

Renaissance Amsterdam Hotel sits just a short walk from Central Station, and is situated in the historic city center of charming Amsterdam. This contemporary hotel offers a warm and welcoming lobby and comfortable guest accommodations.

The lounge bar 2B and the Italian restaurant Scossa, offers the opportunity for travelers to mingle, socialize, eat and relax. Guest rooms feature amenities such as high-speed Internet, LCD TV, alarm clock, coffee maker/tea service, iron/board, mini-fridge, safe, hair dryer and more. Deluxe rooms offer 1 Queen or 2 Twin beds (max occupancy of 2 people), family rooms offer 2 Double beds (maximum of 4 people), and Club Level rooms offer 1 Queen bed or 2 Twin beds (max occupancy 2 people). Club Level guests also enjoy private lounge access for breakfast, sips, bites, and business.

The hotel is located approximately 11 miles from the Amsterdam Airport Schiphol (AMS) and 27 miles from the Rotterdam The Hague Airport (RTM).

HOTEL RATES: Group room rates include 6% VAT, daily continental breakfast, and guest room internet access. Rates do not include €3.50 per person, per stay porterage fee, and 5% city tax. Children under 12 years old are free sharing with an adult. Add €8 for one children's breakfast per day. **Breakfast NOT served at the meeting. Breakfast is served from 6:30am-10:30am in the hotel's Club Lounge.**

Deluxe Room: 1 Queen Bed or 2 Twin Beds (2 max occ.)
• €259 Single Occupancy • €279 Double Occupancy

Family Room (4 max occ.)
• €269 Single Occupancy • €289 Double Occupancy

Club Room: 1 King Bed or 2 Twin Beds (2 max occ.)
Rate includes additional amenities.

• €309 Single Occupancy • €329 Double Occupancy

DEPOSIT REQUIRED: 2 nights deposit plus tax. Rate and availability not guaranteed until deposit received.

CANCELLATIONS: Cancellations of room reservations accepted without penalty until 7 days prior to arrival. Cancellations of room reservations inside of 7 days of arrival will be charged for 2 nights stay plus tax. No exceptions for any reason. **Travel insurance is recommended.**

COURSE DIRECTOR: Mark T. Murphy, MD, MSN Education, Austin, Texas, and Medical Director, Northwest Anesthesia Seminars, Pasco, Washington

TARGET AUDIENCE: This course is designed for physicians, certified registered nurse anesthetists, physician assistants, nurse practitioners, registered nurses and other medical care providers who must maintain state-of-the-art knowledge of the specialty or are impacted by it.

PROGRAM PURPOSE: The practitioner of anesthesiology must possess the scientific background for clinical practice; maintain state-of-the-art knowledge of not only the specialty, but also of all additional related disciplines which may impact it; maintain an up-to-the-minute armamentarium of knowledge and skills for the selection and use of complex equipment, pharmacological agents, and procedures necessary for the provision of quality patient care; manage self and colleagues to function toward common goals in the clinical setting, the clinical and educational institutions, and the community in which the practice resides; serve as an expert in matters involving health care delivery; serve as an informed manager of clinical and educational services provided, including the acquisition and distribution of resources necessary in meeting professional goals; and provide assistance with and support of other service providers, departments, institutions, and organizations dependent upon the professional expertise of the practitioner. Presentations are designed to facilitate the physician, nurse specialist, and other providers maintaining skills of the same kind to review and update knowledge and abilities in one or more of these areas vital to the practicing professional.

OBJECTIVES: At the conclusion of this activity, the participant will be able to:

Apply the pertinent physical and behavioral sciences—to include but not be limited to advanced anatomy and physiology, pathophysiology, chemistry, physics, psychology, and social sciences—as they impact and are affected by the planning, delivery, and monitoring of anesthesia and related services inherent in the anesthesia professions.

Explain the selection, dosing considerations with methods of administration, safe use, and contraindications and precautions of presented pharmacological agents through the understanding of their physicochemical properties, pharmacokinetics and pharmacodynamics, updated uses, and more recently developed additional, related, and similar drugs.

Outline comprehensive management plans for the group of patients discussed, whether related in age, physical status, cultural background, invasive procedure, anesthetic or analgesic requirements, clinical setting, adverse reactions, and/or goals of care.

Apply the principles of safety and asepsis in the performance of anesthetic procedures and administrations, equipment use, and other applications encountered during the provision of anesthesia and analgesia whether in the surgical unit, the labor and delivery suite, the pain management clinic, or other more remote location of anesthetizing services.

