

3rd Annual

DUBAI INTERNATIONAL ASTHMA, ALLERGY & COPD FORUM

08 – 09 November 2019 | Conrad Hotel, Dubai, UAE

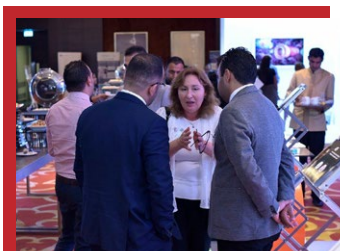

GLOBAL ADVANCES IN PULMONOLOGY

CONGRESS FEATURES

Keynote Presentations

Networking Sessions

Interactive Panel Discussion

Interactive Workshops

Key benefits of attending

- **Gain** expert knowledge in new trends in bronchial asthma management
- **Discuss** the diagnostic and therapeutic issues in IPF
- **Discover** the new approaches in the treatment of pleural effusion
- **Understand** how to handle the challenges concerned with type II asthma patients
- **Review** the recent updates on COPD in the region
- **Learn** the new perspectives in the diagnosis and the treatment of COPD
- **Attend** workshops to gain practical knowledge in different areas such as Spirometry, and the correct use of the different types of inhalers
- **Review** the updates on the management of allergic rhinitis
- **Acquire** knowledge of childhood Asthma diagnosis and management
- **Gain** Continuing Medical Education (CME) credit hours
- **Network** with your peers in the fields of asthma, allergy and COPD to build relationships and exchange knowledge

Dubai Health Authority

THE FORUM PRESENTED AN EXCELLENT ARRAY OF SUBJECTS AND SPEAKERS. AN EXCELLENT VENUE AND A PERFECT ORGANISATION IS COMMENDABLE. MANY THANKS TO THE ORGANISERS AND DR. BASSAM FOR A WONDERFUL ASTHMA, ALLERGY AND COPD FORUM

Dr. Mohammed Nizam Iqbal, Pulmonary
Physician, Rashid Hospital DHA

Event Overview

In the light of the growing regional concerns on the rise of Asthma, Allergy and COPD patients, especially that COPD is currently the 4th leading cause of death worldwide and the second leading cause of disability; there is a need for a closer look at the regional challenges and the latest innovations in the field to advance patient care. And as technology advances, the need for guideline updates from regulators has increased and continues to be modified.

The **Dubai International Asthma, Allergy and COPD Forum** brings together a team of outstanding regional and international expert faculty members for two days of cutting-edge medical education sessions, focused on care delivery and innovative treatments for Asthma, Allergy and Chronic Obstructive Pulmonary Diseases to improve lives of patients. The programme was developed based on knowledge gap assessment and the feedback from last year's Forum requesting to highlight the latest advances in the field and to provide the healthcare professionals with up-to-date and evidence-based clinical data, to overcome the key challenges faced by the physicians in our region. The forum will feature interactive case studies, presentations, educational workshops and ample networking opportunities to discuss the clinical problems encountered during practice.

Join us at the **3rd Annual Dubai International Asthma, Allergy & COPD Forum**, for an enriched experience to leverage your knowledge, showcase your practice, and network with peers.

Who Should Attend?

- Pulmonologists
- Allergists
- Immunologists
- Intensivists
- Internists
- Paediatricians
- Respiratory Physicians
- General Practitioners
- Family Medicine and Primary Cares
- ENT
- Asthma Educators
- Specialists Respiratory Care
