52ND ANNUAL KENNETH C. HALTALIN FOR THE PRACTITIONER CONFERENCE

APRIL 17-18, 2020

children'shealth? 

COURSE SUMMARY

The transition from a pediatric primary care provider to an adult primary care system has become a critical process in health care management plans addressing the medical, psychosocial and educational needs of adolescents and young adults with chronic physical and medical conditions. The 52nd Annual Kenneth C. Haltalin Conference is a 1½ day CME event that will include common pediatric illnesses and disorders, ethics presentation and a half-day subspecialty focus.

WHO SHOULD ATTEND

Pediatricians, family practice physicians, emergency medicine physicians, pediatric specialists, pediatric nurses, nurse practitioners and physician assistants who wish to update their knowledge on important topics in pediatric care.