Incorporate the appropriate recommendations and/or requirements of pertinent external organizations, institutions, and professional groups—recognized as serving as the authority for and/or holding the responsibility to compile and approve such tenets—in the provision of anesthesia and related services, whether medical, legal, philosophical, ethical, or health care management standards.

Apply the new techniques in the clinical setting of the participant.

ACCREDITATION: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health and Northwest Anesthesia Seminars. The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health is accredited by the ACCME to provide continuing medical education for physicians.

The A. Webb Roberts Center for Continuing Medical Education of Baylor Scott & White Health designates this live activity for a maximum of 20 *AMA PRA Category I Credit(s)*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Board of Anesthesiology: CME credit will be sent directly to The American Board of Anesthesiology to fulfill the Part 2 requirement for the Maintenance of Certification in Anesthesiology Program (MOCA®).

Canadian Physicians: This activity is eligible for Section 1 credits in the Royal College's Maintenance of Certification (MOC) Program. Participants must log into MAINPORT to claim this activity.

Certified Registered Nurse Anesthetists: This program has been prior approved by the AANA for 20 CEC; AANA Code #1034589; Expiration date 5/25/18.

Nurse Practitioners: The American Academy of Nurse Practitioners Certification Program (AANPCP) and the American Nurses Credentialing Center (ANCC) accept CME from organizations accredited by the ACCME.

Osteopathic Physicians: This program is eligible for Category 2 credit with the American Osteopathic Association (AOA).

Physician Assistants: The American Academy of Physician Assistants (AAPA) accepts certificates of participation for educational activities certified for *AMA PRA Category I Credit*™ from organizations accredited by ACCME or a recognized state medical society. Physician assistants may receive a maximum of 20 hours of Category I credit for completing this program.

Registered Nurses: NWAS is an approved provider for the following state nursing boards: California Board of Registered Nursing (Provider Number 4833), District of Columbia Board of Nursing (Provider Number 50-7480), Florida Board of Nursing (Provider Number 50-7480), Georgia Board of Nursing (Provider Number 50-7480), and the South Carolina Board of Nursing (Provider Number 50-7480). This program offers 20 contact hours.

†Pharmacology hours subject to change.

Amsterdam is often referred to as one of the most colorful cities in the world. Where else can you find so many famous museums, cozy pubs, fun shops, and flower markets? Visit the 350-year-old Royal Palace, the City Hall of Amsterdam to enjoy magnificent paintings and delicate sculptures. The Van Gogh Museum is also a unique experience where you can see the most Vincent van Gogh paintings under one roof.

When the diamond trade was introduced to Amsterdam in the 16th century, this city developed into one of the world's most important diamond centers. After World War II, almost nothing remained of this, but now the diamond trade attracts millions of tourists and buyers from around the world. Watch as diamond merchants give demonstrations in diamond cutting. Be sure to visit Artis, the oldest zoo in The Netherlands. Here you can view animals from all parts of the world, and explore the Geological Museum, the Zoological Museum, the Plant Houses, the Aquarium or the Planetarium. Another important landmark here is the Anne Frank House, the hiding place where Anne Frank wrote her famous diary during World War II.

For a refreshing view of Amsterdam, why not visit the Heineken Reception Center? Afterward, jump aboard a canal cruise where calm waterways shaded in green foliage reflect five centuries of architectural glory. Evenings are an extra special experience while taking a candlelight cruise.

We have a block of rooms for seminar participants. Once this block is sold, rooms are based upon availability only and may be at a higher rate. To make reservations, please visit our website: www.nwas.com or call (800) 222-6927.

Call Universal Travel for your airfare needs. Be sure to mention Northwest Anesthesia Seminars when booking. Booking fee applies. Contact Kellee Kilmer: Phone: (858) 456-7887 or E-mail: kellee@universaltravel1.com

Rev. 8/17/17

SCHEDULE

Monday, May 21

0730	Registration – Mandatory Sign In*	
0755	Welcome	NWAS Staff
0800	Update on Resuscitation of the Trauma Patient	T.Grissom
0900	Airway Management in the Trauma Patient: Dogma and Controversy	T.Grissom
1000	Break	
1015	Enhanced Recovery After Surgery (ERAS): Anesthesia Optimization	J.Leslie
1115	Checklists for Anesthesia Practitioners: No Brainers?	J.Leslie
1215	Cardinal Skills for Comprehensive EKG Interpretation	M.Kossick
1315	Adjourn	

