Conference agenda.

ARAB HEALTH

28-31 January 2019 • Dubai World Trade Centre

Surgery Conference.

28 - 31 January 2019, Dubai World Trade Centre, Dubai, UAE.

Theme: 'Laying the ground work for patient-centricity'

What's new:

- Dedicated symposia on new topics: management skills, tumour board review, HPB surgery
- A full day of biliary disease based on popular demand and delegate feedback
- More interactive sessions with audience polling on debates
- Reduced price and special rates are now available for Allied Healthcare Professionals*

Key topics:

- Updates in biliary tract surgery
- Pancreatic surgery – updates and advances
- Surgery leadership and management symposium
- Fresh perspectives in hepatic surgery
- Upper GI surgery symposium
- Revision bariatrics for weight regain - a literature review
- 'Grand rounds' - multi-disciplinary review of GI oncology cases

Who should attend:

- Surgeons
 - General
 - Consultant/Specialist
 - Laparoscopic
 - Bariatric/Metabolic/Obesity
 - GI (upper and lower)
 - Trauma
 - Thoracic
- Heads of Surgery
- Chief of General Surgery
- Chief of Minimally Invasive General Surgery

Benefits of attending:

- Review the patient management spectrum for bariatric and metabolic surgery to minimise risk for post-operative complications
- Identify how to manage complications in hepatic, pancreatic and biliary disease cases to preserve bodily function
- Refine skills for advanced surgical oncology procedures to improve patient safety and reduce healthy tissue resection
- Determine good practice in laparoscopic emergency procedures that reduce the risk of post-operative complications
- Apply advanced surgery techniques in everyday practice that reduce patient recovery time

**Allied Healthcare Professionals such as Nurses, Physiotherapists, Radiographers and Technicians can contact the Arab Health conference team on +971 4 408 2891 or ahcongress@informa.com to find out more about the special rates. Valid company/employee identification with job designation will be required to avail the special rates.*

Surgery Conference.

28 - 31 January 2019, Dubai World Trade Centre, Dubai, UAE.

Programme highlights:

Timing it to perfection: Cholecystectomy in acute cholecystitis

Dr Stanley W. Ashley, Frank Sawyer Professor of Surgery, **Harvard Medical School**; General, Gastrointestinal and Oncologic Surgeon, Chief Medical Officer, Vice President for Medical Affairs, **Brigham and Women's Hospital, Boston, Massachusetts, USA**

Keynote address: Quality management in surgery/ the future of medicine

Dr Martin Makary, Chief: Islet Transplant Surgery, Professor of Surgery and Health Policy & Management, **Johns Hopkins Medicine, Baltimore, Maryland, USA**

Standardisation of surgical technique: a quality standard

Dr John Morton, Past-President, **American Society for Metabolic and Bariatric Surgery**; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), **Stanford School of Medicine, Stanford, California, USA**

Accreditation statement:

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 25.00 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Day one | Monday, 28 January 2019.

FOCUS: HPB SERIES - EXPLORING UPDATES IN BILIARY TRACT SURGERY

08:00 Welcome coffee

09:30 Opening remarks

Prof Ali Al Dameh, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, Emirates Speciality Hospital - DHCC, Dubai, UAE

Dr Matthew Walsh, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA

Session 1: Cholecystitis – how would I manage it?

Moderator: **Dr Satya Bhattacharya**, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

09:35 Panel discussion: How to manage a difficult cholecystectomy?

A series of short video presentations followed by interactive audience discussion and poll

Moderator: **Dr Satya Bhattacharya**, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

Panellists:

- **Dr Ajit Abraham**, Consultant HPB & Trauma Surgeon, Deputy Chief Medical Officer, Barts Health NHS Trust, London, UK
- **Dr Bijendra Patel**, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust; Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK
- **Dr Matthew Kroh**, Chief of the Digestive Disease Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE
- **Dr Shaw Somers**, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

Session 2: What are your options?

Moderator: **Dr Matthew Walsh**, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA

10:30 I've found gallbladder polyps on the US report: now what?

