

Diabetic Foot
Europe 2019

The European Conference on **Controversies in Diabetic Foot Management**

2-3 May 2019 | Vienna, Austria

Dear Valued Supporters,

On behalf of Prof. Amit Gefen, Conference Chair and Conference Organizer, Bioevents, we take great pleasure in inviting your support of The European Conference on Controversies in Diabetic Foot Management (DiabeticFoot-Europe).

DiabeticFoot-Europe will take place at the Hilton Vienna from 2 - 3 May 2019 and platform aimed at exchanging knowledge as podiatrists, orthopedists, vascular and plastic surgeons, dermatologists, neurologists, endocrinologists, diabetes specialists, biomechanists, rehabilitation physicians, physical therapists, nutritionists, nurses, footwear and orthotic consultants and industry research & development leaders.

Diabetic foot is one of the most serious complications of diabetes – which is of an epidemic scale in both developed and developing countries. Ulceration of the feet would severely aggravate the overall health status and patient condition and will likely have socioeconomic impact as well, particularly if eventually leading to foot or limb amputation.

The prospectus outlines the sponsorship and exhibition opportunities available at the Conference and bespoke packages are also available upon request.

We look forward to welcoming you as a valued Sponsor and Exhibitor in Vienna!

Kind Regards,

Joanne Golibroda
