Education, David Geffen School of
Medicine at UCLA*

About the UCLA Pacific AIDS Education Training Center

The Los Angeles Region Pacific AIDS Education and Training Center (LA PAETC) provides direct educational services to a broad range of health providers in Southern California and has developed web-based learning modules available at <https://hivtrainingcdu.remote-learner.net/>. The PAETC also sponsors a free telehealth HIV mentoring program for HIV clinical care teams and individual clinicians that can be found at: <http://paetc.org/contact-us/hiv-learning-network/>.

The LA PAETC provides HIV providers (physicians, physician assistants, nurses, nurse practitioners, dentists, dental hygienists, pharmacists, case managers, mental health providers and others) with the knowledge and skills necessary to care for HIV-infected patients and increases the number of trained primary care professionals working with HIV-infected patients in the community. Training programs are designated by level, according to the experience, knowledge and needs of trainees.

The AIDS Education and Training Centers offer a national AIDS "Warmline" consultation service for physicians, pharmacists and other health professionals (800-933-3413) as well as a 24-hour hotline (888-448-4911) for Post-Exposure Prophylaxis (PEP) and a National Perinatal HIV Consultation and Referral Service (800-448-8765). Although our experts cannot offer opinions with regard to specific patients, they can respond to general questions with regard to diagnosis and management. For more information on the LA PAETC, please call Tom Donohoe (310) 794-8276.

About the UCLA AIDS Institute

In 1981, UCLA physicians reported the very first cases of what they described as “newly acquired immunodeficiency”—what we now know as AIDS. These doctors’ discovery and the subsequent exponential explosion of AIDS cases in Los Angeles and elsewhere around the country and around the world, led to the formation of the widely-acclaimed UCLA AIDS Institute in 1992. Under the direction of Dr. Irvin S.Y. Chen, an internationally respected virologist, the UCLA AIDS Institute provides a multidisciplinary think-tank for top-flight researchers who are assailing HIV on many fronts.

Institute members include faculty who work in the fields of virology and immunology, genetics, cancer, neurology, ophthalmology, epidemiology, social science, public health, nursing, and disease prevention. Their studies are carried out at the UCLA Westwood campus, in community settings, at half a dozen major medical centers in greater Los Angeles, and at scores of locations in India, China, Brazil, and sub-Saharan Africa.

Through laboratory research leading to new treatments for HIV, providing outstanding care to patients with HIV and developing more effective prevention strategies, the UCLA AIDS Institute is leading the worldwide effort to eradicate HIV and AIDS. The Institute’s dedicated scientists are committed to developing more effective education and prevention strategies for at-risk communities around the world, and better treatments for all people living with HIV. Innovative research programs that aim to develop a safe and effective HIV vaccine are among the UCLA AIDS Institute’s very highest priorities.

Program Agenda

Morning

- 8:00 Registration & Continental Breakfast**
- 8:30 Greeting – Judith S. Currier, MD**
- 8:45 Optimizing Care of the Older Adult with HIV – Kristine M. Erlandson, MD, MS**
- 9:15 Questions & Answers**
- 9:30 Curing HIV: What Will It Take? - Rajesh Gandhi, MD**
- 10:00 Questions & Answers**
- 10:15 Break**
- 10:30 HIV Testing in the Age of PrEP - Bernard M. Branson, MD**
- 11:00 Questions & Answers**
- 11:15 DHSP 2020 Plan- Mario J. Perez, MPH**
- 11:45 Questions & Answers**

Afternoon

- 12:00 Lunch**
- 1:00 The Importance of Integrating Mental Health Screening and Treatment into HIV Care - Robert H. Remien, PhD**
- 1:30 Questions & Answers**
- 1:45 The Optimal Management of Diabetes Mellitus in the Patient with HIV - Todd T. Brown, MD, PhD**
- 2:15 Questions & Answers**
- 2:30 Break**
- 2:45 ART Update: Strategies, Switching, and New Drugs - Roy M. Gulick, MD, MPH**
- 3:15 Questions & Answers**
- 3:30 Closing – Ronald T. Mitsuyasu, MD**

Program Chairs

RONALD T. MITSUYASU, MD
Professor of Medicine
David Geffen School of Medicine at UCLA
Director, Center for Clinical AIDS
Research and Education
Los Angeles, CA

JUDITH S. CURRIER, MD
Professor of Medicine
David Geffen School of Medicine at UCLA
Associate Director, Center for Clinical AIDS
Research and Education
Los Angeles, CA

Symposium Faculty

BERNARD M. BRANSON, MD
Principal Consultant
Scientific Affairs, LLC
Atlanta, GA

TODD T. BROWN, MD, PhD
Professor of Medicine and Epidemiology
Division of Endocrinology, Diabetes, and
Metabolism
Johns Hopkins University
Baltimore, MD

KRISTINE M. ERLANDSON, MD, MS
Associate Professor of Medicine
Division of Infectious Diseases and Geriatric
Medicine
University of Colorado Denver -- AMC
Denver, CO

RAJESH GANDHI, MD
Professor of Medicine
Massachusetts General Hospital
Harvard Medical School
Boston, MA

ROY M. GULICK, MD, MPH
Rochelle Belfer Professor of Medicine
Chief, Division of Infectious Diseases
Weill Cornell Medicine
New York, NY