Dr Guido Mannaerts, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

11:00 Timing it to perfection: Cholecystectomy in acute cholecystitis

Dr Stanley W. Ashley, Frank Sawyer Professor of Surgery, Harvard Medical School; General, Gastrointestinal and Oncologic Surgeon, Chief Medical Officer, Vice President for Medical Affairs, Brigham and Women's Hospital, Boston, Massachusetts, USA

11:30 Acute cholecystectomy - better than the alternatives?

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

View the detailed agenda at www.ahcongress.com/surgery

12:00 Lunch break and visit exhibition

Session 3: Common duct stones

Moderator: **Dr Bijendra Patel**, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust; Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

14:00 Predicting presence of CBD stones

Dr Satya Bhattacharya, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

14:20 Choledocholithiasis: laparoscopic first approach to management

Dr Matthew Kroh, Chief of the Digestive Disease Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

14:40 Choledocholithiasis: ERCP first approach and Intrahepatic stone disease - surgical approaches

Dr Ajit Abraham, Consultant HPB & Trauma Surgeon, Deputy Chief Medical Officer, Barts Health NHS Trust, London, UK

15:00 Coffee break

Session 4: Updates in biliary tract surgery

Moderator: **Prof Ali Al Dameh**, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, Emirates Speciality Hospital - DHCC, Dubai, UAE

15:45 Post gastric bypass approaches to the biliary tract

Dr Ali Tavakkoli, Associate Professor of Surgery, Harvard Medical School; Minimally Invasive and Bariatric Surgeon, Director of Minimally Invasive Surgery Fellowship, Co-director of the Center for Weight Management and Metabolic Surgery, Brigham and Women's Hospital, Boston, Massachusetts, USA

16:15 Prevention of duct injuries during laparoscopic cholecystectomy

Dr Bijendra Patel, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

16:45 Bile duct injury: optimal timing of repair

Dr Matthew Walsh, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA

17:15 Featured talk: US-Europe expert consensus on the medicolegal management of bile duct injury

Dr Bijendra Patel, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

17:45 End of day one

Day two | Tuesday, 29 January 2019.

FOCUS: HPB SERIES & UPDATES IN SURGERY PRACTICE

08:00 Welcome coffee

08:30 Opening remarks

Dr Bijendra Patel, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

Session 5: Pancreatic surgery – updates and advances

Moderator: **Dr Satya Bhattacharya**, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

08:35 Laparoscopic pancreatectomy with islet autotransplant

Dr Martin Makary, Chief: Islet Transplant Surgery, Professor of Surgery and Health Policy & Management, Johns Hopkins Medicine, Baltimore, Maryland, USA

09:00 Update on pancreatic cystic neoplasms

Dr Matthew Walsh, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA

09:30 Current management of acute pancreatitis complications: hemorrhage, pseudocysts and necrosis

Dr Stanley W. Ashley, Frank Sawyer Professor of Surgery, Harvard Medical School; General, Gastrointestinal and Oncologic Surgeon, Chief Medical Officer, Vice President for Medical Affairs, Brigham and Women's Hospital, Boston, Massachusetts, USA

10:00 The ins and outs of minimally invasive Whipple

Dr Martin Makary, Chief: Islet Transplant Surgery; Professor of Surgery and Health Policy & Management, Johns Hopkins Medicine, Baltimore, Maryland, USA

10:30 Coffee break

Session 6: Surgery leadership and management symposium

Moderator: **Dr Matthew Walsh**, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA

11:15 From mitral valves to hospital management: Building the world's first global integrated medical network

Dr Rakesh Suri, Chief Executive Officer, Chair of Thoracic and Cardiovascular Surgery, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

11:45 Entrepreneurship in healthcare and other non-clinical opportunities for surgeons

Prof Dr Homero Rivas, MIS, Digestive and Bariatric Surgeon, Associate Dean of Innovation and Future, Mohammed Bin Rashid University of Medicine and Health Sciences (MBRU), Dubai, UAE

12:15 Keynote address: Quality management in surgery and the future of medicine

Dr Martin Makary, Chief: Islet Transplant Surgery, Professor of Surgery and Health Policy & Management, Johns Hopkins Medicine, Baltimore, Maryland, USA

13:00 Lunch break and visit exhibition

Session 7: Fresh perspectives in hepatic surgery

Moderator: Dr Satya Bhattacharya, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

15:00 Modulating the liver volume, from liver oncology to liver transplantation

Dr Antonio Pinna, Director: Liver Transplant and Hepatobiliary Surgery, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

