

International Conference on
Molecular Biology & Gene Therapy

June 06-08, 2019 | Milan, Italy

*Theme: New Era in Advanced Research of Molecular
Biology & Gene Therapy*

<http://endlingmeetings.com/molecularbiologyconference/>

We welcome you all to the International Conference in June 06-08 2019, at Milan Italy under the theme “**New Era in Advanced Research of Molecular Biology & Gene Therapy**”. Place to meet great scientists and renowned speakers to share their research work and young researchers can gain enough knowledge.

The Scientific Sessions offers researchers and health care professionals, the unique opportunity to share ideas and learn about the significant advances in the areas of Molecular Biology & Gene Therapy to attendees. The program is categorized into different sessions, allowing you to focus on your specialty or expand your knowledge in other areas.

Theme Areas :

Molecular Biology

- Cellular and Molecular Biology
- Medicinal and Pharmaceutical Biochemistry
- Structural and Molecular Biochemistry
- Protein and Analytical Biochemistry
- Clinical and Nutritional Biochemistry
- Enzymology & Biochemistry
- Enzymology in Molecular Biology
- Proteomics in Biochemistry and Molecular Biology
- Nano Biochemistry
- Cardiac Biochemistry
- Toxicology and Pharmacology
- Medical Genetics
- Clinical Pathology
- Structural Biology
- Structural Bioinformatics and Structural Molecular Biology
- Computational Chemistry and Chemical Biology
- Animal and Plant Biochemistry
- Lipids and Metabolism
- Stem Cell Biology
- Neuro Biology
- Chemical Biology
- Personalized Medicine
- Plant Biology
- Translational Medicine
- Systems Biology
- Structural Biology
- Genome Biology
- Molecular Biology

Gene Therapy

- Gene Therapy and Genetic Engineering
- Cell and Gene Therapy
- Cell Cancer Immunotherapy
- Clinical Genetics
- Pharmacogenetics
- Molecular Genetic Pathology
- Gene Mapping
- Computational Genomics
- Molecular Biotechnology
- Genetic Transformation
- Genetic Screening
- Regulation of Gene Expression
- Cancer Cell Therapy
- Genetic Transplantation
- Cytogenetics
- Advancements in Gene Therapy Research
- Psychiatric Genetics
- Human Genome
- Epidemiology Evolutionary Genetics

Metabolomics & Systems Biology

- Metabolomic Profiling
- Metabolomic Database
- Metabolomic Analysis
- Human Metabolomics
- Single Cell Metabolomics
- Mass Spectrometry Based Metabolomics
- Urine Metabolomics
- Cancer Therapeutic Approaches
- Plant & Environmental Metabolomics
- Metabolic Syndrome
- Metabolomics in Precision Medicine
- Food & Nutritional Metabolomics
- Frontiers of Metabolomics Research
- Metabolomic Devices

Why to attend ?

Biotechnology 2019 will ensure to provide a scientific platform for all the attendees to share novel ideas, establish research and networking. Many scientists and world's renowned experts will participate in the conference. Throughout the course of the Three days conference, you will have the opportunity to both network and hear leaders from the international academic and corporate Molecular Genetics & Gene Therapy communities. Furthermore offers globally renowned keynote sessions, speaker sessions, workshops, exhibitors, interactive sessions and poster presentations.

Important Dates to Remember

Abstract Submission Deadline- February 28, 2019

Early bird Registration Deadline-February 28, 2019

Conference Dates- June 06-08, 2019

Abstract Acceptance Notification: Within 48 hours from the date of submission

Target Audience

A great opportunity to network with your peers from academia and industry:

- Directors/Managers & Business Delegates
- Director of Laboratories
- Universities
- Industries
- Investigators
- Post-Doctoral Fellows
- Research and Diagnostic Laboratories
- Clinical Fellows
- Students
- Biomedical Research companies

Awards & Recognition

- Young Scientist Award
- Certificate of Presentation
- Certificate of Appreciation (Session Chair)
- Best Oral Award
- Young Researcher Award
- Best Poster Award

Registration Categories and Prices

Category	Early bird	Mid-on	On-site
Delegate	649 \$	749 \$	799 \$
Speaker	549 \$	649 \$	699 \$
Student	399 \$	399 \$	399 \$
E-poster	99 \$	99 \$	99 \$
Virtual Presentation	199 \$	199 \$	199 \$

(Please note registration does not include extras such as transport, tours or accommodation).

Registration Description:

ONLINE REGISTRATION / PAYMENTS

Complete the below steps to receive Invitation for Molecular Biology & Gene Therapy

Step 1: Select registration category

Step 2: Fill up the registration form

Step 3: Read the benefits you receive for registration

Step 4: Proceed for payment & pay the fee using your credit card

Step 5: Check your email for payment receipt & invitation letter

For Bank transfers, booking accommodation, special tours & packages, please email us at

Email: genetherapy@endlingconferences.com

Registration Benefits:

6 Refreshments (Coffee/Tea/Cookies/Short eats)

3 Lunches during Conference dates

Abstract Book (Printed Version)

Conference proceedings (Soft Copy)

Conference Group Photo

Attendance/Presentation certificate & memento

Notebook & Pen

Conference schedule hand-out

Venue

Milan is a city in northern Italy, capital of Lombardy, and the second-most populous city in Italy after Rome. It is considered a leading alpha global city with strengths in the field of the art, commerce, design, education, entertainment, fashion, finance, healthcare, media, services, research and tourism. Its business district hosts Italy's stock exchange and the headquarters of national and international banks and companies. In terms of GDP, it has the third-largest economy among European cities after Paris and London, but the fastest in growth among the three, and is the wealthiest among European non-capital city. Milan being regarded as one of the major fashion capitals of the world, being home to many services, banks, and industries, the city has also become important to the world of environmental matters and energy issues.
