WEBINAR

#7119 Cervical Spine,

Cervicogenic Headaches and TMJ:

Evidence-Based Evaluation, Classification, and
Treatment for the Common Concerns

Instructor:

Eric Wilson, PT, DSc, OCS, SCS, FAAOMPT

Audience:

**Physical Therapists, Occupational Therapists,
Assistants and Athletic Trainers**

Delivery Options:

Live Webinar or Self-Study Options

Motivations, Inc.

SUMMARY: In this Webinar, Dr. Eric Wilson will assist the participant to evaluate and then classify Cervical Spine, Cervicogenic Headaches and TMJ into a treatment-based category. Learn the predisposing factors associated with these conditions as well as the most up-to-date evaluation and treatment strategies for the most common concerns. Course instruction methods include lecture, demonstration, videos, case studies and question/answers. (Intermediate Level)

PRESENTER: Dr. Eric Wilson, PT, DSc, DPT, OCS, SCS, NASM-PES, CSCS, FAAOMPT is one of just a handful of PTs in the nation to attain dual board certifications as well as the FAAOMPT credential and is a nationally renowned lecturer and clinical educator. He has published in numerous peer-reviewed periodicals, published chapters in textbooks, and spoken at State and National Conferences. As a former SCS Exam question-writer, Dr. Wilson understands how question-writers review the literature for questions as well as how these very difficult questions are designed. *Financial*—Received a teaching honorarium from Motivations Inc. *Nonfinancial*—No relevant nonfinancial relationship exists.

OBJECTIVES: Upon completion of this course, the participant will be able to:

1. Identify the predisposing factors for Cervical Spine, Cervicogenic Headaches and TMJ and how those translate into treatment strategies
2. Identify the best tests/measures for the diagnosis of Cervical Spine, Cervicogenic Headaches and TMJ
3. Convert subjective & objective data into a treatment-specific classification for Cervical Spine, Cervicogenic Headaches and TMJ
4. Apply the tissue healing cycle timelines to MSK injuries to the Cervical Spine, Cervicogenic Headaches and TMJ.
5. Implement functional interventions that will improve a patient's ability to perform routine activities of daily living.

FORMAT: This is a 3 contact hour course equivalent to 3 CEU's or 0.3 CEUs offered as a live webinar or self-study. Instructors present the live course content via an internet website displaying real time power points. Learners will receive a course instruction link. Instructors lecture through livestreaming internet on your computer. Questions may be asked during the webinar using the chat feature or the "raise hand" feature for live discussion.
