State of the art in biology, therapy, and patient care

*You won't want to miss this
unprecedented symposium focussed
on the future of Lymphoma with many of
the world's leading experts.*

TARGET AUDIENCE

Medical and radiation oncologists, hematopathologists, scientists, and medical trainees involved in diagnosis, treatment, and biomedical research of lymphoma.

COURSE OVERVIEW

This symposium will feature updated information on lymphoma biology, diagnosis, immunology, and genetics, and ongoing efforts to translate the scientific discoveries into novel treatment strategies for a variety of lymphomas. Faculty will review the current standard of care and present their own perspectives on how they treat various types of lymphomas. Participants will have the opportunity to discuss diagnostic and management cases, and how to incorporate biologic and genetic biomarkers into clinical practice and clinical trials.

COURSE DESIGN

This symposium includes hands-on review of cases which will be intermixed with short didactic lectures. One workstation per participant.

EVALUATION

A course evaluation survey sent out electronically will provide attendees with the opportunity to review the sessions and the speakers and to identify future educational needs.

ACCREDITATION STATEMENT

MSK is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA CREDIT DESIGNATION STATEMENT

MSK designates this live activity for a maximum of **14.0 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity. The AMA has determined that physicians not licensed in the United States but who participate in this CME activity are eligible for **14.0 AMA PRA Category 1 Credits™**.

OUTCOMES MEASUREMENT SURVEY

Six months after the end of the course an Outcomes Measurement Survey will be sent to all participants to help us determine what positive impacts have been made on participant practice as a result of the course.

FACULTY DISCLOSURE

It is the policy of MSK to make every effort to insure balance, independence, objectivity, and scientific rigor in all continuing medical education activities which it sponsors as an ACCME accredited provider. In accordance with ACCME guidelines and standards, all faculty participating in an activity sponsored by MSK are expected to disclose any significant financial interest or other relationship with the manufacturer(s) of any commercial product(s) and/or provider(s) of commercial services which are discussed by the faculty members in an educational presentation. As required by the ACCME, when an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, MSK requires the speaker to disclose that the product is not labeled for the use under discussion or that the product is still investigational.

ACCOMMODATIONS

If you'll be traveling to MSK from out of town, we recommend that you plan your overnight stays as soon as possible. To make the planning a little easier, we've negotiated special rates at select hotels in Manhattan. Please go to: www.mskcc.org/locations/visiting-us/accommodations.
