For more information regarding the resort/area go to www.kiawahresort.com.

**a minimum seven night stay*

***will be made available on a rate available basis*

This program is designed to provide a comprehensive review and update of both established breast imaging modalities along with advances in state-of-the-art techniques. A complete discussion — with emphasis on practical advice — of analog and digital mammography, breast ultrasound and interventional techniques will provide a strong foundation to advance to newer technologies. Identifying the role and interpretation of breast MRI will be given special attention.

EDUCATIONAL GOALS

After attending the course, participants should be able to:

- Discuss the newest techniques being utilized to diagnose and treat diseases of the breast.
- Recognize the newest techniques being implemented in breast imaging.
- Meet their yearly requirements for accreditation.

JOINT ACCREDITATION: In support of improving patient care, the Duke University Health System Department of Clinical Education & Professional Development is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the health care team.

DISCLOSURE

It is the policy of the Duke University Health System Clinical Education & Professional Development to require the disclosure of anyone who is in a position to control the content of an educational activity. All relevant financial relationships with any commercial interests and/or manufacturers must be disclosed to participants at the beginning of each activity.

CREDIT DESIGNATION: Duke University Health System Department of Clinical Education and Professional Development designates this live activity for a maximum of *18 AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only credit commensurate with the extent of their participation in the activity.

RESOLUTION OF CONFLICTS OF INTEREST: Duke University Health System Clinical Education & Professional Development has implemented a process to resolve any potential conflicts of interest for each continuing education
