About Conference

We warmly invite you to participate in the 6th International Conference on Pediatrics and Neonatal Care, taking place on June 02–03, 2027, in London, UK.

This global event will bring together leading pediatricians, neonatologists, researchers, nurses, and healthcare professionals to explore the latest developments in child health, neonatal medicine, pediatric research, and innovative care strategies.

Under the theme: “Advancing Pediatric Innovation and Neonatal Wellness: Global Approaches and Local Solutions.”

The ICPN_2027 serves as a comprehensive platform to advance knowledge, foster global collaboration, and promote innovative approaches in pediatric and neonatal healthcare. Over two enriching days, the conference will feature keynote presentations, scientific sessions, hands-on workshops, and expert-led panel discussions. Attendees will have the opportunity to engage with emerging research, explore technological innovations, and discuss the future of child and newborn care in an everevolving healthcare landscape.

Venue

London, UK, is one of the world's leading centres for science, healthcare, education, and research. The city brings together renowned universities, hospitals, research institutions, and professionals from around the world, making it an ideal setting for an international scientific conference.

Beyond its academic and professional environment, London offers a rich mix of history, culture, architecture, and entertainment. From iconic landmarks such as Big Ben, the London Eye, Tower Bridge, and Buckingham Palace to its museums, theatres, restaurants, and green spaces, the city provides plenty to explore during your visit.

With excellent international transport connections and a diverse, welcoming atmosphere, London is a convenient destination for delegates travelling from across the globe.
