Infectious Diseases in Clinical Practice:

Update on Inpatient and Outpatient Infectious Diseases

Grand Hyatt Kauai
Kauai, Hawaii

February 18-23, 2018

Presented by the Department of Medicine, Division of Infectious Diseases, at the University of California, San Francisco School of Medicine, this course reviews clinically relevant topics in infectious diseases which are chosen because they are of interest to the practicing clinician or because there have been significant recent advances in diagnosis or treatment.

TARGET AUDIENCE

The course is designed to meet the needs of a variety of clinicians, including primary care physicians, family physicians, general practitioners, hospitalists, internists, nurse practitioners, pediatricians, clinical pharmacists, and other health professionals who are involved with infectious diseases in the inpatient or outpatient settings.

OBJECTIVES

Upon completion of the activity an attendee will be able to:

- Apply knowledge and principles to diagnose, manage, and treat common infections encountered in clinical practice such as skin and soft tissue infections, respiratory tract infections, urinary tract infections, gastrointestinal infections, endocarditis, staphylococcal infections, nosocomial infections, sexually transmitted infections, and infections of the central nervous system;
- Identify and manage less common infections such as Lyme disease, infections in immunocompromised patients, and infections associated with travel;
- Incorporate into his or her practice the use of antimicrobial agents including an understanding of their efficacy and appropriate usage for prevention and treatment of bacterial, viral, and fungal infections;
- Recognize and treat the more common dermatologic manifestations of infectious diseases.
- Apply the basic principles of antimicrobial stewardship to everyday clinical practice in the inpatient and outpatient setting.

ACCREDITATION

The University of California, San Francisco School of Medicine (UCSF) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

UCSF designates this live activity for a maximum of **20.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This CME activity meets the requirements under California Assembly, Bill 1195, continuing education and cultural and linguistic competency.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts **AMA PRA Category 1 Credit™** issued by organizations accredited by the ACCME.

Physician Assistants

AAPA accepts category 1 credit from AOACCME, prescribed credit from AAFP, and **AMA PRA Category 1 Credit™** from organizations accredited by the ACCME.

Pharmacy

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for **AMA PRA Category 1 Credit™**.

Family Physicians

Application for CME credit has been filed with the American Academy of Family Physicians. **Determination of credit is pending.**

American Board of Internal Medicine (ABIM) MOC

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to **20.00 MOC points** in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.
