Up to 20 CME Credits for Dermatologists,
TDA members

Conference location

The Taipei International Convention Center is ideally located in the heart of central Taipei and provides a vast space for scientific conferences and exhibitions alike. For details on how to reach the TICC, please visit our website.

Languages & Translation

The official language of the conference is English. Simultaneous translation will be provided in Room 1 through headphones available in exchange of a guarantee.

Recording Policy

Recording (Photographic, Video and Audio) of the sessions at IMCAS congresses is STRICTLY PROHIBITED. Violators will be banned from future meetings and their equipment will be confiscated.

Nominal Badges

IMCAS strictly complies with the criteria required for CME accreditation. This is why the access to the conferences is subject to a number of strict rules, aiming to guarantee the scientific independence of the conferences, and to preserve them from any commercial interest or influence. A precise Badge Policy has been implemented, specifying the rules related to the admittance to the different areas of IMCAS conferences.

IMCAS Badge Policy is mandatory for all participants. Its violation authorizes IMCAS Staff to take measures, and may lead to the withdrawal of the badge and the prohibition of access to the conference area. According to each participant's status (delegate, faculty, exhibitor, etc...), a corresponding barcoded badge is issued.

Badge Categories

IMCAS welcomes all professionals dealing with the world of aesthetics: physicians and all related professionals. Access to the Exhibition Hall is permitted for all badge types. Access to the Conference Rooms is dependant upon the badge type held.

Fees for full delegate registration include:

- access to all conference sessions during the 3 days (excluding Teaching Courses)
- access to the exhibition area including lunches and coffee breaks
- access to the networking cocktail
- complete program book and USB key containing all conference details

Companies and participants may copy materials for their personal use but further copy for sale or for any other commercial purpose is prohibited without prior permission of IMCAS.

Insurance

Neither the IMCAS Secretariat nor the Taipei International Convention Center accepts any liability for damages and/or losses of any kind which may be incurred by congress participants or by any persons accompanying them, during both the official conferences and social program.

Attendees may participate in all events at their own risk. Attendees are advised to take out insurance against loss, accidents or damages that could be incurred during the Congress. Verbal agreements will not be binding unless they are confirmed in writing.

Optional Teaching Courses

IMCAS Congresses offer attendees the possibility to register for optional teaching courses, providing an opportunity for in-depth exposure to specific techniques and topics. These special courses require additional fees. Given the limited number of seats, please, register early before your course selections sell out!

Multimedia Station

Scientific lectures in electronic format (e-papers) can be viewed here, offering the possibility to send personalized emails to the authors and exchange ideas. Computers are provided at the multimedia station to enable participants to browse the web and to access IMCAS Academy to watch videos from other congresses.

Scientific Poster Session

Posters will be displayed in a dedicated area of the conference venue and will be accessible to attendees at any time for the duration of the congress period. The poster session will be held on Saturday, July 30 at lunch time (1 pm) enabling contributors to present their work and for attendees to be able to meet the authors.

Accommodation

IMCAS is delighted to partner with the Grand Hyatt Taipei to offer you discounted rates on your accommodation during the conference. Once registered for the conference, you will receive a promotional code on your confirmation letter that you can use when booking online. Please go to <http://taipei.grand.hyatt.com/en/hotel/home.html> to reserve your accommodation.

Local Information

Taipei is the political, economical and cultural center of Taiwan and a major business hub in the Chinese-speaking world. The city is reputed for being a 'global city' and is home to world-famous architectural and cultural landmarks such as Taipei 101, which was once the tallest building in the world. Taipei enjoys a subtropical climate, which is characterized by long hot and humid summers. The average temperature in July and August is 29°C/85.3°F and frequent rain showers occur in these months.

The local time zone is UTC/GMT +8 hours

The local voltage is 110-220 volts with North American two-pin power plugs.

The local currency is New Taiwanese Dollars (NTD). The current exchange rate, as of 7 April 2016, is 1 USD = 32.41 NTD

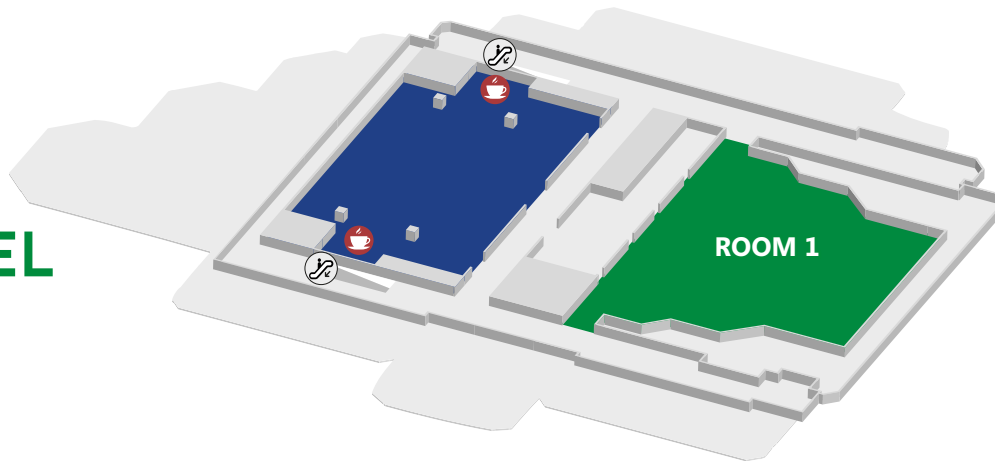

Visa and Entry Requirements

Most foreign visitors require a visa to enter Taiwan, although some nationalities are eligible for the visa exemption program. For more information, please contact the Taiwan Embassy or Consulate closest to your place of residence.

WELCOME TO TAIPEI

Dear colleagues,

We are delighted to welcome you to the cosmopolitan city of Taipei for the tenth anniversary edition of IMCAS Asia. This is the first time that the island nation of Taiwan will play host to an IMCAS congress, bringing together practitioners from across the Asia-Pacific region for informative and engaging exchanges.

There will be a real emphasis on Asian preferences and particularities in all sessions, while the expert international speakers from across the globe will bring a comparative approach to both invasive and non-invasive procedures. Whether your interests lie in injectables, lasers and EBD, and cosmeceuticals, or breast, body and face surgery, IMCAS Asia will provide ample opportunity to learn about the latest devices, procedures and techniques in all of these areas.

Meeting and exchanging with peers and the industry is also a key part of any educational conference and IMCAS Asia will not disappoint! Join the Networking Cocktail and Gala Dinner to mingle informally with other attendees and visit all three levels of the exhibition to meet the best established and new companies in the medical aesthetic arena.

Be part of IMCAS Asia 2016 and join us for this new adventure!

The IMCAS Asia Scientific Board

尊敬的各位同仁：

我們誠摯歡迎您前來國際大都市臺北參加第十屆英卡思亞洲年會。台灣首次作為英卡思亞洲年會的舉辦地，熱誠迎接亞太地區和全球著名整形外科和美容皮膚科醫師們，促成知識的交流分享。

本屆年會將設立主場同聲傳譯，匯聚同業醫師們的閃亮治療技術和研究心得，傳授給與會者並彼此交流。所有的學術專場皆著重於亞洲人群形態特點的研究和治療，來自歐美的醫師們將呈現不同人群形態的對比治療，包括侵入性和非侵入性療法。

無論您的興趣在於針劑注射、激光、光聲電儀，還是醫藥護膚品，或者各種美容外科手術：隆胸、抽脂、面部或軀體的脂肪填充，英卡思亞洲年會都將滿足您的學習願望，並通過企業會展為您帶來獲得新技術和新設備的機會。

英卡思亞洲年會同時推出社交活動，包括聯誼酒會和歡迎晚宴。您將在各項活動中與同仁相會交流，並有機會認識新夥伴。

英卡思2016亞洲年會將給您帶來無數驚喜！

英卡思亞洲年會主委會

A MESSAGE FROM COURSE COORDINATOR DR PATRICK PO HAN HUANG:

Taiwan has been the hub of East Asia since 400 years ago. When European sailors discovered the beautiful island "Ilha Formosa", they put Taiwan on many European maps. There have been many cultural exchanges and merges in this small island, namely, Taiwanese aborigines, Dutch, Spanish, Han Chinese and Japanese. The distances from Taipei to Seoul, Tokyo, Shanghai, Manila, and Singapore are only around 3 hours flight. The pivotal role of Taiwan in this area is even more important politically and economically.

Taiwanese dermatologists and plastic surgeons are well-known for their achievements in aesthetic dermatology and cosmetic surgery. There are so many well-known dermatologists giving fantastic lectures and education to enhance the standards of aesthetic dermatology in Asia and China. There are also many world-class plastic surgeons and training centers for overseas plastic surgeons in Taiwan. In addition to the great local speakers, IMCAS Asia will also bring you many top key-opinion leaders from many countries.

IMCAS Asia 2016 will be delivered in English and Mandarin. All experts will bring the most updated techniques, innovations and cutting-edge concepts in invasive and minimally-invasive procedures to the international attendees who are interested in Asian preferences and particularities in the real Asian aesthetic world. The Taiwanese Dermatological Association (TDA), Taiwanese Society for Plastic Surgery (TSPS) and Taiwan Academy of Facial Plastic and Reconstructive Surgery (TAFPRS) will work together closely for the first ever IMCAS Asia in Taiwan.

Body surgery 形體手術

Find out about the best procedures for reshaping and reducing fat in all body parts, using surgical techniques to achieve the best results. Learn about the best techniques to use for surgical body contouring and explore the different approaches to male versus female treatments. 以外科手術技術減少身體各部分多餘脂肪，達到最佳體態效果，探索對於男性和女性不同體態的治療。

Session 10 on Friday

Session 19 on Saturday

Cadaver anatomy 人體解剖

Don't miss our cadaver and injection workshop for an unparalleled study of anatomy through live dissections of cadavers and live injectable procedures performed on patients. See the best techniques for different parts of the face and learn how to avoid complications. 英卡思旗艦課程，從現場屍體解剖和對患者的注射中學到對於面部及軀體各部位的不同注射法，及如何避免併發症和炎症等。

Session 4 on Friday

Cosmeceuticals 醫學護膚品

A half-day course is dedicated to looking at this growing sector, exploring the science behind the hype. Sessions will cover the fundamentals in the field, as well as focusing on the appropriate products for acne treatment, skin whitening and more in Asian populations.

半天醫學護膚品專場涵蓋基礎醫療知識和醫學美白及治療痤瘡的醫療產品研究，探索醫藥護膚品背後的循証醫學，專注亞洲人群皮膚康復。

Room 2 on Friday

Breast surgery 乳房整形手術

Breast augmentation continues to be one of the most in-demand procedures worldwide so it's essential for plastic surgeons to constantly update themselves on the latest developments in the field. Compare the advantages of implants and fat and explore the limitations of mastopexy. 美乳手術始終是全球需求量最大的美容手術之一，也是整形外科醫師必須不斷進階的技術內容。探索假體和脂肪豐胸的不同技術及侷限。

Session 9 on Friday

Session 31 on Saturday

Teaching Course 7 on Saturday

Clinical dermatology

皮膚疾病治療

A Teaching Course dedicated to clinical dermatology will enable you to explore the latest treatment advances for a variety of pathological indications such as skin cancer, psoriasis and rosacea.

一項教學課程專注於教授如何針對諸如皮膚癌、瘙癢症及玫瑰痤瘡等各種皮膚疾病的治療。

Teaching Course 2 on Friday

Face surgery 面部整形手術

Face surgery will be a key theme in several sessions: the anatomy of the upper, lower and midface, and techniques in neck and nose rejuvenation, with a session dedicated to performing rhinoplasty on the Asian nose. Take the additional teaching course on rhinoplasty for a concentrated look at the best techniques, tips and tricks from international experts in the procedure.

這項手術涵蓋多場會議，如上、中、下面部提升手術和注射美容，鼻整形，分置於學術會議和教學課程中，針對亞洲人群面部特徵，探討手術方案和技巧。

Session 11 on Friday

Sessions 27 – 30 on Saturday

Session 47 on Sunday

Teaching Course 3 on Friday

Genital treatments 生殖道整形

Intimate female rejuvenation is increasing in popularity around the world. Take the opportunity to gain an in depth introduction to this topic with experts sharing their experiences in both surgical and non-surgical rejuvenation techniques.

女性私密整形在全球悄然升溫，請從專家的實踐經驗中汲取手術和非侵入式年輕化治療。

Session 8 on Friday

Session 32 on Saturday

Laser & EBD 激光 & 光聲電儀

Hear about the latest advances in laser and energy-based devices; which approach to adopt in skin tightening and combining treatments. Sessions will look at the use of lasers in treating pigmentation, tattoo removal and specific complications in Asian skin, as well as radiofrequency and microneedling.

聽取最新鐳射和光聲電儀產品特點和治療技術：緊膚和聯合治療。會議包括針對色素疾患、痤瘡疤痕、去紋身及併發症預防。

Sessions 1 – 3 on Friday

Sessions 18 and 25 on Saturday

Room 2 on Sunday

Teaching Courses 1 and 5

Regenerative medicine and lipofilling

再生醫學和脂肪移植

Inform yourself on lipofilling in different areas of the body, with two sessions that take separate looks at performing the procedure in the face, body and breast.

Experts will focus on techniques using fat grafting in reconstructive breast surgery and facial contouring. An additional session will dive into the many uses of PRP. 軀體各個部位進行脂肪移植的可能性和操作性，包括面部、乳房和臀部的脂肪移植，專家同時介紹富血漿的臨床研究和應用。

Sessions 48 – 51 on Sunday

Injectables 針劑注射

Toxin and filler injections are incredibly popular around the world. There are plenty of opportunities to learn about injecting many different parts of the body along with comprehensive sessions dedicated to managing complications. A special emphasis will be put on giving Asian patients the outcomes that they desire.

肉毒毒素和填充劑注射是全球熱門醫美手段。會議中大量課程就全面綜合治療及如何避免併發症進行探討，尤其針對亞洲人群的形體特徵提供相應療法。

Sessions 4 and 5 on Friday

Room 1 on Saturday and Sunday

Teaching Course 4 on Saturday

Professional business

醫療實踐管理

Marketing, digital communication and practice management are the focus of several sessions, making up the complementary set of skills required for successful aesthetic practice. We take a special look at the Asian fake market in 2016 along with issues in medical ethics. Don't miss the economic tribute on Friday for insights into the future market trends in Asia.

市場營銷，數字媒體等聚焦在相應的會議中，為實現診所成功營銷獻計獻策。大會同時提供2016醫美假貨市場分析，時刻提醒業界良心。不要忘記週五的亞太地區產業論壇，它將指出未來的醫美市場趨向。

Session 6 on Friday

Sessions 20 – 22 on Saturday

Suspending devices 塑形線

Thread lifts and suspending devices are becoming increasingly popular among patients, so take the opportunity to hear insights into facial contouring, enhancing the tissue network, avoiding complications and the latest developments in the field. For an in-depth look at suspending devices with experts, opt for the specific teaching course.

埋線提升已經成為微整形的寵兒項目，來聽一聽專家們如何利用塑形線進行面部輪廓的改善並如何避免併發症。進一步的技術學習將在教學課程中提供。

Organized with the collaboration of the GRIRG (Genital Restoration Innovative Research Group)
 Module Director : Nicolas BERRENI, Bernard MOLE, GRIRG President

FEMALE INTIMATE TREATMENTS VIDEO TEACHING MODULE Surgical & non-Surgical

If you are considering introducing intimate treatments to your practice, or if you are well practiced in the field but want to update yourself with the very latest techniques, this Teaching Module is for you.

Split into three parts, this innovative course will provide a comprehensive video-based overview of enhancing the functional and aesthetic aspects of the female genital region. Discover the best techniques for surgical rejuvenation and explore the many existing and cutting-edge options for non-surgical enhancement.

SATURDAY
ROOM 5 FROM 3 PM TO 6:30 PM
PART 1: SURGERY
PART 2: LIGHTS, LASERS, RF
PART 3: INJECTABLES, LIPOFILLING

*Don't miss Session 7 on Friday in Room 4
 from 9:30 to 10:30 AM for more expert tips on
 this exciting topic.*
