

Programme – Friday 13 November 2015

10:00 - 11:00	Welcome coffee
11:00 - 11:30	ROOM Vallauris/Opio
Welcome Speeches	
Daniela Filipescu (Bucharest, Romania) <i>President of the European Society of Anaesthesiology (ESA)</i>	
Claude Ecoffey (Rennes, France) <i>President of the French Society of Anaesthesiology and Intensive Care (SFAR)</i>	
Charles Marc Samama (Paris, France) <i>Chair of the ESA Scientific Committee</i>	
Benedikt Preckel (Amsterdam, Netherlands) <i>Chair of the ESA Scientific Subcommitte Cardiac, Thoracic and Vascular Anaesthesiology</i>	
11:30 – 12:30	
Chair: Benedikt Preckel (Amsterdam, Netherlands)	
2014 ESC/ESA Guidelines on non-cardiac surgery: cardiovascular assessment and management	
Stefan De Hert (Gent, Belgium)	
Implementation of the ESC/ESA Guidelines in Europe one year after going live	
Lena Koers (Amsterdam, Netherlands)	
12:30-13:00 Lunch	
13:00– 14:00	Industry Symposium 1
	Industry Symposium 2

European Society of Anaesthesiology **ESA**
www.esahq.org

The ESA Focus Meeting 2015 is organised in collaboration with

	ROOM Biot	ROOM Tournette
14:05 – 15:35		
Symposium	Symposium	Workshop
THE PATIENT WITH CARDIAC VALVE DISEASE	BLOOD MANAGEMENT IN THE CARDIAC RISK PATIENT	
Chair: Stefan De Hert (Gent, Belgium)	Chair: Benedikt Preckel (Amsterdam, Netherlands)	<i>This is an interactive session (using voting system)</i>
How I manage the parturient with valvular disease for Caesarean section	Aspirin and other powerful anti-platelets in patients undergoing non-cardiac surgery: still to be continued during the operation?	What info can I get from arterial, central venous and pulmonary artery pressure curves and what are the limitations?
Marc Van de Velde (Leuven, Belgium)	Charles Marc Samama (Paris, France)	Jochen Renner (Kiel, Germany) and Thomas Scheeren (Groningen, Netherlands)
Haemodynamic goals in patients with mitral and aortic valve disease	Should we transfuse the cardiac risk patient only considering the hemoglobin level?	
Patrick Wouters (Gent, Belgium)	Berthold Bein (Hamburg, Germany)	
How I manage a patient with aortic valve stenosis scheduled for non-cardiac surgery	Fresh Frozen Plasma or factor concentrates: What to choose when?	
Jean-Luc Fellahi (Lyon, France)	Jens Meier (Lienz, Austria)	
15:35 – 15:50 Coffee Break		
15:50 – 17:20		
Symposium	Symposium - Organised in cooperation with the French Society of Anaesthesia and Intensive Care (SFAR)	Workshop
PREOPERATIVE RISK ASSESSMENT	NON INVASIVE CARDIAC OUTPUT MONITORING IN THE OPERATING ROOM	
Chair: Wolfgang Buhre (Maastricht, Netherlands)	Chair: Charles Marc Samama (Paris, France)	<i>This is an interactive session (using voting system)</i>
Cardiac biomarkers for preoperative risk assessment	Photoplethysmography	What info can I get from thrombelastography and other point of care coagulation tests?
Dan Longrois (Paris, France)	Marc-Olivier Fischer (Caen, France)	Tutor TBD
The role of CT angiography in preoperative patient evaluation	Bioimpedance	
Benjamin Drenger (Jerusalem, Israel)	Emmanuel Lorne (Amiens, France)	
The patient with a drug eluting stent: when to operate and how to bridge antiplatelet	Pulse wave transit time (esCCO)	
Benedikt Preckel (Amsterdam, Netherlands)	Olivier Desebbe (Lyon, France)	
17:25 – 18:10		
Refresher Course Lecture	Refresher Course Lecture	
PRACTICAL GUIDE AND PERIOPERATIVE MANAGEMENT ON THE PATIENT WITH ARRHYTHMIAS	TRANSFUSION RELATED ACUTE LUNG INJURY – AN UPDATE	
Chair: Benjamin Drenger (Jerusalem, Israel)	Chair: Jens Meier (Lienz, Austria)	
SPEAKER - Jean-Luc Fellahi (Lyon, France)	SPEAKER - Alexander Vlaar (Amsterdam, Netherlands)	