15:30 Cirrhosis and the need for cholecystectomy

Dr Satya Bhattacharya, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK

16:00 Hydatid cystic disease of the liver

Dr Ajit Abraham, Consultant HPB & Trauma Surgeon, Deputy Chief Medical Officer, Barts Health NHS Trust, London, UK

16:30 Panel discussion and questions

Session faculty

Session 8: Upper GI surgery symposium

Moderator: Dr Bijendra Patel, Consultant Upper GI & Laparoscopic Surgeon, Barts Health NHS Trust, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, Queen Mary University of London, London, UK

16:40 Surgical management of gastroesophageal reflux in children - how can we reduce complications?

Dr George W. Holcomb III, Katharine Berry Richardson Professor of Paediatric Surgery, Kansas City School of Medicine, University of Missouri, Chief: Section of General Surgery, Director, Center for Minimally Invasive Surgery, Children's Mercy Hospital, Kansas City, Missouri, USA

17:10 Laparoscopic and endoscopic myotomy for achalasia

Dr Abrie Botha, UGI Surgeon, Guy and St Thomas's NHS Foundation Trust, London, UK

17:40 End of day two

Day three | Wednesday, 30 January 2019.

FOCUS: BARIATRIC & METABOLIC SURGERY

08:00 Welcome coffee

08:30 Opening remarks

Dr Guido Mannaerts, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

Session 9: Technical standardisation

Moderators: **Dr Guido Mannaerts**, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

08:40 Standardisation of surgical technique: a quality standard?

Dr John Morton, Past-President, American Society for Metabolic and Bariatric Surgery; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), Stanford School of Medicine, Stanford, California, USA

08:55 Sleeve gastrectomy

Dr Ali Tavakkoli, Associate Professor of Surgery, Harvard Medical School; Minimally Invasive and Bariatric Surgeon, Director of Minimally Invasive Surgery Fellowship, Co-director of the Centre for Weight Management and Metabolic Surgery, Brigham and Women's Hospital, Boston, Massachusetts, USA

09:10 Gastric bypass

Dr Guido Mannaerts, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

09:25 Omega loop bypass

Dr Ali Khammas, Consultant General Surgeon, Rashid Hospital, Dubai, UAE

09:40 Malabsorptive Surgery (BPD/DS, SADI)

Dr John Morton, Past-President, American Society for Metabolic and Bariatric Surgery; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), Stanford School of Medicine, Stanford, California, USA

09:55 Panel discussion and questions

Session faculty

10:10 Coffee break

Session 10: Revision bariatrics for weight regain - a literature review

Moderators: **Dr Guido Mannaerts**, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

10:55 Assessment of patients for Revision surgery

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

11:10 Revision of sleeve gastrectomy options and results

Dr Ali Tavakkoli, Associate Professor of Surgery, Harvard Medical School; Minimally Invasive and Bariatric Surgeon, Director of Minimally Invasive Surgery Fellowship, Co-director of the Centre for Weight Management and Metabolic Surgery, Brigham and Women's Hospital, Boston, Massachusetts, USA

11:25 Revision of gastric bypass options and results

Dr Guido Mannaerts, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

11:45 Revision of omega loop bypass options and results

Dr John Morton, Past-President, American Society for Metabolic and Bariatric Surgery; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), Stanford School of Medicine, Stanford, California, USA

12:05 Revision of revisions: mission impossible?

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

12:25 Panel discussion and questions

Session faculty

12:40 Lunch break and visit exhibition**Session 11: Complication management in bariatric surgery**

Moderators: **Dr Guido Mannaerts**, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

Dr John Morton, Past-President, American Society for Metabolic and Bariatric Surgery; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), Stanford School of Medicine, Stanford, California, USA

14:30 Endoscopic techniques and indications in complications of bariatric surgery: when to use what?

