GENERAL INFORMATION

TUITION FEE

Practicing Physicians – \$175.00
Fellows, Residents, RNs – Complimentary

STATEMENT OF NEED

The field of endoscopy has rapidly evolved with the introduction of innovative diagnostic techniques and novel therapies. The endoscopist frequently encounters difficult issues and controversies in patient management. This course will enable the learner to grasp and apply new information and evolving technological innovations to enhance patient outcomes.

ACTIVITY GOALS

The goals are to help the learner improve his or her knowledge of gastrointestinal diseases and disorders, enhance the quality of his or her practice and foster an evidence-based approach to endoscopic decision-making for commonly encountered and controversial problems in gastroenterology.

LEARNING OBJECTIVES

- Describe emerging endoscopic techniques for managing difficult gastrointestinal diseases.
- Describe methods of increasing efficiency, improving quality and decreasing complications in gastrointestinal endoscopy units.
- Recognize high quality colonoscopy techniques and incorporating the latest metric and quality indicators.
- Identify the latest advances in endoscopic imaging and be able to apply these techniques to patient care.

INTENDED AUDIENCE

This activity is intended for practicing gastroenterologists, endoscopists, GI fellows, residents and nurses and other healthcare professional involved in endoscopy and the care of patients with gastrointestinal diseases.

ACCREDITATION

Albert Einstein College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

CREDIT DESIGNATION

Albert Einstein College of Medicine designates this live activity for a maximum of 5.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONFLICT OF INTEREST

The “Conflict of Interest Disclosure Policy” of the Albert Einstein College of Medicine requires that faculty participating in any CME activity disclose to the audience any relationship(s) with a commercial interest; pharmaceutical or equipment company*. Any presenter whose disclosed relationships prove to create a conflict of interest, with regard to their contribution to the activity, will not be permitted to present.

Albert Einstein College of Medicine also requires that faculty participating in any CME activity disclose to the audience when discussing any unlabeled or investigational use of any commercial product or device, not yet approved in the United States.

The staff of CCME of Albert Einstein College of Medicine have no conflicts of interest with commercial interests related directly or indirectly to this educational activity.

**The ACCME defines a Commercial Interest as an entity producing, marketing, re-selling or distributing health care goods or services consumed by or used on patients. The ACCME does not consider providers of clinical service directly to patients to be commercial interests - unless the provider of clinical service is owned, or controlled by, an ACCME-defined commercial interest.*

SPECIAL NEEDS (ADA)

Albert Einstein College of Medicine and Montefiore fully comply with the legal requirements of the Americans with Disabilities Act. If any participant is in need of special accommodations, send an email to statkins@montefiore.org two weeks prior to the activity.