ROOM Vallauris/Opio	ROOM Biot	ROOM Tournette
09:00 – 10:30 Symposium HAEMODYNAMICS IN THE CARDIAC RISK PATIENT Chair: Olivier Desebbe (Lyon, France) Non-invasive measurement of cardiac output: beneficial tool or just a toy <i>Wolfgang Buhre (Maastricht, Netherlands)</i> How to predict fluid responsiveness <i>Denise Veelo (Amsterdam, Netherlands)</i> Intraoperative arterial hypotension: how relevant is it and do I have to treat it? <i>Dan Longrois (Paris, France)</i>	Symposium GENERAL OR REGIONAL ANESTHESIA IN CARDIAC RISK PATIENTS UNDERGOING... Chair: Benedikt Preckel (Amsterdam, Netherlands) Surgery for fracture of neck of femur <i>Gabriella Iohom (Cork, Ireland)</i> Carotid artery surgery <i>Dragana Unic-Stojanovic (Belgrad, Serbia)</i> Transfemoral Aortic Valve Implantation <i>Steffen Rex (Leuven, Belgium)</i>	Workshop <i>This is an interactive session (using voting system)</i> Pearls and pitfalls in electrocardiography: test your skills! <i>Stefaan Bouchez (Gent, Belgium)</i>
10:30 – 10:45 Coffee Break		
10:45 12:15 Symposium THE CARDIAC RISK PATIENT DURING THE POSTOPERATIVE PERIOD Chair: Matthias Jacob (Straubing, Germany) The Surgical APGAR score for proper postoperative patient allocation <i>Berthold Bein (Hamburg, Germany)</i> Post-operative cardiac failure: how to differentiate left or right heart failure? <i>Patrick Wouters (Gent, Belgium)</i> The patient with diastolic dysfunction in the postoperative period <i>Fabio Guarracino (Pisa, Italy)</i>	Symposium - organised in collaboration with the European Association of Cardiothoracic Anaesthesiologists (EACTA) - UPDATE ON ANAESTHESIA FOR THE HIGH RISK CARDIAC PATIENT Chairs: Benedikt Preckel (Amsterdam, Netherlands) Alain Vuylsteke (Cambridge, United Kingdom) Anaesthesia for the patient with pulmonary hypertension <i>Alain Vuylsteke (Cambridge, United Kingdom)</i> Anaesthesia for the patient with a heart or heart/lung transplant <i>Chris Walker (Harefield, United Kingdom)</i> Anaesthesia for patients with grown up congenital heart disease GUCH <i>Ignacio Malagon (Manchester, United Kingdom)</i>	Refresher Course Lecture NEW ORAL ANTI-COAGULANTS - AN UPDATE Chair: Jochen Renner (Kiel, Germany) SPEAKER - Pierre Albaladejo (Grenoble, France)
12:15 - 12:45 Lunch		
12:45 – 13:45 Industry Symposium 3		
Industry symposium 4		
14:00 – 15:30 Symposium - organised in collaboration with the French Society of Anaesthesia and Intensive Care (SFAR) HOW TO MANAGE A POSTOPERATIVE INCREASE IN TROPONIN? Chair: Jean-Luc Fellahi (Lyon, France) Thresholds and cardiac outcome <i>Sylvain Ausset (Paris, France)</i> What to expect from medical treatment <i>Pierre Coriat (Paris, France)</i> Revascularization: how and when <i>Vincent Piriou (Lyon, France)</i>	Symposium THE VOLUME DEBATE Chair: Berthold Bein (Hamburg, Germany) The current role of balanced solutions in fluid and volume handling <i>Daniel Chappell (Munich, Germany)</i> Perioperative fluid and volume handling: does it make a difference what and how much you give? <i>Matthias Jacob (Straubing, Germany)</i> Is there evidence to implement early goal directed therapy in high risk cardiac patients? <i>Maurizio Cecconi (London, United Kingdom)</i>
