The world's best and brightest plastic surgeons are convening in Orlando, October 6-10!

Join us in the city where education and fun combine with just a little bit of magic!

We are excited to present you with your first look at all that's in store for you at the premier meeting of the year for plastic surgeons – Plastic Surgery The Meeting 2017. Plan now to join us in Orlando to enjoy the finest clinical education combined with practice management pearls, networking opportunities and a whole lot of fun.

Have you heard that **ALL INSTRUCTIONAL COURSES ARE FREE** this year? Even residents can schedule instructional courses when registering to create the meeting of their dreams. What's more, instructional courses also run concurrently with general sessions to give you up to 14 educational choices at any one time. More choices mean smaller course sizes, and that adds up to greater opportunity to ask questions and dig deeper into course topics with the experts of our specialty.

This year, there's more than ever to see and learn in our renowned Exhibit Hall. Be sure to schedule time to visit with the companies that help us bring you the premier meeting for plastic surgeons.

Plastic Surgery The Meeting is also about connecting with colleagues and peers and having a little fun. That's where our friends at Disney come in. You can't miss our fantastic Opening Ceremonies and Welcome Reception Friday evening at Epcot® World Showcase! We are welcoming families this year, and you and your registered guests will have exclusive access to park areas and popular rides following our inspiring Opening Ceremonies celebration.

That's just a peek at what we have planned. There's more to discover throughout this brochure and on our meeting website, **PlasticSurgeryTheMeeting.com**. Take a look, then plan your trip to join us in Orlando.

See you there!

Program Highlights & Special Events

All Instructional Courses are INCLUDED!

Plastic Surgery The Meeting 2017 offers more than 80 instructional courses – and more than half of them are brand new! All the instructional courses are included with your basic registration. You are free to enroll in as many as your schedule will allow! Taught by specialty leaders, topics range from transgender surgery and comprehensive liposuction to ear reconstruction and adding hair restoration to your practice. **See more details beginning on page 11**

Join us for Unforgettable Opening Ceremonies

The family-friendly Opening Ceremonies at the World Showcase Events Pavilion in Epcot® kicks off the meeting Friday, October 6. Enjoy world-class entertainment and hear about the incredible work accomplished by the Society and the specialty in the past year. This special event will showcase ASPS Patients of Courage: Triumph Over Adversity awards, ASPS Special Achievement awards, ASPS Year in Review, plus additional surprises you won't want to miss. **See more details on page 9**

Enjoy a Spectacular Welcome Reception at Epcot® World Showcase

The fun on Friday doesn't end once the Opening Ceremonies conclude. ASPS guests will be able to enjoy food, fun and all Epcot® World Showcase theme park has to offer including the dazzling "IllumiNations: Reflections of Earth" fireworks display and selected breathtaking rides until 11:30 p.m.

Experience Special Programming from the Disney Institute

With Plastic Surgery The Meeting 2017 in Orlando, it's only fitting that some Disney magic work its way into the programming. In addition to festivities at Epcot®, ASPS has teamed up with the world-renowned Disney Institute to take a closer look at the business end of the entertainment and customer-service powerhouse. Take a tour behind the scenes and learn new ideas you can translate into an enhanced customer experience in your practice. **See more details on page 12**

Take Your Practice To The Next Level

Do your skills as a surgeon far outweigh your practice management skills?

Not to worry—The Reboot Your Practice pre-conference workshop can help you take your business to the next level! Surgeons and office staff are invited to learn strategies to immediately improve customer relations, attract more clients, book more surgeries, hire and retain top-notch staff and boost your practice's marketing reach.

See more details on page 8

Take Advantage of Expanded Cadaver Lab Options

Our ever-popular Cadaver Labs offer you the opportunity to gain hands-on experience while guided by master surgeons of the specialty. This year there are four labs to choose from. Half-day sessions focused on Facelifts or Facial Implants, or full-day Migraine Surgery and Rhinoplasty labs are available. New this year, the master's table of each lab will also be simulcast to accommodate more participants. Hands-on or a front-row seat – the choice is yours!

See more details on page 14

Build Your Own Meeting with More Choices Than Ever

A wealth of opportunity awaits, with as many as 14 educational offerings at any one time. With more options comes more intimate sessions to enjoy greater interaction between instructors and the audience. Best of all, most registration packages include the PSEN recordings to allow you to catch up on the other sessions when you get back to the office.

OCTOBER 5-7, 2017 ORLANDO, FLORIDA

PROGRAM CHAIRS: C. Bob Basu, MD, MPH | Joshua Korman, MD | Heather Furnas, MD

IS YOUR PRACTICE THE BEST IT CAN BE?

Do your skills as a surgeon far outweigh your practice management skills?

Don't worry! Many plastic surgeons experience the same concerns you do. Your training taught you how to be an incredible surgeon, not necessarily a business owner.

