MICHAEL E. RAZZOOG- Implant & Restorative Dentistry in the Digital Age & Complete Dentures for Every Practice- 4 hrs.

Dr. Razzoog received his DDS, MS and MPH all from the University of Michigan and is currently a Professor in the Department of Prosthodontics. He has served numerous committees for organized dentistry, governmental organizations and specialty groups within the profession. Within the University he has served on the Institute of Gerontology task force and acted as the interim director of continuing education and is presently the director of graduate prosthodontics. Dr. Razzoog has served as member or chair of 73 Master of Science thesis committees in Prosthodontics, Operative Dentistry and Orthodontics. He has authored over 100 journal articles and book chapters in areas of emerging technologies for prosthodontic care and has served as an editor for the *International Workshop: Biocompatibility, Toxicity and Hypersensitivity to Alloy Systems Used in Dentistry*, *Black Dentistry in the 21st Century* and *Quality Assurance and Cost Containment of Dental Health Care*. In recent years his research interest is with the prosthetic aspects of dental implant usage and ceramic CAD/CAM technologies.

Dr. Tim Walker- X-Ray Techniques for Assistants- 2 hrs.

Dr. Walker graduated from Creighton University school dentistry in 1985. After graduation he served as dental officer in the United States Navy and returned to Omaha to set up his private practice in general dentistry. During that time, he completed all of the continuums at the prestigious LD Pankey Institute. In 2009 he was accepted into the oral maxillofacial radiology program at the University of Texas Health Science Center San Antonio. During his residency he completed two published research projects.

Dr. Walker is currently the director of radiology in the Department of Diagnostic Sciences at Creighton University School of Dentistry. He is also a reviewer for OOOO, The Journal for Craniomandibular and Sleep Practice, and The Journal of Otolaryngology, Head and Neck Surgery.

Dr. Walker is currently serving on the Board of Directors and is acting director of radiology for the Nebraska Mission of Mercy. He is also on the board of directors for the America's Dentists Care Foundation. His professional memberships include the ADA, AAOMR, IADR, and AES.

Dr. Walker's primary areas of interest outside of Oral maxillofacial radiology include motorcycle riding with his wife and flyfishing

Dr. Bryan Trump- The Colors of Oral Pathology- 3 hrs.

Dr. Bryan Trump is a Board Certified Oral & Maxillofacial Pathologist and full-time Associate Professor at The University of Utah School of Dentistry. Bryan grew up in a suburb of Salt Lake City, Utah. He attended Weber State University, where he earned a Bachelor of Science in Microbiology. His DDS is from Virginia Commonwealth University School of Dentistry, and he completed his Oral & Maxillofacial Pathology Residency as well as a Master's in Biomedical Sciences at Texas A&M University Baylor College of Dentistry. He has established a clinical

referral center focused on oral medicine at the dental school and directs Utah's first and only oral pathology biopsy service. His laboratory serves dentists throughout the intermountain West.

Dear Fellow WDA members,

The Southwest District is very excited about hosting the 106th annual meeting for the Wyoming Dental Association! We have tried to make the 2022 meeting a family friendly event and hope that the following information will entice you to consider this as a fun family outing! Bring your family, four-wheeler, dune buggy, mountain bike, fishing gear, golf clubs, shotgun, and your excitement for adventure!!!

The following recreational opportunities *require pre-registration*: Please contact Wendy Owen @ **wyodental@gmail.com or 307 237-1186** before May 01, 2022 to sign up for any or all of the following adventures!
