02nd to 05th December 2021 | HICC, Hyderabad.

From the Desk of President-Elect CSI

CSI HYDERABAD 2021

Dear friends,

On behalf of Scientific Committee of CSI 2021 & as President-elect CSI, I wish you all & your family members a very Happy New Year. We all have seen and experienced a very dreadful 2020 due to Covid Pandemic. Face masks have become a part of our life. We feel proud to have 'Made in India' Covid vaccines with global demand being available now for our citizens.

The Scientific Committee is trying hard to make the annual CSI 2021 conference at Hyderabad a very attractive & fruitful one. A good number of International faculties have already confirmed their participation. I hope this meeting will be more physical one like all other years with provision for virtual facilities. The topics are being selected as per advancement of the medical science. I appeal to all of you to participate at this conference physically after getting vaccinated to make this meeting a more meaningful & a nostalgic event of our CSI.

Wishing you all the best wishes once again, Long live CSI.

Kind Regards,

Dr. P.S. BANERJEE

Scientific Committee Chairperson & President-Elect CSI.
