4th European Conference on Pharmaceutics

Advanced technologies enabling new therapies

20 - 21 March 2023, Marseille, France

Dear Colleague,

Following the great success of the last three European Conferences, which were held in Reims, Krakow and Bologna it is our great pleasure to announce the fourth congress of this new series of international meetings, which will be held in Marseille, France, on 20 - 21 March 2023. It will be dedicated to „Advanced technologies enabling new therapies“.

The European Conferences on Pharmaceutics are held every two years (in March/April of the uneven years). They are jointly organized by the A.D.R.I.T.E.L.F. ("Italian Association of Pharmaceutical Technology and Law"), APGI ("International Society of Drug Delivery Sciences and Technology") and APV ("International Association for Pharmaceutical Technology").

The aim is to help bridging the gap between fundamental academic research and industrial applications, offering the opportunity to initiate fruitful exchange and cooperation between university and industry. The conference will be a perfect occasion for young as well as for established scientists from academia and industry from all over the world to present their work, network, discuss newest scientific findings and to share their experience with colleagues.

Hot topic session

- Oral drug delivery
- In-silicio simulations
- Advanced therapies
- Personalised medicines

World-wide leading experts in the field will give plenary lectures and invited talks on hot topics. They will give overviews on the current state of the art in the respective domains and outlooks on future perspectives. In addition, latest research findings will be presented in the form of short talks, selected from submitted abstracts. Furthermore, poster presentations will give the opportunity to get an update on the most recent research in pharmaceutics and to personally exchange with the authors.

An industrial exhibition will accompany the conference and allow learning about the latest trends and newest products in the area of pharmaceutical ingredients, developing & processing equipment, analytical technologies, medicinal products, medical devices, contract manufacturing and many other fields.

All coffee and lunch breaks as well as the welcome reception will be included in the registration fees and be held in the industrial exhibition and poster presentation area in order to facilitate discussions between participants, exhibitors and presenters.

We are looking forward to seeing you at the 4th European Conference on Pharmaceutics in Marseille in 2023.

Paolo Calicetti
President ADRITELF

Juergen Siepmann
President APGI

Jörg Breitzkreutz
President APV

Programme committee

Chair of the programme committee

Amélie Bochot, Universit of Paris-Sud, France

Programme committee

Jörg Breitzkreutz, University of Duesseldorf, Germany
Anna-Maria Fadda, University of Cagliari, Italy
Paola Minghetti, University of Milan, Italy
Juergen Siepmann, University of Lille, France
Florian Unger, Bayer, Germany

Programme

Monday, 20 March 2023

09:00 – 09:30	opening session		
09:30 – 10:30	plenary lecture		
10:30 – 11:00	coffee break		
11:00 – 13:00	short talks	invited talks	posters
13:00 – 15:00	lunch		
15:00 – 17:00	short talks	invited talks	
17:00 – 19:00	welcome reception		

09:00 Opening ceremony

Plenary lecture

09:30 Digital health and treatments of the future
Saso Jezernik, Takeda, Zurich, Switzerland

10:30 Coffee/exhibition/posters

Invited talks: Oral drug delivery

11:00 GUT physiology is important for poorly soluble drugs
Patrick Augustijns, University of Leuven, Belgium

11:40 How to formulate poorly soluble drugs?
Svetlana Ibric, University of Belgrade, Serbia

12:20 Oral Peptide Delivery: A Realistic View
Stephen Buckley, Novo Nordisk, Copenhagen, Denmark

13:00 Lunch/exhibition/posters

Invited talks: Advanced therapies

15:00 Nanomedicine for RNA delivery: where are we?
Giuseppe de Rosa, University of Naples, Italy

15:40 Tissue engineering in 20213
Catherine Le Visage, University of Nantes, France

16:20 Advances in bioprinting
Lutz Kloeke, Cellbricks, Berlin, Germany

17:00 Welcome reception

Tuesday, 21 March 2023

09:00 – 11:00	short talks	invited talks		
11:00 – 11:30	coffee break			
11:30 – 12:00	awards		posters	exhibition
12:00 – 13:00	plenary lecture			
13:00 – 15:00	lunch			
15:00 – 17:00	short talks	invited talks		

Invited talks: In-silico simulations

09:00 In-silico simulations from a regulatory perspective
Giulio Vistoli, University of Milan, Italy

09:40 Modeling and simulation in support of drug product development
Nikoletta Fotaki, University of Bath, United Kingdom

10:20 Digital twins: fully virtual equipment
Andrew Whytock, Siemens, Germany

11:00 Coffee/exhibition/posters

11:30 Awards

Plenary lecture

11:45 The role of liposomes in clinical nanomedicine development
Gert Storm, University of Utrecht, The Netherlands

12:45 Lunch/exhibition/posters

Invited talks: Personalised medicines

15:00 Personalized medicines from a clinical perspective
speaker tbc

15:40 The Kymriah story
speaker tbc

16:20 Economic impact of personalised medicine
speaker tbc

17:00 End of conference

Abstract submission

Online submission

Abstracts can only be submitted online and only in pdf format. You can find a word template on our website. Submission will be open from 01 September 2022.

Please submit your abstract until 15 November 2022.

Submitted abstracts will be presented from 20 - 21 March 2023 either orally or in poster form.

Acceptance of abstracts

Authors will be notified of acceptance of their short paper and the type of presentation (oral or poster) by the end of December 2022.

Oral presentations

The time limit for oral contributions will be exactly 10 minutes including discussion. Authors can make use of video projection.

Posters

Posters will be presented during special sessions. Please bring a poster with the size of DIN A0 (approx. 85cmx120cm portrait format).

More information

Please find further information on abstract submission on our website:

www.europeanmeeting.org/home/abstract-submission

Accompanying exhibition

We invite you to join this state-of-the-art industrial exhibition

Take advantage of this great event to showcase your company and your products to a very versatile and international audience!

Coffee and lunch breaks as well as the welcome reception are included in the registration fee and will be integrated in the exhibition/poster area to create as much networking opportunities around the booths as possible.

Sponsoring

The European Conference gives young researchers a perfect stage to present their work. Poster presentations, lectures and discussions help to promote their research findings and careers. Therefore we would highly appreciate if your company could contribute to the meeting as a sponsor. The attractive sponsorship packages spotlight your company and your products.

Our support structure offers you a variety of packages starting from 500.00 € and can be customised by choosing different options. More information on our sponsoring opportunities can be found on our website:
www.europeanmeeting.org/home/exhibition-sponsoring.

If you wish to know more about the sponsorship opportunities or if you desire to book an advertising possibility tailored to your specification, please do not hesitate to contact:

Anna-Maria Pötzl

phone: +49 6131 9769 10