Dr Mazen Taha, Chief: Gastroenterology, Tawam Hospital, Al Ain, UAE

14:45 Leak sleeve gastrectomy

Dr Patrick Noel, Laparoscopic & Bariatric Surgeon, American Surgeon Centre, Abu Dhabi, UAE

15:00 Stenosis early and late in sleeve gastrectomy

Dr Abdulsalam Al Taie, Consultant General, Bariatric & Laparoscopic Surgeon, Al Taie Centre, Dubai, UAE

15:15 Leak in gastric bypass (RYGB or OAGB)

Dr Matthew Kroh, Chief of the Digestive Disease Institute, Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE

15:30 Marginal ulcer pouch bypass

Dr Bart van Wagenveld, Consultant Laparoscopic and Bariatric Surgeon, Quro Obesity Centre, Dubai, UAE

15:45 Intestinal complications of bariatric surgery

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

16:00 Management of complications of OAGB/MGB

Prof Mohey Elbanna, Secretary General, Egyptian Society of Bariatric Surgery; Governor, Egypt Chapter of the American College of Surgeon; GIT, Laparoscopic and Bariatric Surgery Ain Shams University, Cairo, Egypt

16:20 Panel discussion and questions

Session faculty

Session 12: Local bariatric centres – results and views

Moderators: **Dr Guido Mannaerts**, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, Tawam Hospital, Al Ain, UAE

Dr Shaw Somers, President, British Obesity and Metabolic Surgery Society; Consultant Upper GI and Bariatric Surgeon, BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK

Dr John Morton, Past-President, American Society for Metabolic and Bariatric Surgery; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), Stanford School of Medicine, Stanford, California, USA

16:30 Overall numbers UAE

Dr Basim Al Khafji, Consultant Laparoscopic Surgeon, Canadian Specialist Hospital, Dubai, UAE

16:45 Results of the largest bariatric surgery centres in the UAE

Dr Hmouda Al Afari, Tawam Hospital, Al Ain, UAE

Dr Abdulsalam Al Taie, Consultant General, Bariatric & Laparoscopic Surgeon, Al Taie Centre, Dubai, UAE

Dr Omar Al Marzouqi, Consultant General Surgeon; Minimally Invasive and Bariatric Surgery Specialist, Rashid Hospital, Dubai, UAE

Dr Mohammed Al Hadad, Head of Bariatric and Metabolic Surgery; Consultant Bariatric Surgeon; Consultant General Surgeon, Healthpoint, Abu Dhabi, UAE

17:10 Panel discussion and questions – local issues

Session faculty

18:00 End of day three

Day four | Thursday, 31 January 2019.

FOCUS: 'GRAND ROUNDS' - MULTI-DISCIPLINARY REVIEW OF GI ONCOLOGY CASES

- The objective of the grand rounds sessions is to determine the best possible treatment and care plan for an individual patient
- The review will comprise of panel discussions led by the surgeon speaker who will briefly present a complex case followed by a discussion on the best medical and surgical management course of the case by a multidisciplinary panel

This session will be interactive and will involve audience participation

08:00 Welcome coffee

08:30 Opening remarks

Prof Ali Al Dameh, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, Emirates Speciality Hospital - DHCC, Dubai, UAE

Session 13: Grand rounds – I

08:45 Discussion topics:

Case 1 - Gastro-esophageal junction cancer

Case 2 - Gallbladder cancer found incidentally on pathology from laparoscopic cholecystectomy

- **Moderator: Prof Ali Al Dameh**, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, Emirates Speciality Hospital - DHCC, Dubai, UAE
- **Case 1 Surgeon: Dr Satya Bhattacharya**, Consultant General and Hepato-biliary-pancreatic (HPB) Surgeon, Barts Health NHS Trust, King Edward VII's Hospital, The London Clinic; Clinical Lead, Liver and Pancreas Multi-Disciplinary Team, Barts Health NHS Trust, London, UK
- **Case 2 Surgeon: Dr Matthew Walsh**, Chair: Department of General Surgery, Cleveland Clinic, Cleveland, Ohio, USA
- **Medical oncologist: Dr Amen Sibtain**, Clinical Oncology, Radiotherapy, Barts Health & London Oncology, London, UK
- **Pathologist: Prof Ritu Lakhtakia**, Professor: Pathology, College of Medicine, Mohammed Bin Rashid University of Medicine and Health Sciences, Dubai, UAE
- **Radiologist: TBC**
- **Gastroenterologist: Dr Ray Shidrawi**, Consultant Physician & Gastroenterologist, Homerton & Wellington Hospitals, London, UK

10:00 Coffee break

Session 14: Grand rounds – II

10:45 Discussion topics:

Case 3 - Locally advanced pancreatic cancer

Case 4 - Peritoneal carcinomatosis – when is it appropriate to do heated chemo?

