32ND ECNP CONGRESS

7-10 SEPTEMBER 2019
COPENHAGEN

The future of CNS treatments

<https://2019.ecnp.eu>

SCIENTIFIC PROGRAMME

The scientific programme is, accordingly, the core of the ECNP Congress. Topics cover the spectrum of CNS research, with a special emphasis on linking fundamental discoveries to clinical applications and identifying the treatment strategies of the future. The provisional programme will be published on <https://2019.ecnp.eu> and is updated regularly.

EUROPE'S PREMIER SCIENTIFIC MEETING, OFFERING THE LATEST IN THE SCIENCE AND TREATMENT OF DISORDERS OF THE BRAIN – FROM FUNDAMENTAL RESEARCH TO CLINICAL CARE.

REGISTRATION

Register early and benefit from a lower fee. We have special fees for ECNP members, early career scientists, non-MD's and residents of a country with a developing economy (CDE). The online registration will be open by October 2018.

ABSTRACT SUBMISSION

By November 2018, the abstract submission opens. We invite you to submit your abstract(s) for poster presentation online. The abstracts submitted will be reviewed for:

- Presentation at the congress by means of a poster and e-poster.
- Publication (after the congress) in the congress supplement to the journal *European Neuropsychopharmacology*.
- Publication on the ECNP congress website and in the ECNP app.

INDUSTRY

Companies and organisations involved in clinical and pre-clinical research, diagnosis and treatment of disorders of the brain are invited to support the ECNP Congresses. We offer a wide range of services including industry sessions, exhibition, media support and group registration & accommodation. Please visit the industry pages on the congress website for details.