ASPS is excited to partner with the American Society of Plastic Surgery Professionals (ASPSP) to create an interdisciplinary workshop to help plastic surgeons and staff build a better practice. The **Reboot Your Practice Management Workshop** will focus on the unique challenges faced by surgeons and office staff to help you analyze existing processes and develop more effective business and customer service procedures.

Who should attend: Plastic surgeons, office administrators, patient care coordinators and front office staff

What you'll learn: Strategies to immediately improve customer relations, attract more clients, book more surgeries, hire and retain top-notch staff and boost your practice's marketing reach.

SAVE \$150 when you register for both Reboot Your Practice and Plastic Surgery The Meeting.

“ We must have that “wow” factor in our offices to really compete in our markets. And we need staff that’s savvy, well-trained and consistent to advocate for your practice, optimize conversions and most importantly, enhance the patient experience and satisfaction.”

C. Bob Basu, MD, MPH, Program Co-Chair

Day 1: Thursday, October 5

A full day of interprofessional programming will help you and your team learn how to:

- Differentiate your surgeon and practice from the competition
- Market your practice using social media channels, website optimization, Adwords and more
- Develop a strategic plan to build and promote your brand
- Building out a Medispa and making it succeed

NEW FOR 2017: Join us at the Reboot Welcome Reception beginning at 5:30 p.m.

Day 2: Friday, October 6

The day starts with a joint session focused on leadership. Breakout tracks follow to focus on the different challenges facing plastic surgeons or staff.

Track 1: For the physician and office manager or practice administrator

- Morning Session: Staffing challenges from hiring to firing and providing adequate compensation
- Afternoon Session: Financial Management Strategies from starting a practice to stepping away, and all stages in between.

Track 2: For patient care coordinators, front office and sales staff

- Morning Session: Strategies for providing outstanding customer service and working well as a team
- Afternoon Session: Patient-care sales training and operational success, including navigating GPO relationships and insurance claims.

Day 3: Saturday, October 7

Thanks to a new partnership with ASPSP, the Saturday session will focus on team-based office success.

- The ASPSP Annual Business Meeting will take place during Saturday's lunch.
- Non-ASPSP members will lunch in the ASPS Exhibit Hall.
- The afternoon session for all attendees will provide updates on timely clinical topics facing plastic surgery.

Reboot Your Practice: A Practice Management Workshop
Hilton Orlando

ASPSP Members, Allied Health, Office Personnel \$825 | ASPS/ASMS Members \$925 | Guest Physicians \$995

Registrants will receive \$150 discount on registration for Plastic Surgery The Meeting 2017.

The American Society of Plastic Surgeons (ASPS) and The Plastic Surgery Foundation (PSF) are helping plastic surgeons track patient outcomes and identify safe, effective procedures and devices for their patients through the Plastic Surgery Registries Network (PSRN). The PSRN includes five registries that provide a centralized warehouse in which data for quality measurements and practice improvement activities are collected. ASPS and PSF collaborate on several PSRN registries with specialists, manufacturers and government leaders who play important roles in patient safety.

For more information on the PSRN registries, please visit www.ThePSF.org/Registries.

Also visit the Resource Center at PSTM to sign-up for any of the PSRN registries and enter for a chance to win an Amazon Gift Card!

Residents at Plastic Surgery The Meeting 2017

SRC
ASPS PLASTIC SURGERY
SENIOR RESIDENTS
CONFERENCE

ASPS PLASTIC SURGERY
**Residents
Day** PROGRAM

Thursday, October 5 and Friday, October 6 at Orange County Convention Center

Residency comes with the unique challenge of focusing on clinical education and training while preparing to launch a practice.

The ASPS Senior Residents Conference and the Residents Day Program have been developed to help take away the surprises during your transition from residency to practicing surgeon.

What You Will Learn from Veterans of the Specialty:

- Effective techniques, advice and resources to help you select the right employment model for you
- Practice management tips for hiring staff, billing and coding, and the use of social media
- Strategies to achieve work/life balance during board collection and throughout your career
- Skills for negotiating contracts with future employers, employees and insurers

AMERICAN SOCIETY OF
PLASTIC SURGEONS®

Organized in cooperation with:

YPS

AMERICAN COUNCIL
OF ACADEMIC PLASTIC SURGEONS

EDUCATIONAL PROGRAM

Orlando

INTENDED AUDIENCE

Plastic Surgery The Meeting 2017 is intended for plastic surgeons, residents and other health care professionals interested in translating expanded knowledge into practice for the improvement of patient care and outcomes.

OVERALL LEARNING OBJECTIVES

At the conclusion of this activity, participants will be able to:

- Identify current and emerging issues and advances affecting the diagnosis and delivery of treatment for plastic surgical problems and assess their potential practice applications;
- Incorporate into practice technical knowledge in state-of-the-art procedures and drug and medical device uses;
- Communicate current practice management and regulatory issues necessary for the efficient and safe delivery of patient care;
- Translate expanded knowledge into practice for the improvement of patient outcomes and satisfaction;
- Safely implement fat grafting harvesting, processing and injection techniques for the breast, face, buttocks and other areas of the body.