- **Moderator: Prof Ali Al Dameh**, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, Emirates Speciality Hospital - DHCC, Dubai, UAE
- **Case 3 Surgeon: Dr Haytham N. Elsalhat**, Consultant Surgeon; Head of Surgical Oncology & Chief of Surgical Services, Al Noor Hospital, Abu Dhabi, UAE
- **Case 4 Surgeon: Dr Nelya Melnitchouk**, Director: Program in Peritoneal Surface Malignancy, HIPEC; Associate Surgeon, Division of General and GI Surgery, Brigham and Women's Hospital, Boston, Massachusetts, USA
- **Medical Oncologist: Dr Amen Sibtain**, Clinical Oncology, Radiotherapy, Barts Health & London Oncology, London, UK
- **Pathologist: TBC**

View the detailed agenda at www.ahcongress.com/surgery

- **Radiologist:** TBC
- **Endocrinologist:** TBC
- **Gastroenterologist:** **Dr Ray Shidrawi**, Consultant Physician & Gastroenterologist, Homerton & Wellington Hospitals, London, UK

12:00 Lunch break and visit exhibition

Session 15: Grand rounds – III

13:20 Discussion topics:

Case 5 - Locally advanced and recurrent rectal cancer

Case 6 - Robotics in colorectal disease

- **Moderator: Stanley W. Ashley, MD**, Frank Sawyer Professor of Surgery, Harvard Medical School, General, Gastrointestinal and Oncologic Surgeon, Chief Medical Officer, Vice President for Medical Affairs, Brigham and Women's Hospital, Boston, Massachusetts, USA
- **Case 5 Surgeon: Dr Ian Jenkins**, Lead Consultant Colorectal Surgeon, BMI Healthcare, St Marks Hospital, London, UK
- **Case 6 Surgeon: Dr Nelya Melnitchouk**, Director: Program in Peritoneal Surface Malignancy, HIPEC; Associate Surgeon, Division of General and GI Surgery, Brigham and Women's Hospital, Boston, Massachusetts, USA
- **Medical Oncologist: Dr Fathi Azribi**, Chief of Medical Oncology, Tawam Hospital, Al Ain, UAE
- **Pathologist:** TBC
- **Radiologist:** TBC
- **Gastroenterologist: Dr Ray Shidrawi**, Consultant Physician & Gastroenterologist, Homerton & Wellington Hospitals, London, UK

Session 16: Emergency laparotomy symposium

Moderator: **Prof Dr Yousif Hussein Eltayeb**, Consultant Surgeon, Rashid Hospital; Associate Professor, Dubai Medical College; Dubai Surgical Residency Program Director, Dubai Healthcare Authority, Dubai, UAE

15:20 Introduction: challenges with emergency laparotomy and UAE experience

Prof Dr Yousif Hussein Eltayeb, Consultant Surgeon, Rashid Hospital; Associate Professor, Dubai Medical College; Dubai Surgical Residency Program Director, Dubai Healthcare Authority, Dubai, UAE

15:40 Emergency laparotomy for bowel obstruction and how soon should we operate

Prof Shafi Ahmed, Consultant General, Laparoscopic and Colorectal Surgeon; Associate Dean, Barts and the London Medical School, London, UK

16:00 Emergency laparotomy for abdominal trauma: tips and tricks in a hospital with resource constraints

Major Tom Konig, Trauma and Vascular Surgeon, British Army, The Royal London Hospital, Barts Health NHS Trust, London, UK

16:20 Emergency Laparotomy for abdominal trauma: tips and tricks in resource constraint hospital

Major Tom Konig, Trauma and Vascular Surgeon, British Army, The Royal London Hospital, Barts Health NHS Trust, London, UK

16:40 Emergency laparotomy for a septic patient

Prof Shafi Ahmed, Consultant General, Laparoscopic and Colorectal Surgeon; Associate Dean, Barts and the London Medical School, London, UK

17:00 End of conference

Speaker faculty.

