Clinician Update: Current Care of the
BARIATRIC PATIENT

THE HOTEL HERSHEY
100 Hotel Road
Hershey, Pennsylvania, 17033

PennState
College of Medicine

A continuing education service of Penn State College of Medicine in association
with the Pennsylvania Society for Bariatric Surgery

PURPOSE

This conference is designed to provide strategies that health-care professionals can use in caring for the acute needs of bariatric patients.

AUDIENCE

Physicians, nurse practitioners, physician assistants, and nurses in the emergency and critical care setting will benefit most from attendance. Other health-care professionals are welcome to attend.

OBJECTIVES

- ▶ Discuss indications for, complications of, and durability of Radiofrequency Ablation (RFA) for GERD after sleeve gastrectomy
- ▶ Describe the pro's and con's of various operative strategies
- ▶ Review the interrelationship between obesity and sleep disorders
- ▶ List current treatment options for GERD after weight loss surgery, beyond RFA
- ▶ Describe techniques, indications and contraindications for endoscopic interventions for leaks and fistulas after weight loss surgeries (WLS)
- ▶ Review behavioral skills that may improve long-term success after WLS
- ▶ Describe new methods for treating pain and nausea after sleeve gastrectomy
- ▶ Discuss risks and benefits of revisional surgery after gastric plication

ACCESS

Penn State encourages persons with disabilities to participate in its programs. If you anticipate needing any type of special accommodation or have questions about the physical access provided, please contact Continuing Education in advance of your participation.

It is our policy to ensure balance, independence, objectivity, and scientific rigor in all of our sponsored educational programs. Faculty and course directors have disclosed relevant financial relationships with commercial companies, and Penn State has a process in place to resolve any conflict of interest. Complete faculty disclosure will be provided to program participants at the beginning of the activity.

CREDIT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Penn State College of Medicine and Pennsylvania Society for Bariatric Surgery. Penn State College of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

Penn State College of Medicine designates this live activity for a maximum of **5.5 AMA PRA Category 1 Credit(s)[™]**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

NURSES USING AMA CREDIT

Nurses will receive a certificate from Penn State College of Medicine verifying their participation in **5.5 hours of approved continuing medical education**. Continuing education activities which are approved by accredited institutions of higher education and that are relevant to patient care or professional nursing meet the requirements of mandatory continuing education for registered nurses in Pennsylvania, as required by the Pennsylvania State Board of Nursing. The Board of Nursing recommends that nurses retain their certificates for a period of at least five years. Additional information is available through the State Board of Nursing at dos.pa.gov/nurse.