ACCREDITATION COUNCIL FOR GRADUATE MEDICAL EDUCATION (ACGME)/AMERICAN BOARD OF MEDICAL SPECIALTIES (ABMS) COMPETENCIES

Plastic Surgery The Meeting will address the following competencies:

- Professionalism
- Patient Care and Procedural Skills
- Medical Knowledge
- Interpersonal and Communication Skills
- Systems-Based Practice

ACCREDITATION STATEMENT

The American Society of Plastic Surgeons® (ASPS®) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

DESIGNATION STATEMENT

The American Society of Plastic Surgeons designates this live activity for a maximum of **42.25 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Of the **42.25** credits, **17.0** credits have been identified as applicable to patient safety.

DISCLOSURE POLICY

The American Society of Plastic Surgeons (ASPS) requires all faculty, authors, planners, reviewers, managers, staff, and other individuals in a position to control or influence the content of an activity to disclose all relevant financial relationships or affiliations. All identified conflicts of interest must be resolved and the educational content thoroughly vetted by ASPS for fair balance, scientific objectivity, and appropriateness of patient care recommendations. The ASPS also requires faculty/authors to disclose when off-label/unapproved uses of a product are discussed in a CME activity or included in related materials.

SENIOR RESIDENTS CONFERENCE AND RESIDENTS DAY PROGRAM

Residency comes with the unique challenge of focusing on clinical education and training while also preparing to launch a practice or finding the right fit in an existing practice or health care system. The ASPS Senior Residents Conference and the Residents Day Program have been developed to help you make sense of all your options, and take away the surprises during your transition from residency to practicing surgeon.

Veterans of the specialty will share personal experiences, provide advice on how to land a full time position and teach ways to properly set up and manage a practice. Be prepared to take the next step in your career; join ASPS at these resident-focused programs at Plastic Surgery The Meeting 2017.

What's New This Year:

Effective techniques, advice and resources to help you select the right employment model for you.

Expanded Practice Management content; more tips for using social media.

Strategies to achieve work/life balance during board collection and throughout your career.

Negotiating contracts with future employers, employees and insurers.

FINDING EXHIBITORS, PRODUCTS AND SERVICES IS EASY

The Online Exhibitor Directory, the Floor Plan, Meeting App and the printed Official Program will all list complete information about participating companies. These tools will assist in planning booth visits and communicating with industry leaders pre and post-meeting.

Visit: PlasticSurgeryTheMeeting.com/exhibits
search by: Company Name, Product Category, Booth Number, or Keyword/Product Name.

ASPS VALUES ITS INDUSTRY PARTNERS

ASPS and The PSF would like to thank our members for their continued support and interest in patronizing exhibitors at Plastic Surgery The Meeting. **Registration fees would be considerably higher without the income generated from exhibitor participation.**

When companies present quality products and services addressing the practice needs of aesthetic and reconstructive plastic surgery professionals, they add value. We encourage you to set aside dedicated time in Orlando to visit with exhibitors and let them know you value their partnership.

Additionally, our gratitude goes out to the ASPS Exhibitor Advisory Council (EAC), which provides a vital communication link between the Society and its exhibitors.

HOTEL & TRAVEL

Orlando

Plastic Surgery The Meeting is pleased to offer meeting attendees discounted hotel and transportation rates for travel to and from Orlando. We encourage you to take advantage of the discounts offered and make reservations early, as availability is on a first-come, first-served basis.

OFFICIAL HOUSING PARTNER

onPeak is the official housing bureau for Plastic Surgery The Meeting 2017.

Meeting attendees and exhibitors are being contacted by companies claiming they represent ASPS and offering assistance with hotel reservations for Plastic Surgery The Meeting in Orlando. Hotel reservations should only be made directly with onPeak. To ensure your private information is secured and protected, do not provide your credit card information to anyone other than onPeak for Plastic Surgery The Meeting 2017.

Our rates, cancellation policies and customer support can only be provided if reservations are arranged through onPeak. Look for the onPeak Official Logo prior to making reservations.

Hilton Orlando is the headquarters (HQ) hotel for Plastic Surgery The Meeting; connected by pedestrian bridge to the Orange County Convention Center (OCCC) South Concourse.

DEPOSIT

Neither ASPS nor onPeak require a deposit. However, upon check-in, hotels may require first night's room and tax by credit card to secure discounted rates and reservation. Please refer to Plasticsurgerythemeeting.com/hotels for details.

CONFIRMATION

Confirmations are sent via email at time of reservation; please review for accuracy once received. If confirmation email is not received within 24-hours of making your reservation, please contact onPeak.

CHANGES/CANCELLATIONS

All changes and cancellations must be made directly with onPeak and up to seven (7) business days prior to scheduled arrival. An acknowledgement of your request will be emailed within 24 business hours of receipt. Please review the onPeak confirmation for individual hotel policies.

SPECIAL REQUESTS

You will be asked to provide room preferences when making your reservation. Hotels will assign specific room types upon check-in, based on availability.
