

StuderConferences

WHAT'S RIGHT IN HEALTH CARE® **CHICAGO | AUGUST 1-3, 2017**

Studer Group's 15th annual leading practices conference, What's Right in Health Care®, is a chance for healthcare professionals to learn, network, and celebrate with more than 1,500 of their peers. Hear top-performing organizations share exactly how they are achieving results in healthcare's toughest areas.

Tactics come to life as leaders from high-performing healthcare organizations take the stage to present their successes and show you how to efficiently achieve results that last. With 40+ sessions and endless networking opportunities, this is a one-of-a-kind conference you don't want to miss!

What's Right in Health Care provides the perfect opportunity to benchmark other highly reliable organizations and learn how to fully align and integrate staff in organizational efforts to create a culture of high performance.

Studer Group is accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the health care team.

ATTENDEES WILL:

- Learn how to execute the strategies and evidence-based tools that are proven to hardwire profitability in your organization
- Gain knowledge from high-impact keynote presentations that provide state-of-the-industry insights
- Discover best practices from leaders at top-performing organizations and hear exactly what they have done to achieve and sustain results
- Get innovative solutions from industry experts on the latest topics and concerns faced by healthcare organizations, including CAHPS, physician integration, readmissions, patient safety, and quality
- Network and celebrate with other passionate healthcare professionals across the United States and beyond
