Tenaya Lodge

Just a few minutes from the south entrance to the park, Tenaya Lodge offers a scenic and tranquil setting, delightful restaurants, and a top notch spa to massage away the aches and pains from a day of hiking the waterfalls, biking the trails, or rafting the river.

The Lodge's expert activities staff and Guest Experience Center can book you into a variety of alpine activities. Each of the guest rooms has a mountain lodge feeling with individual climate control, coffee maker, iron/board, hair dryer, cable TV, and safe. There are both indoor and outdoor pools as well as a fitness center. From the grand lobby to the graciously appointed guest rooms, you'll find the best national park experience during your stay.

PARK ENTRY FEE: \$30 7-day pass per vehicle (no per-person fee.)
\$60 Annual Pass. **Park entrance fees subject to change without notice.**
See <http://www.nps.gov/yose/planyourvisit/fees.htm> for more information.

HOTEL RATES: A portion of the room rate is used to partially offset the cost of refreshments served during the meeting for participants only. All rooms are non-smoking. Rates plus \$15 per room, per day resort fee.*

Deluxe Room: \$250

- Single/double occupancy plus 10% tax and 1% County Tourism Assessment.
- \$25 each additional adult over double occupancy. Maximum of 5 guests per room.

***Resort fee includes:** Valet and self parking, Wi-Fi (high speed internet) in guest-rooms and public areas (not meeting room), Business Center access for printing boarding passes, two bottles of water upon arrival, unlimited toll-free and local telephone calls, daily newspaper delivery to your room, full access to the fitness center, steam rooms and saunas, including lockers, towel service in the award-winning Ascent Spa (treatments additional), in-room coffee/tea, nightly turndown service (upon request), access to the indoor pool, the main outdoor pool and both the adults-only pool and our kid's splash pool complete with mushroom water fountains and water guns, as well as all five resort hot tubs. **Resort fee inclusions subject to change without notice.**

DEPOSIT REQUIRED: Credit card required to hold your room. Rate and availability not guaranteed until deposit received. 30 days prior to arrival credit card will be charged by hotel the full amount for entire reserved stay plus tax.

CANCELLATIONS: Cancellations or change of reservation accepted without penalty until 31 days prior to arrival. Inside 31 days you will be charged for the entire reserved stay plus tax and service fee. This includes shortening your stay or changing room type. Hotel policy—No exceptions allowed for any reason. Travel insurance is recommended. **Trip insurance recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:
Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.
Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.
Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.
Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.
Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.
Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Anesthesiologist Assistants: The National Commission for Certification of Anesthesiologist Assistants (NCCAA) will accept CME credit for programs approved for continuing medical education by the AMA, AAPA, and ACCME.

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program is designed to meet requirements for Class A CE credit. Once approved by AANA, this will be indicated.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit[™] from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), and the Georgia Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Yosemite embraces a spectacular tract of the Sierra Nevada, which was set aside as a national park in 1890. As the crown jewel of the National Park system, Yosemite has been an unforgettable scenic wonder and vacation destination for over 100 years. Here you will find sheer walls of granite, numerous waterfalls, towering Sequoias, and a ceramic blue sky. Yosemite Valley, about 3,000 feet deep and just a mile or two wide, is known for its landmark rock formations. Half Dome is perhaps the most recognized symbol of Yosemite, rising over 4,000 feet above the Valley floor. Most agree that the vista views of the high country and Yosemite Valley, including Half Dome and three waterfalls, are the most spectacular in the park. Find a quiet spot during early morning or early evening and you may catch a glimpse of wildlife in action, including bear, raccoon, coyote, and deer.

With museums, historic buildings, and cemeteries, Yosemite National Park is rich in cultural history. Far from city lights, the dark night sky is kept bright by the countless stars. Take your pick of over 150 activities such as hiking, horseback riding, wagon safari, jeep tours, fishing, swimming, painting, photography, mountain climbing, wall climbing, logging train rides, white water rafting, bird watching, shopping, spa treatments, panning for gold, or cross country, trail, and downhill mountain biking.

The park is approximately 1-1/2 hours from Fresno Yosemite International Airport (FAT) and 4 hours from both Oakland International Airport (OAK) and San Francisco International Airport (SFO). Having a rental car is suggested to give you full access to all the park has to offer. See <http://www.nps.gov/yose/> for more ideas.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Rev. 11/7/16

SCHEDULE			
Monday, June 12			
0730	Registration – Mandatory Sign In – Continental Breakfast		
0755	Welcome	NWAS Staff	
0800	Identifying the High-Risk Patient	B.Gaitan	
0900	Cardiac Surgery and Cardiopulmonary Bypass	B.Gaitan	
1000	Break		
1015	Physics of Ultrasound as It Relates to Nerve Blocks	C.Franco	
1115	Upper Extremity (Blocks and Anatomy)	C.Franco	
1215	How Low Is Too Low: Perioperative Transfusion Guidelines and Common Sense	J.Szalados	
1315	Adjourn	0.5 Pharmacology	
Tuesday, June 13			
0730	Registration – Mandatory Sign In – Continental Breakfast		
0800	Cuts Both Ways: The Uses and Misuses of Perioperative Beta Blockade	J.Szalados	
0900	Defensive Strategies in Dealing With Critical Drug Shortages	J.Szalados	
1000	Break		
1015	Anesthesia for Ophthalmic Surgery	B.Gaitan	
1115	Oldies But Goodies: Revisiting the Evidence Behind Everyday Anesthesia Routines	B.Gaitan	
1215	Lower Extremity (Blocks and Anatomy)	C.Franco	
1315	Adjourn	2.2 Pharmacology	
Wednesday, June 14 – Open Day			
Thursday, June 15			
0730	Registration – Mandatory Sign In – Continental Breakfast		
0800	Regional Anesthesia in the Obese Patient	C.Franco	
0900	TAP Block	C.Franco	
1000	Break		
1015	Black Box Warnings: What They Mean and How They Affect My Liability	J.Szalados	
1115	Prudent Management of Apology and Disclosure: Discussing a Bad Outcome	J.Szalados	
1215	Update on Coronary Stents and Perioperative Management	B.Gaitan	
1315	Adjourn	1.5 Pharmacology	
Friday, June 16			
0730	Registration – Mandatory Sign In – Continental Breakfast		
0800	Ultrasound of the Lumbar Spine and Neuraxis	C.Franco	
0900	Legal Developments of This Year You Must Know About	J.Szalados	
1000	Break		
1015	The Disruptive Provider: A Potentially Career-Ending Accusation	J.Szalados	
1115	Electrophysiology Lab Procedures and Anesthetic Management: Catheter-Based	B.Gaitan	
1215	Electrophysiology Lab Procedures and Anesthetic Management: Device-Based	B.Gaitan	
1315	Adjourn	1.1 Pharmacology	
20 CME I / 20 CEC / 5.3 Pharmacology Hours†			
*Separate tuition and schedule applies.			
Children and non-registered guests are not allowed to attend the lectures.

Course Registration		17JYP		
TUITION: In USD		MD/DO	CRNA/PA	RN/Others
Early	<i>(Paid by 3/14/17)</i>	\$950	\$900	\$800
Regular	<i>(Paid after 3/14/17)</i>	\$1000	\$950	\$850
Daily		\$255	\$243	\$218

PAYMENT METHODS:
Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:
Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:
FAP lets you accumulate points based on any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:
\$100 April 13, 2017 to May 13, 2017. No refund after May 13, 2017; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):
FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:
Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
