Two offerings:

- April 25–26, 2019
- October 24–25, 2019

Society of
Critical Care Medicine
The Intensive Care Professionals

Location

Regions Hospital
EMS Education Center
1704 Suburban Avenue
St. Paul, Minnesota 55106

[\(View map and directions\)](#)

Conference overview

The FCCS curriculum is intended to introduce principles important in the initial care of critically ill/injured patients to physicians, physicians-in-training, nurses, and other healthcare providers who may or may not be skilled in critical care but who must care for such patients during early stabilization and in anticipation of the arrival of an intensivist, specialist, or pending transfer of a patient to a tertiary center.

This program will follow a standardized, rigorous curriculum developed by the Society of Critical Care Medicine. It provides exposure in both didactic and hands-on clinical skills for health care professionals who are responsible for care in the inpatient setting.

Disclaimer: The course is not intended to provide expertise in the care of critically ill and injured patients, but to provide some knowledge and skills to assist you in patient care prior to transfer or until critical care consultation is available.

Educational objectives

Following this learning activity, participants will be able to:

- Prioritize assessment needs for the critically ill patient
- Identify appropriate diagnostic tests for the critically ill patient
- Recognize and initiate management of acute life-threatening conditions
- Identify and respond to significant changes in the unstable patient
- Recognize the need for patient transfer and prepare practitioners for optimally accomplishing transfer

Cost/Registration

The registration fees are: physicians/\$495 and other health professionals/\$395. The fees include tuition, course materials, lunch and refreshments. If you have any special needs or dietary requirements, please notify us when registering so that we can make arrangements to accommodate you.

Register online: [April 25–26, 2019](#) [October 24–25, 2019](#)

Accreditation

HealthPartners Institute is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Office of Continuing Medical Education, HealthPartners Institute, designates this live activity for a maximum of 14.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program is designed to meet the Minnesota Board of Nursing's requirements. It is the responsibility of each nurse to determine if the program meets the criteria for licensure or recertification in their discipline.
