others – and you'll be able to create question sets on the topics upon which you want to especially concentrate.

Through an analysis of participant performance on the Rosh Review questions, the NFMBR course will tailor its content to emphasize areas where physicians seem to need the most help.

To optimize your board preparation and to tailor the course to areas of need, get started early with the Rosh Review questions and then take the National Family Medicine Board Review –
The one-two punch that is guaranteed to have you ace your exam!

What Your COLLEAGUES HAVE SAID ABOUT The National Family Medicine Board Review

“Excellent course, well organized & presented. I anticipate a very good score on the exam as well as some major changes to the way I practice.”

“An amazing group of speakers. Never have I been to a conference where everyone was excellent.”

“Excellent. Hard core review; reflected real patients I see in my clinic, very up-to-date, and exam-oriented. I feel more sure about the exam now.”

“Very pleased I came. This is quality CME even if not needing to study for boards!”

“I have gained valuable information during these sessions. I am glad I attended this review course. I feel more confident about my boards.”

“Best review I have gone to in the last 20+ years.”

“I have taken other Board Review courses and the instructors here are more thorough and dynamic.”

“A good review — definitely worth the money.”

The National Family Medicine Board Review Is Also Available in Three Convenient Self-Study Versions.

One of the chief benefits of the self-study program is the flexibility it provides participants to study at their own pace. Participants can instantly watch or listen to the lectures at any time that suits them best.