Activity director:

Dr Matthew Walsh, Chair: Department of General Surgery, **Cleveland Clinic, Cleveland, Ohio, USA**

Local chair:

Prof Ali Al Dameh, Associate Professor, General Surgery and Thoracic and Laparoscopic Surgery - Consultant Surgeon, **Emirates Speciality Hospital - DHCC, Dubai, UAE**

Scientific committee:

Dr Bijendra Patel, Consultant Upper GI & Laparoscopic Surgeon, **Barts Health NHS Trust**, Clinical Lead for General Surgery, Network Director for Upper GI Surgery, Director of Surgical Skills and Science, **Queen Mary University of London, London, UK**

Dr Guido Mannaerts, Chief of General Surgery; Consultant Bariatric and Oncology Surgeon, **Tawam Hospital, Al Ain, UAE**

Prof Dr Homero Rivas, MIS, Digestive and Bariatric Surgeon, Associate Dean of Innovation and Future, **Mohammed Bin Rashid University of Medicine and Health Sciences (MBRU), Dubai, UAE**

Dr Shaw Somers, President, **British Obesity and Metabolic Surgery Society**; Consultant Upper GI and Bariatric Surgeon, **BMI Clementine Churchill Hospital London and Portsmouth Hospitals NHS Trust, Portsmouth, UK**

Prof Dr Yousif Hussein Eltayeb, Consultant Surgeon, **Rashid Hospital**; Associate Professor, **Dubai Medical College**; Dubai Surgical Residency Program Director, **Dubai Healthcare Authority, Dubai, UAE**

Honorary member: Dr Faruq Badiuddin, Specialist General Surgeon, General, Laparoscopic and Obesity Surgery, **Mediclinic Dubai Mall, Dubai, UAE**

Speakers:

Dr Abdulsalam Al Taie, Consultant General, Bariatric & Laparoscopic Surgeon, **Al Taie Centre, Dubai, UAE**

Dr Abrie Botha, UGI Surgeon, **Guy and St Thomas's NHS Foundation Trust, London, UK**

Dr Ajit Abraham, Consultant HPB & Trauma Surgeon, Deputy Chief Medical Officer, **Barts Health NHS Trust, London, UK**

Dr Ali Khammas, Consultant General Surgeon, **Rashid Hospital, Dubai, UAE**

Dr Ali Tavakkoli, Associate Professor of Surgery, **Harvard Medical School**; Minimally Invasive and Bariatric Surgeon, Director of Minimally Invasive Surgery Fellowship, Co-director of the Centre for Weight Management and Metabolic Surgery, **Brigham and Women's Hospital, Boston, Massachusetts, USA**

Dr Amen Sibtain, Clinical Oncology, Radiotherapy, **Barts Health & London Oncology, London, UK**

Dr Antonio Pinna, Director: Liver Transplant and Hepatobiliary Surgery, **Cleveland Clinic Abu Dhabi, Abu Dhabi, UAE**

Dr Bart van Wagensveld, Consultant Laparoscopic and Bariatric Surgeon, **Quro Obesity Centre, Dubai, UAE**

Dr Basim Al Khafji, Consultant Laparoscopic Surgeon, **Canadian Specialist Hospital, Dubai, UAE**

Dr Fathi Azribi, Chief of Medical Oncology, **Tawam Hospital, Al Ain, UAE**

Dr George W. Holcomb III, Katharine Berry Richardson Professor of Pediatric Surgery, Kansas City School of Medicine, **University of Missouri**, Chief: Section of General Surgery,

View the detailed agenda at www.ahcongress.com/surgery

Director, Center for Minimally Invasive Surgery, **Children's Mercy Hospital, Kansas City, Missouri, USA**

Dr Haytham N. Elsalhat, Consultant Surgeon; Head of Surgical Oncology & Chief of Surgical Services, **Al Noor Hospital, Abu Dhabi, UAE**

Dr Hmouda Al Afari, **Tawam Hospital, Al Ain, UAE**

Dr Ian Jenkins, Lead Consultant Colorectal Surgeon, **BMI Healthcare, St Marks Hospital, London, UK**

Dr John Morton, Past-President, **American Society for Metabolic and Bariatric Surgery**; Chief: Bariatric and Minimally Invasive Surgery (Bariatric Endoscopy), **Stanford School of Medicine, Stanford, California, USA**
