

Two Separate Half Day Presentations

• Cosmetics and Veneers

• Smart Practices For Your Practice

ATTEND VIA VIDEO CONFERENCE

Friday, October 13, 2023

at LSU School of Dentistry, 1100 Florida Avenue, New Orleans, LA

Course Presenter: Todd C. Snyder, DDS, FAACD, FIADFE, ASDA

Sign-In & Breakfast: 7:00-8:00 am (CST) | Course Starts: 8:00 am (CST) | Course #54-23 or #54-23-VIDEO* | AGD: #780 and #010 | (a maximum of 7 clinical hours (lecture))

* The Live-Stream Video Conference option for this course is only available to those that live 120 miles or more from the course location. Video conference registrations for this course **MUST BE PROCESSED BY PHONE**

LSUCDE video courses are live-streamed via BlueJeans. CE administrators perform roll call and random check-ins via the chat window in BlueJeans. If you miss one or more check-ins it could affect your credits. Before the course you will receive three links: a link to the meeting, a link to a short test, and a link to a course evaluation. You must submit the test and evaluation in order to receive credit. The Louisiana State Board of Dentistry counts CE hours earned through LSUCDE live video conference as in-person hours.

Registration Fees:

	Early Bird (By 09/01/23)	Regular (From 09/02/23 to 10/06/23)	Late (10/07/23 on)

OVERVIEW & LEARNING OBJECTIVES

➡ Morning Lecture - Cosmetics & Veneers

The consumer's interest in cosmetic dentistry, specifically veneers, is increasing every year with billions of dollars being spent to obtain a perfect smile. The ability to place believable porcelain veneers is crucial to a good cosmetic dental program. The numerous dental products and myriad of materials that are currently available to dentists can yield some incredible results but can often be overwhelming and or confusing. Without a blueprint and instructions to show the process from start to finish and all the steps in between, it can be quite challenging for many. This presentation will discuss all of the steps necessary to fabricate amazing, life like veneers and when to utilize them.

After completing this course, participants should be better able to do:

- veneer preparation design
- veneer provisional techniques
- veneer try-in and cementation
- legal documentation

ON THE BACK!**

Afternoon Lecture - Smart Practices For Your Practice

The individual practice of dentistry is in transition now more than ever. Delivering exceptional care requires the entire team to share the same philosophy and commitment to individual dental care, procedures, and techniques, obtaining more new patients and improving one's revenue. This program discusses modern procedures, materials and technologies that help navigate these changing times so that you can offer better dentistry and increase your treatment opportunities. Modern diagnostic devices and materials to restore teeth with minimal to no intervention along with current concepts in composites and adhesives will be presented. Cosmetic elective procedures will be discussed and how to be more efficient at all aspects of indirect crown and veneer cases. Many different technologies and tools will be presented so that in addition to being able to provide better dental treatment you and the entire staff can be more successful at all aspects of running a dental practice.

After completing this course, participants should be better able to do:

- New diagnostic devices.
- The latest in restorative materials and techniques
- Evaluating and implementing modern dental technology
- Elective dental procedures that people are willing to pay for
- Tips on avoiding complications and post operative discomfort
- Running a consistent experience with modern business technology, software tools and the internet
- Decrease your overhead and improve your income with new software, and so much more...

ABOUT THE PRESENTER

Todd C. Snyder, DDS, FAACD, FIADFE, ASDA received his doctorate in dental surgery at the UCLA School of Dentistry and trained at the F.A.C.E. institute for complex gnathological (functional) and temporomandibular joint disorders. Dr. Snyder is the 77th Accredited Fellow of the American Academy of Cosmetic Dentistry and is a Fellow of the International Academy of Dental Facial Esthetics. He is also a member of the American Society for Dental Aesthetics and a Diplomat of the American Board of Aesthetic Dentistry. Dr. Snyder has been on

the faculty at U.C.L.A. where he helped create and co direct the first (in the world) two year graduate program in Aesthetic and Cosmetic Restorative Dentistry. Dr. Snyder lectures both nationally and internationally and has been published and featured in many books and dental journals worldwide.

LSU Health New Orleans Continuing Dental Education is pleased to acknowledge BISCO, SHOFU, Kettenbach Dental, DMG, Directa Dental and Pulpdent's support for this course through an unrestricted educational grant. This support helped make this course possible. Thank you!

LSU Health New Orleans Continuing Dental Education is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.
