Dear Colleagues,

Warm, sunny, convenient and affordable is San Diego and the location for the Society of Government Service Urologists' 64th annual Kimbrough Meeting, January 11-15, 2017 at the Sheraton Harbor Island Hotel. Topics that will be addressed include oncology, incontinence, OAB, pediatrics, trauma, reconstruction, stone disease, and endourology; as well as health care policy, coding and quality improvement. The Program Committee met during the recent AUA convention, and planning is well underway for a great seminar. The meeting should be an excellent academic opportunity to share knowledge and earn CMEs, and as always, an outstanding social event for active military, retirees, and friends of the SGSU. Please make plans to join us in January. Your spouse and/or guest and family is welcome! Further information will be distributed soon.

**Sincerely,
Hal Frazier, M.D., President**

Make your plans now!

We would like to welcome you to the 64th Annual Society of Government Service Urologists, James C. Kimbrough Urological Seminar in San Diego. We thank Dr.

Sean Stroup and our colleagues at the Naval Medical Center San Diego who assisted us in planning and use of their facility. We look forward to keeping our important traditions alive while maintaining a robust academic program this year.

The accommodations for the meeting will be at the [Sheraton San Diego Hotel Bay Tower](#), conveniently located right on San Diego Bay and across the street from the airport. In addition to engaging academics, we are planning a number of exciting social activities to make this a great meeting.

We hope to see everyone here in January!