MARIO J. PEREZ, MPH
Director, Division of HIV and
STD Programs (DHSP)
County of Los Angeles, Department of
Public Health
Los Angeles, CA

ROBERT H. REMIEN, PhD
Professor of Clinical Psychology
Associate Director, Division of Gender,
Sexuality and Health
Department of Psychiatry, College of
Physicians and Surgeons
Columbia University
New York, NY

Course Objectives

This one-day symposium is designed to provide participants with relevant, reliable, up-to-date information on the clinical management of HIV-infected patients who have failed one or more antiretroviral regimens, or who have demonstrated some degree of resistance to one or more antiretroviral drugs or classes of drugs. At the conclusion of the course attendees should be able to:

- Identify the roles that viral fitness, viral load and host immunity play in the management of extensively pretreated patients.
- Identify the clinical utility of genotypic and phenotypic resistance assays, and incorporate the data derived from such assays into their decision-making process.
- Utilize the full range of therapeutic options, including newly approved and investigational drugs, for patients who have failed one or more multidrug antiretroviral regimens.
- Treat some of the long-term complications of chronic HIV infection.

About the Center for Clinical AIDS Research and Education

UCLA has been a leader in AIDS and HIV-related research, education and patient care since 1981 when the nation's first cases of AIDS were identified at the UCLA Medical Center. The UCLA Center for Clinical AIDS Research and Education (CARE Center) was established in 1990 to facilitate clinical research and to integrate current research findings with teaching and patient care.

The UCLA CARE Center manages an outpatient clinic dedicated to patients with HIV and maintains an active clinical research program, which evaluates new antiretroviral therapies and investigates diseases associated with HIV and the complications of therapy. It is one of the original sites of the Adult AIDS Clinical Trials Group (ACTG) and the AIDS Malignancy Consortium (AMC). An education and outreach program disseminates information on AIDS and HIV infection to healthcare providers and to the community.

The CARE Center is also a primary location for training of medical students and housestaff at the David Geffen School of Medicine at UCLA in the optimal care of patients with HIV.

The UCLA CARE Clinic location:

1399 S. Roxbury Drive, Suite 100
Los Angeles, California 90035
(310) 557-2273

Administrative offices location:

11075 Santa Monica Blvd., Suite 100
Los Angeles, California 90025
(310) 825-6689

For additional information please visit our website <http://www.uclahealth.org/carecenter> or CAREoutreach@mednet.ucla.edu

Authorizing Signature _____

Mail to: **Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, Tough Decisions Made Easier: Clinical Management of Treatment-Experienced Patients, 10920 Wilshire Blvd, Suite 1060, Los Angeles, CA 90024-6512**

In accordance with applicable Federal laws and University Policy, the University of California does not discriminate in any of its policies, procedures, or practices on the basis of race, color, national origin, sex, sexual orientation, age, or disability. Inquiries regarding the University's equal opportunity policies may be directed to campus Counsel, 3149 Murphy Hall, UCLA, or the Director of the Office for Civil Rights, Department of Education. For information on services for students with disabilities, or questions about accessibility, please call (310) 825-1501 (voice or TTD)

Fee: \$45

Location:

Center for Health Communities

The California Endowment

1000 N. Alameda Street

Los Angeles, CA 90012

Parking:

Free parking available.

How to register:

Enrollment is limited to the first 200 healthcare professionals who register; we urge you to enroll now.

To enroll online:

We accept, Mastercard, Visa, Discover, and American Express. Go to www.cme.ucla.edu and click on "*Tough Decisions Made Easier*".

Refunds: Cancellations must be received in writing by November 1, 2018 and will be subject to a \$20 processing fee. If for any reason the course must be cancelled, discontinued, or rescheduled by the Office of Continuing Medical Education, a full refund will be provided. No refunds will be given after November 1, 2018

For further information: If you have questions about this program, please contact the Program Coordinator at (310) 825-6413 or via email at caresymposium@mednet.ucla.edu. For other UCLA CME offerings visit our website, www.cme.ucla.edu or contact the Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, at 310-794-2620

Accreditation

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA, is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, David Geffen School of Medicine at UCLA designates this live activity for a maximum of 5.25 *AMA PRA Category 1 Credit(s)*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclosure Statement

The FDA has issued a concept paper that classifies commercial support of scientific and educational programs as promotional unless it can be affirmed that the program is "truly independent" and free of commercial influence. In addition to independence, the FDA requires that non-promotional, commercially supported education be objective, balanced and scientifically rigorous. The policy further states that all potential conflicts of interest of the CME staff and faculty be fully disclosed to the program's participants. In addition, Accreditation Council for Continuing Medical Education policy mandates that the provider adequately manage all identified potential conflicts of interest prior to the program. We at UCLA fully endorse the letter and spirit of these concepts.

To enroll by mail:

Complete the attached form and mail to:

"Tough Decisions Made Easier"

Office of Continuing Medical Education

David Geffen School of Medicine at UCLA

10920 Wilshire Blvd., Suite 1060

Los Angeles, CA 90024-6512

To enroll by fax:

Complete the enrollment form and all of the requested credit card information, including an authorizing signature, and fax the form to (310) 794-2624

To enroll by phone:

Call the Office of Continuing Medical Education at (310) 794-2620 and use your Visa, MasterCard, American Express, or Discover card to register.
