

6 CE Credits

The Root Canal Journey - From Diagnosis to Obturation

December 13, 2024 | 8:00 AM - 3:00 PM ET

The Westin Atlanta Perimeter North
7 Concourse Pkwy, Atlanta, GA 30328

Cost: \$199
Kerr provides all course materials.

A comprehensive didactic and hands on course that covers diagnosis, access, shaping and obturation utilizing the latest clinical concepts and materials. In addition, there will be many clinical cases discussed and analyzed.

Learning Objectives:

Participants will leave this course with a better grasp and understanding of what it takes to do successful endodontic treatment. The course will offer a hands on opportunity to learn and explore new skills along with a peer led discussion focused on navigating the obstacles one encounters in doing endodontics in our practices.

Presented by: Dr. Thomas Jovicich

Dr Jovicich is the owner of West Valley Endodontic Group located in Encino CA. He has been in clinical practice since 1988. Over the years he has been on the faculty at USC School of Dentistry and UCLA School of Dentistry, both in the undergraduate and graduate endodontics departments. In addition, Dr Jovicich has been on the advisory board for Sybron Endodontics, Kerr Endodontics. He has helped developed and test numerous instruments and protocols in modern endodontics. Dr Jovicich has published numerous articles on clinical concepts and techniques in Endodontics. Dr Jovicich has lectured around the world. He has been teaching and helping others in the endodontic field for over twenty years. In his spare time, he is an avid hiker, skier and private pilot along with being the father of two college aged children.
