Dear Colleague:

On behalf of the American Academy of Clinical Psychiatrists and CURRENT PSYCHIATRY we are pleased to present our 2016 Psychiatry Update Encore presentation.

This highly practical, educational meeting will offer 2.5 days of clinically useful information and up to 18 CME Credits, including your entire year's ABPN SA requirement, plus credit toward your MOC.

In our interactive, learning-focused format, nationally renowned faculty will provide best practice information specifically designed to address the everyday challenges of improving outcomes for your patients.

As always, our meeting offers an outstanding opportunity for peer-to-peer learning and networking. With question and answers allotted for every session, there is ample time to share best practices and find solutions to your most difficult clinical challenges.

Buoyed by the success of our annual meetings, which have seen participation grow 6-fold in just a few short years, the AACP is poised to become a major presence in the field. We invite you to join us by becoming an AACP member!

AACP members enjoy many benefits, including a \$100 discount to attend the Psychiatry Update in either Chicago or Las Vegas. Visit AACP.com for complete details.

We hope you can join us in Las Vegas.

Richard Balon, MD
Meeting Co-Chair

ACCREDITATION INFORMATION

The American Board of Psychiatry and Neurology has reviewed the Current Psychiatry/AACP 2016 Psychiatry Update Encore Presentation and has approved this program as part of a comprehensive CME program, which is mandated by the ABMS as a necessary component of maintenance of certification (MOC). The activity awards 18 AMA PRA Category 1 Credits™ and 8 Self-Assessment Category 1 CME credits.

Who Should Attend: This activity is designed for general, pediatric and adolescent and geriatric psychiatrists, nurse practitioners, physician assistants, nurses, psychologists, social workers and other mental health professionals interested in treating patients with ADHD, Anxiety Disorders, Depression, Autism Spectrum Disorders, Substance Abuse, Psychotic Disorders, Pregnancy/Women's Health, Geriatric Issues, or Sleep Disorders.

ACCREDITATION

Physician Accreditation: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the University of Cincinnati and Global Academy for Medical Education, Inc. The University of Cincinnati is accredited by the ACCME to provide continuing medical education for physicians.

Physician Credit Designation: The University of Cincinnati designates this Live Activity for a maximum of 18 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants Credit Designation: The American Academy of Physician Assistants (AAPA) accepts Category 1 CME approval from organizations accredited by the ACCME to grant Category 1 hours toward the PRA.

Nurse Practitioners: The American Academy of Nurse Practitioners (AANP) accepts AMA PRA Category 1 Credits™ from organizations accredited by the ACCME.

- Managing the Difficult Child
- Psychotic Disorders
- Pregnancy and Women's Health
- Geriatric Issues
- ADHD
- Sleep Disorders
- PTSD
- Mood Disorders

LEARNING OBJECTIVES

At the conclusion of this activity, participants should be able to:

- Recognize overlapping symptoms and devise an approach to address the individual patient's comorbidities
- Examine current standards in the diagnosis and treatment of sleep, anxiety, and autism spectrum disorder; depression, schizophrenia, PTSD, ADHD, substance abuse and mild cognitive impairment
- Raise awareness among psychiatrists and MHPs on current clinical evidence so they can counsel patients on the risks vs benefits of pharmacologic therapy for managing various psychiatric disorders/diseases
