

the **difficult** **airway** course™ ANESTHESIA

**We know
you know airways.**

But we challenge you to be even better.

REGISTER TODAY for this advanced CME program to improve your practice in these high risk areas:

- **Difficult airway and awake intubation**
→ When & how to do a stress-free awake intubation.
- **Failed airway and open cricothyrotomy**
→ Master the “can’t intubate, can’t ventilate” scenario.
- **Safe extubation and the airway exchange catheter**
→ When & how to use this critical, but underused tool.
- **Crisis team leadership**
→ Learn techniques to gain control of the worst situations.

**INTENSIVE
IMMERSION
EXPERIENCE**

CME Credits

Hospital Physician Partners designates this live activity for a maximum of **18.5 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity. An additional **3.5 AMA PRA Category 1 Credits™** will be awarded for the Lung Separation Workshop.

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint providership of Hospital Physician Partners and Airway Management Education Center. Hospital Physician Partners is accredited by the ACCME to provide continuing medical education for physicians.

The Difficult Airway Course: Anesthesia has been approved by the **American Association of Nurse Anesthetists** for **18.5 CE credits**; Code Number 1032073; Expiration Date 11/06/16.

The Lung Separation Workshop has been approved by the **American Association of Nurse Anesthetists** for **3.5 CE credits**; Code Number 1032074; Expiration Date 11/06/16.

About Us

Airway Management Education Center was founded by Michael F. Murphy, MD, Ron M. Walls, MD and Robert C. Luten, MD in 1998. Since then, more than 24,000 physicians and advanced medical providers have taken The Difficult Airway Courses. Our faculty are renowned experts in airway management with an impressive portfolio of research and publications. They share an unparalleled passion for teaching, which translates to an extraordinary learning experience.