Tuesday, May 22

0745	Registration – Mandatory Sign In*	
0800	EKG Lead Configuration, Potential EKG Anatomical Mapping, and Evidence of Ischemia	M.Kossick
0900	Understanding the Pros and Cons of Computerized ST Segment Analysis	M.Kossick
1000	Break	
1015	Damage Control Radiology in Trauma: What the Anesthesia Provider Needs to Know	T.Grissom
1115	Ketamine: Sooner or Later, Everything Old Is New Again	T.Grissom
1215	Problem-Based Anesthesia: 20+ Cases When I Learned Something New!	J.Leslie
1315	Adjourn	

Wednesday, May 23 – Day Open

Thursday, May 24

0745	Registration – Mandatory Sign In*	
0800	Anesthesia for Laparoscopy	J.Leslie
0900	Prevention and Treatment of Perioperative Hypertension	J.Leslie
1000	Break	
1015	Perioperative Considerations for the Patient With Spinal Cord Injury	T.Grissom
1115	Anesthetic Considerations in the Geriatric Patient	J.Leslie
1215	Anesthesia and Alzheimer's Disease	J.Leslie
1315	Adjourn	

Friday, May 25

0745	Registration – Mandatory Sign In*	
0800	Anesthetic Considerations for Care of the Patient With Traumatic Brain Injury	T.Grissom
0900	In Search of the Perfect Clot: Management of the Actively Bleeding Patient	T.Grissom
1000	Break	
1015	Diagnostic Criteria and Clinical Implications for Axis Deviation, Hypertrophy, Bundle Branch Blocks and Hemiblocks	M.Kossick
1115	EKG Lead Selection: Does It Matter?	M.Kossick
1215	The Preop 12-Lead EKG and Prior MI: What Is the Diagnostic Criteria?	M.Kossick
1315	Adjourn	

20 CME I / 20 CEC / Pharmacology Hours TBD†

***Please plan to eat breakfast before the meeting**

Children and non-registered guests are not allowed to attend the lectures.

To register for this program and reserve your hotel room, please visit our website: www.nwas.com or call (800) 222-6927.

Northwest Anesthesia Seminars

Continuing Education for the Anesthesia Professional

Relevant Topics in Anesthesia

Amsterdam, The Netherlands

May 21–25, 2018

Baylor Scott & White
HEALTH
A. WEBB ROBERTS CENTER FOR CONTINUING MEDICAL EDUCATION

FACULTY

Thomas E. Grissom, MD, MSIS, FCCM
Associate Professor, Department of Anesthesiology
University of Maryland School of Medicine
Division of Trauma Anesthesiology
R Adams Cowley Shock Trauma Center
Baltimore, Maryland

Mark A. Kossick, DNSc, CRNA, APN
Professor

Anesthesia Simulation Education Coordinator
School of Nursing
College of Health and Human Sciences
Western Carolina University
Asheville, North Carolina

John B. Leslie, MD, MBA
Professor of Anesthesiology
Mayo Clinic College of Medicine
Phoenix, Arizona

Course Registration

18MAM

TUITION: In USD	MD/DO	CRNA/PA	RN/Others
Early <i>(Paid by 2/20/18)</i>	\$950	\$900	\$800
Regular <i>(Paid after 2/20/18)</i>	\$1000	\$950	\$850
Daily	\$255	\$243	\$218

PAYMENT METHODS:

Payment methods accepted for tuition include Visa, Mastercard, American Express, Discover, check, or money order in US funds, payable to NWAS.

SCHEDULE AND FACULTY CHANGES:

Factors beyond our control sometimes necessitate changes in the schedule and faculty. If time permits, we will inform all registrants of any changes prior to the program. Changes on site due to local conditions will be announced in class.

COURSE CANCELLATION BY PROVIDER:

We reserve the right to cancel a course for any reason. In such case, a minimum of 30 days notice will be given to those registered and 100% of tuition paid will be refunded. NWAS and NWWT will not be responsible for any non-refundable airfare, hotel, or other liabilities you may incur. **We highly recommend purchase of travel insurance. Travel at your own risk.**

COURSE CANCELLATION FEE:

\$100 March 22, 2018 to April 21, 2018. No refund after April 21, 2018; however, 50% of tuition paid may be applied toward tuition for another NWAS program within the next 12 months. **Cancellation must be made in writing.**

FAP (FREQUENT ATTENDEE POINTS):

FAP lets you accumulate points based on dollars spent with NWAS including net hotel and tuition booked through NWAS (but not air). Once you have enough points to cover a full tuition they can be redeemed for tuition (no cash value). A great program to reward you for supporting NWAS.

ERRONEOUS PRICING NOTICE:

Northwest Anesthesia Seminars, Northwest Seminars, and Northwest World Wide Travel reserves the right not to honor any published prices or coupons that it determines were erroneous due to printing, electronic, or clerical error.
