for Medicine

Join us in Newport Beach, CA at Skin Disease Education Foundation's (SDEF) 14th Annual Women's & Pediatric Dermatology Seminar® as we explore the chief clinical topics relevant to skin diseases in women and children. Our expert faculty present information that is immediately useful for your patients, from infants through adults. Interactive panel discussions, interesting cases, and the opportunity to exchange ideas with colleagues and faculty make this unique, CME/CE conference a must. Clinicians including dermatologists, primary care physicians, pediatricians, ob/gyns, residents, nurse practitioners, physician assistants, and nurses who manage skin diseases in adult women and/or children are invited to attend.

We are looking forward to seeing you June 22-23, 2018, at SDEF's 14th Annual Women's & Pediatric Dermatology Seminar®.

REGISTER BY APRIL 30th AND SAVE

LEARNING OBJECTIVES

After completing this live activity, participants should be better able to:

- Evaluate and treat acne and rosacea in the adult female patient.
- Formulate approaches to the challenges of hair abnormalities.
- Assess treatment approaches for the pediatric and adult patient with common as well as complex skin diseases: acne, contact dermatitis and more.
- Implement current strategies for managing challenging pediatric dermatology issues such as atopic dermatitis, acne, psoriasis and autoimmune disorders.
- Recognize and manage cutaneous autoimmune diseases.

ACCREDITATION AND DESIGNATION STATEMENTS

PHYSICIAN

This activity has been planned and implemented in accordance with the requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

The University of Cincinnati designates this live activity for a maximum of 13 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AAFP CREDIT

This Live activity, Skin Disease Education Foundation's 14th Womens & Pediatrics Dermatology Seminar, with a beginning date of 06/22/2018, has been reviewed and is acceptable for up to 12.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

SDEF MOC-D

The self-assessment program offered at the Skin Disease Education Foundation's 14th Annual Women's and Pediatric Dermatology Seminar® is approved by the American Board of Dermatology (ABD) for MOC-D self-assessment points.

ABIM MOC POINTS

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 13 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

ABP MOC POINTS

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the

WHO SHOULD ATTEND

Dermatologists • Family Physicians • Pediatricians • Ob/Gyns • Internists • Residents • Nurse Practitioners • Nurses • Physician Assistants

- Summarize the efficacy and safety of fillers, toxins, devices, and techniques currently available in aesthetic and procedural dermatology
- Detail new developments in the management of onychomycosis and other adult nail diseases.
- Explain how to manage hemangiomas in infants and children.
- More effectively individualize patient treatment strategies by considering the full range of current and emerging therapeutic options for atopic dermatitis.
- Discuss the most recent information on the epidemiology and pathogenesis of atopic dermatitis and how likely to affect the management of patients with atopic dermatitis.

participant to earn 13 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit

NURSING

In support of improving patient care, this activity has been planned and implemented by the Postgraduate Institute for Medicine and Global Academy for Medical Education. Postgraduate Institute for Medicine is jointly accredited by the American Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Continuing Nursing Education

The maximum number of hours awarded for this Continuing Nursing Education activity is 13 contact hours. Pharmacotherapy contact hours for Advance Practice Registered Nurses will be designated on your certificate. Provider approved by the California Board of Registered Nursing, Provider Number 13485, for 13 contact hours.

CANCELLATION POLICY

Cancellation policy: Full refund less a \$50 administrative fee as follows: requests for refunds must be made in writing and postmarked, e-mailed, or faxed prior to May 1, 2018 (Global Academy for Medical Education, LLC, 7 Century Drive - Suite 301 Parsippany, NJ 07054), e-mail - n.rillo@globalacademycme.com or fax (866-401-8609). After May 1, 2018 no refunds will be granted.

After the refund date, you have two options: you can send someone in your place, or we can mark a credit in the amount you paid less a \$50 administrative fee to be applied to your registration for next year's conference. Refunds will not be issued to no-shows. Global Academy for Medical Education is not responsible for nonrefundable, nontransferable airline tickets or hotel accommodations purchased for attendance at this course. The registration fee covers attendance to the scientific meeting, continental breakfasts, coffee breaks, lunches when provided, and exhibits.

Registering for the meeting gives Global Academy for Medical Education permission to list registrant's name in conference materials as well sending notification emails to attendees about satellite events that may take place during the dates of the conference. Upon receipt of an email about a satellite event, you may opt out from receiving further notifications about the event(s) if you so choose. Attendance at the meeting gives Global Academy for Medical Education permission to use photos* taken at the conference on the conference website and in promotional materials.

HOTEL ACCOMMODATIONS

ISLAND HOTEL

690 Newport Center Drive
Newport Beach, California 92660
877-591-9145

<https://tinyurl.com/WPD18Hotel>

A limited block of rooms has been set aside at the Island Hotel at a rate of \$239 plus applicable state/local taxes and fees.

Upgraded rooms are also available at a higher room rate. Rates and rooms are subject to availability at the time of the reservation.

The deadline for making your reservation is May 22, 2018. After that date, or in the event that the room block becomes full prior to the deadline, rooms are subject to availability, and the room rates may increase. When booking, please make sure to mention Women's and Pediatric Dermatology Seminar to receive the discounted room rate.

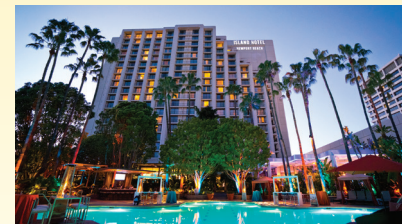

At the time of booking, your credit card will be charged the first and last night room rate and tax as a deposit. Please see the hotel site for cancellation policy.

SPECIAL NEEDS

We encourage participation by all individuals. If you have a disability, advance notification of any special needs will help us better serve you. Please contact Global Academy for Medical Education at least 3 weeks in advance at 240.221.4404 or n.rillo@globalacademycme.com

FACULTY DISCLOSURES

According to the disclosure policy of the University of Cincinnati College of Medicine, all faculty, planning committee members, and other individuals who are in a position to control content are required to disclose any relevant relationships with any commercial interest related to this activity. The existence of these interests or relationships is not viewed as implying bias or decreasing the value of the presentation. All educational materials are reviewed for fair balance, scientific objectivity and levels of evidence. Disclosure will be made at the time of activity.
