

Movement Disorders in older people MDOP

1 February 2019

etc. venues Maple House, Birmingham

The meeting will provide a forum for education in movement disorders and is organised by the British Geriatrics Society Movement Disorders Section.

The meeting highlights current clinical practice and provides a platform to present research outcomes and showcase successful service delivery. This event is organised for healthcare professionals working in the field of movement disorders. The day provides a forum for scientific discussion and clinical updates and enables a multidisciplinary audience of healthcare professionals to share their experiences of best clinical practice.

The British Geriatrics Society acknowledges with grateful thanks the support given through major sponsorship from:
