Hard Problems, New Solutions

Join us as an event sponsor and get your name in front of the right audience at the Coalition for Compassionate Care of California's **17th Annual Summit!**

As a sponsor of California's premier serious illness conference, your organization is viewed as a leader in the mission to improve person-centered care for all seriously ill Californians. Your organization will receive name recognition leading up to the Summit and throughout the two-day event.

With up to 300 attendees expected, your organization will be in front of healthcare system leaders and administrators, clinicians, educators, chaplains, policy makers, and engaged community members dedicated to making palliative care a part of everyday healthcare.

From executive-level leadership to frontline practitioners, participants are committed to sharing and learning best practices to improve care for adults and children facing serious illness or nearing the end of life.

Sponsorship of this premier conference will promote your organization and raise your exposure among major thought leaders devoted to improving the culture of healthcare for everyone.

For more information, contact Summit@CoalitionCCC.org or (916) 489-2222.
