## Event Summary:

The International Paediatric Dermatology Conference, taking place on 10-12 of May in Dubai, UAE, provides three days of robust discussions on the most effective strategies related to diagnosis, prevention and management of common paediatric dermatological conditions as well as explores new ideas and concepts related to the field. Regional and international experts will gather along to give the latest updates in the field.

The meeting will encompass a rich program of interactive sessions that will discuss exciting topics such as Genetics, Atopic Dermatitis, Psoriasis, Fungal and Bacterial skin infections, Acne, Hair diseases and other hot topics through interactive presentations, panel discussions, real clinical cases scenarios and practical workshops.

## Call for abstracts for The International Paediatric Dermatology Awards:

If you have an outstanding research or case study that you wish to present as a poster to the Paediatric Dermatology community during The International Paediatric Dermatology Conference, we invite you to submit your abstract and take part by sharing your ideas and best practices.

### Submission

Visit [www.paediaderma.com](http://www.paediaderma.com) to download the Submission Form and send it with your abstract details to [speakers@paediaderma.com](mailto:speakers@paediaderma.com) and [info@paediaderma.com](mailto:info@paediaderma.com)

**For submission, please visit:**  
[www.paediaderma.com](http://www.paediaderma.com)

## Get Awarded

The first three winners will be awarded at the conference and the first winner gets 500 USD

**Call for Abstract deadline:**  
30 March 2018

## Call for Speakers

Submit your abstract for The Case Presentations Session. Deadline is 15 April 2018

## Who Should Attend?

- Paediatricians
- Paediatric dermatologists
- Dermatologists
- GP and Family medicine doctors
- Public Health and Government officials

## Start knowledge sharing and networking before the congress
